ARGUMENT IN FAVOR OF MEASURE F

Note **YES on F** – **FIX LOCAL PARKS WITHOUT RAISING TAXES!**

Sausalito's parks are old and need significant repairs/safety upgrades. Hundreds of residents collaborated with the City to plan improvements to **Dunphy Park, Robin Sweeny Park, Southview Park, and the MLK site**, which are treasured but deteriorating public assets. Many projects are "shovel ready" and can start immediately.

YES on F funds these critical park repairs now, while interest rates remain low and before project costs escalate. **Measure F does NOT create any new taxes and does NOT raise any existing taxes.**

YES on F authorizes the City to fund essential park improvements through a standard financing method used by dozens of cities and local agencies. Independent fiscal experts recommend this financing mechanism, and the City Council has already approved it.

YES on F updates Sausalito's parks and public spaces – making them safe and up to the standards of neighboring communities:

- **YES on F** brings parks up to today's safety standards.
- **YES on F** replaces unsafe playground equipment.
- **YES on F** upgrades safety lighting.
- **YES on F** improves tennis/basketball courts, sports fields.
- **YES on F** adds restrooms.
- **YES on F** repairs leaky roofs/deteriorating buildings, hillside retaining walls.
- **YES on F** restores wetlands/natural areas.

Residents of all ages deserve BEAUTIFUL, SAFE PARKS for community events and recreation, where our children can play and exercise in a fun, healthy environment within their local community.

YES on F ensures that our parks remain vital community gathering spaces that make Sausalito special and that all generations can enjoy together. Upgrading our parks enhances the livability of our extraordinary community, improving property values **without raising taxes!**

Join Mayor Thomas Theodores, Sausalito City Council members, parents, seniors, and parks/environmental advocates in voting **YES on F!**
