OLD BUSINESS

1. ST. MARY STAR OF THE SEA – 171 HARRISON AVENUE (DR/VAR 14-085)
Archdiocese of San Francisco (Applicant) Staff: Chan

DESCRIPTION: Design Review Permit and Variance application to demolish the existing 1,704-square foot rectory building (residence and offices) to allow construction of a new 1,860-square foot rectory building at 171 Harrison Drive (APN 065-092-40)

RECOMMENDATION: Review Historic Resource Evaluation prepared by Preservation Architecture to evaluate historical significance for the proposed project

The HLB reviewed the Historic Resource Evaluation prepared by Preservation Architecture for 171 Harrison Avenue and found it to be comprehensive and well-researched.

The HLB concluded their review by stating that based upon the information available, the building at 171 Harrison Avenue is not considered to be a significant local historic resource. As such, the HLB made the following findings for the building at 171 Harrison Avenue:

1. Is the structure associated with events that have made a significant contribution to the broad patterns of the history, culture, or heritage of Sausalito, California, or the United States? Such structures may include but are not limited to civic structures, properties featured in publications, and sites where significant events occurred.

The Board finds **no significance** under this criterion. Vote: 4-0.

2. Is this structure associated with the life or lives of one or more people important in our past? Such structures may include but are not limited to homes of prominent persons and places referenced by prominent persons.

The Board finds **no significance** under this criterion. Vote: 4-0.

3. Does the structure embody the distinctive characteristics of a type, period, region, or method of construction, or represent the work of an important creative individual, or possess high artistic values? Such structures may include but are not limited to

exceptional examples of architecture or an architect's work; more ordinary examples of such work are emblematic of a particular style or era; and any works by prominent creative individuals.

The Board finds **no significance** under this criterion. Vote: 4-0.

4. Has the structure yielded, or may it be likely to yield, information important in prehistory or history? Such structures may include but are not limited to archeological sites.

The board finds **no significance** under this criterion. Vote: 4-0.

NEW BUSINESS

2. PILOT HOUSES AT GALILEE HARBOR – 300 NAPA STREET

Galilee Harbor Community Association, Inc. (Applicant)
Steefenie Wicks (Project Coordinator)
