 NOTICE OF CITY COUNCIL MEETING FOR
 ZONING ORDINANCE TEXT AMENDMENTS REGARDING
 EMERGENCY [HOMELESS] SHELTERS
 ZOA 15-008
 FEBRUARY 24, 2015 AT 7PM**

You are invited to attend a City Council public hearing on the following amendments:

PROJECT DESCRIPTION: Zoning Ordinance Amendments to modify the existing Emergency Shelter regulations in Sausalito Municipal Code Section 10.28.080. On July 22, 2014 the City Council adopted Ordinance 1223 which in part established an “Emergency Shelter” Overlay Zone*, which established Emergency [Homeless] Shelters as a permitted use by right in the Zone and established development and management standards for Emergency Homeless Shelters in the “Emergency Shelter” Overlay Zone. Emergency [Homeless] Shelters are year-round facilities that provide housing with minimal supportive services for homeless persons. Homeless persons are limited to occupancy of six months or less in an Emergency [Homeless] Shelter. The provisions of Ordinance 1223 are required pursuant to California Government Code Sections 65582, 65583 and 65589.5. Since its adoption, the State Department of Housing and Community Development has directed the City to make amendments to the Emergency Shelter provisions in Sausalito Municipal Code Section 10.28.080, which the City committed to making in Program 27 of the Housing Element (adopted January 13, 2015). **The specific amendments include (1) removing the requirement that the Management Plan be “approved” by the City, (2) clarifying that a shelter operator address the services listed in the management plan to the extent such services applicable to the shelter, and (3) removing the requirement for a shelter operator to provide an annual report for compliance with conditions.** These amendments are categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061.b.3 and 15305 of the CEQA Guidelines.

*The “Emergency Shelter Overlay” Zone includes: City Hall at 420 Litho Street, Police Station on Caledonia Street, Fire Station on Johnson Street, Downtown Parking Lot areas, Ferry Landing area and Spinnaker Restaurant area, City Corporation yard on Nevada Street, the School District site on Nevada Street and the MLK site on Coloma. Note that the proposed amendments do not include the addition/removal of any site in the Emergency Shelter Overlay Zone.
