STATEMENT OF CANDIDATE FOR MEMBER, CITY COUNCIL
City of Sausalito

Thomas Theodores
Occupation: Retired Corporate Counsel

I believe City Council's job is to lead our community in preserving, enhancing and enjoying Sausalito's natural gifts, not drive us apart. I am committed to providing the independent, balanced leadership needed to bring us together.

As a member of the Sausalito's Historic Landmarks Board for four years and as its Chair for two of those years, I provided such leadership. During my Board tenure we protected Sausalito's historic character while at the same time guided businesses and homeowners in maintaining and enhancing their properties. An enduring achievement of our Board's work was the creation of the Historic Design Guidelines which provide specific guidelines for protecting our architectural heritage during the building process.

In my professional career as Vice President Legal for a major high tech corporation and as a member of boards for nonprofit civic organizations, I often worked to bring together disparate groups to reach solutions that benefited everyone. It is this experience that has provided me the skills to deal with complex issues in a professional and congenial manner.

City Hall's purpose is to serve the entire community. If elected, I promise not to lose sight of this goal.
