NEW BUSINESS

1. MURGUIA RESIDENCE – 105 BUCHANAN DRIVE (DR 15-216)

McCoy Architecture – Applicant

Staff: Walters

Bethanie Murguia – Property Owner

DESCRIPTION: McCoy Architecture, on behalf of Bethanie Murguia, is requesting approval of a Design Review Permit for an addition to build out the crawl space, enclose the entry stair and add a new deck at 105 Buchanan Avenue.

PROJECT: Review draft 50-year memorandum evaluating historical significance of the proposed project.

Board Member Richardson provided a summary of the draft 50-year review memorandum.

The HLB reviewed the packet of materials for the project and evaluated the historic significance of the existing site and structure(s) on the property.

The HLB concluded their review by stating that based upon the information available and presented, the existing site and structure(s) of the property are not considered to be a significant local historic resource. As such, the HLB made the following findings:

1. Is the structure associated with events that have made a significant contribution to the broad patterns of the history, culture, or heritage of Sausalito, California, or the United States? Such structures may include but are not limited to civic structures, properties featured in publications, and sites where significant events occurred.

The Board finds no significance under this criterion. Vote: 3-0.

2. Is this structure associated with the life or lives of one or more people important in our past? Such structures may include but are not limited to homes of prominent persons and places referenced by prominent persons.

The Board finds no significance under this criterion. Vote: 3-0.

3. Does the structure embody the distinctive characteristics of a type, period, region, or method of construction, or represent the work of an important creative individual, or possess high artistic values? Such structures may include but are not limited to exceptional examples of architecture or an architect's work; more ordinary examples of such work are emblematic of a particular style or era; and any works by prominent creative individuals.

The Board finds no significance under this criterion. Vote: 3-0.

4. Has the structure yielded, or may it be likely to yield, information important in prehistory or history? Such structures may include but are not limited to archeological sites.

The Board finds no significance under this criterion. Vote: 3-0.
