Returning Digital Materials Early

Returning from a desktop/laptop:

To return media in OverDrive's desktop application:
1. Select **View All Media** in the left-hand column
2. Click on the title you would like to return. The title will be highlighted in blue.
3. In the toolbar above, click **Delete**, or right-click on the title and select **Delete**.

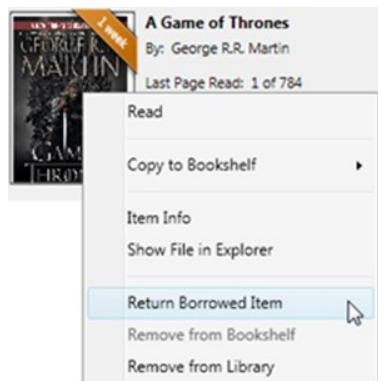

4. Click on **Return/delete**. The title will be removed from your OverDrive account, and the files will be erased from your computer.

To return a book in Adobe Digital Editions:
Once a book has been downloaded to Adobe Digital Editions, it can only be returned early via the Adobe app or the OverDrive app bookshelf.
1. Right-click on the title you would like to return (for Macs use control-click).
2. Select **Return Borrowed Item**. Or, click **Remove from Library** to delete the book from your computer or device without returning it. This way, the item will still be available to download and view again until the lending period expires.
