

Name: Jonathan Leone

Age:

Occupation: Incumbent

Education and Qualifications:

Mayor of Sausalito: 2009, 2010

Sausalito City Council Member: 2006 - Present

Sausalito Planning Commissioner: 6 years, Chair 2 years

As your City Council representative, I have focused on essential services, sound fiscal management, infrastructure investment and transparency. I have delivered concrete, positive results:

**Protecting Sausalito's Heritage and Character:**

Adopted strong Historic Preservation Guidelines. Limited Waterfront Development. Created McMansion Restrictions and Rental Protections.

**Improving City Finances:**

Balanced Budgets every year. Grew Financial Reserves during economic downturn. Reduced Pension Costs. Repaid debt.

**Investing in Infrastructure:**

Paved first concrete streets in almost 40 years. Fixed 60% of City street miles. Protected the Bay through new Sewer Repair Program. Developing Storm Drain Plan.

**Enhancing City Services:**

Increased Funding for Essential City Services (Library and Parks & Recreation) through the recession, unlike many jurisdictions.

**Parks & Beautification:**

Completed first total park remodel in decades. Developed Improvement Plans for City Hall & Robin Sweeny Park. Increased Funding for City land and park maintenance.

I have been a fair and independent representative. Facing economic pressures, greater environmental obligations and critical land use decisions in the Marinship, Sausalito needs independent and experienced leadership.

I ask for your vote.

MBA: Dartmouth

BA: Yale

Environmental Studies Certificate: Dartmouth
