SUMMARY

The City has \$22,478 remaining in the 2000 Per Capita Grant Funding. All projects that utilize this funding source must be completed and inspected by the State Parks Office of Grants and Local Services by June, 2008. The fencing at the Marinship Tennis Courts is in need of replacement. Low bid for the project is \$26,232. The Parks and Recreation Department is working with the Sausalito Arts Festival to fund the balance of \$3,754. On February 20, 2008, the Parks and Recreation Commission agreed that replacing the fencing at the Marinship Tennis Courts was a good use of Grant Funds prior to the June deadline.
