Rebuttal to Argument Against Measure F

YES on F is a fiscally-responsible way to **IMPROVE SAUSALITO'S PARKS NOW, WITHOUT RAISING TAXES!**

Don't be fooled by scare tactics!

Hundreds of cities, counties and districts throughout California and the nation routinely use Measure F's **STANDARD, SAFE and SECURE financing**. Residents of all ages have been involved in planning for Sausalito's park improvements for years, and the accompanying financing has undergone a thorough financial review and Council approval process. Now is our opportunity to make these park improvements a reality – **VOTE YES on F!**

Here are the FACTS:

- **STANDARD & POOR'S, a leading independent credit ratings agency, has ALREADY analyzed Measure F's financing transaction and given it a very strong 'AA' rating.**

“We view the City's management as strong, with good financial policies and practices.”

– *STANDARD & POOR'S Measure F financing report*

- **Sausalito has received numerous awards for responsible, transparent budget practices** at state and national levels.
- **Only the City and our Taxpayers will own/operate MLK.** It's ridiculous to suggest a well-run City like ours would be subject to asset seizure. Sausalito has NEVER defaulted on debt. Measure F includes protections to ensure ongoing payments.
- Critical storm drain/street repairs have already begun, as Measure O promised. While some park repairs are funded, Measure O cannot address these major park improvements, which are urgently needed.

Opponents present no solutions to fix our parks. **Through a fiscally-sound, common practice, Measure F fixes Dunphy, Robin Sweeny, Southview and MLK Parks NOW, without raising taxes.**
