Message from the

Parks and Recreation Director

WINTER 2017

Dear Sausalito,

Winter used to be considered the “down season” for Parks and Recreation but this is no longer the case. As you look through this issue of our Magazine you will see that all kinds of things are going on. With Breakfast with Santa, the SouperBowl, the Valentines Daddy Daughter Dance, and our newest event WAG – A celebration of all things dog, the Parks and Recreation Staff is certainly busy with events.

Of course the Parks and Recreation Department is also busy with classes for kids and adults alike. For the little ones we have ballet, basketball and indoor soccer to name a few. Our adult programs include painting, dance, exercise, sports and even wood working. Of course we would be remiss if we left our four legged friends out so we have once again partnered with the Marin Humane Society to bring puppy training, Family Dog training, and a special class for small dogs.

In addition to all the great Parks and Recreation programs our Magazine includes information from other City Departments such as the Police Department and Library as well as community organizations like the Chamber of Commerce and Historical Society.

Please enjoy this edition of the Sausalito and its Community Magazine and we look forward to seeing you at one of our events, classes, or both!

As always, please contact me if you have any questions.

Sincerely,

Mike Langford

Parks and Recreation Commission

After over six years on the Parks and Recreation Commission, Doreen Gounard submitted her resignation in September. In addition, Commissioner Joe Burns, soon to be Councilmember Burns, has timed out, along with Sela Seleska and Cindy Powers. This creates a unique opportunity for members of the community to form a new Parks and Recreation Commission.

The Commission consists of five members and an alternate. The Commission's purpose is to advise and make recommendations to the Council (and City staff) in all matters of policy pertaining to Parks and Recreation. Recent agenda items have included special event applications for large events, the design of Robin Sweeny Park, tennis court rules, and the new three-dog limit at the Sausalito Dog Park. Upcoming items include future improvements and renovations to Dunphy, Southview and MLK Parks, along with park policies and the use of facilities for special events.

If you are interested in applying for the commission, please click here for an application. For additional information, contact Parks and Recreation Director Mike Langford at mlangford@ci.sausalito.ca.us.

Want to Get Involved?

The Sausalito Parks & Recreation Department strives to provide quality programs to Sausalito and its community that enhance growth, expression, and recreation through people, parks, and programs.

WOULD YOU LIKE TO MEET NEW PEOPLE?

GET TO KNOW NEW FRIENDS AND NEIGHBORS?

Whether you've just moved here or are a longtime resident, an exciting and fun way to meet the people in your community is to volunteer for the Sausalito Parks & Recreation Department. We're already busy planning the next Breakfast with Santa, Easter Egg Hunt, and Haunted House. So, you can tell we need volunteer help with all of these events throughout the season. If you want to help drive these events and participate on a different level, how about joining a committee for a specific event? The time commitments usually require several pre-event meetings and event day participation. The reward is supporting our community and having fun while doing it! Did you know you can have this much fun without leaving town? Call the Recreation Department at **289-4152** and let us know how you'd like to help.

The fabled Gingerbread Men, shown here in a rare photo, will be appearing throughout Sausalito in December

10th annual Gingerbread House Tour: A Sausalito Tradition

Smells of gingerbread are in the air! The Sausalito Gingerbread House Tour and Competition has become a true family holiday tradition. From the very young to the very young at heart, the reaction to this magical experience is the same – one of wonder, awe and delight.

The time has finally arrived for the 10th Annual Gingerbread House Tour. 36 Sausalito merchants and businesses are participating, with houses on display every day during the month of December. If you received this magazine in the mail, a map of all of the participants is included in this edition.

Looking for something local to do this Holiday season? You'll find houses downtown along Bridgeway, on Caledonia Street, in "Old Town" and even some at the north end of town. Most of the houses can be viewed on foot in one afternoon. While visiting the participating merchants, you'll have the chance to join in a treasure hunt, and you can even vote for your favorite "house" to be awarded "The People's Choice."

Creativity abounds in these confectionary delights. In past years, we have seen lighthouses, an under seascape complete with undersea creatures playing instruments, a full mockup of Alcatraz Island, several styles of boats and ships and some amazing depictions of Sausalito landmarks.

Sponsored by the Sausalito Chamber of Commerce, the Gingerbread House Tour makes for a fun family outing, a diversion while holiday shopping, or an excuse to get together for lunch in one of Sausalito's

fantastic restaurants. The Gingerbread House Tour map also has a calendar of events listing additional local holiday options for you, family and friends

Special thanks to our sponsors for this year's event including: Decker Bullock Sotheby's, Mollie Stones Grocery Stores, Webb Construction, The Kimber Companies and Sausalito Optometry.

The maps of the tour will also be available at participating merchants, at the Kiosk at the Ferry Landing, or by downloading at www.sausalitogingerbread.com. And to see photos from this and prior years, visit us on Facebook (Sausalito Gingerbread House Tour).

Beautification Day 2016: Polishing a Hidden Gem

The Board of Sausalito Beautiful would like to thank the 25+ volunteers who joined us on Saturday October 22 for our third annual Beautification Day! These events are the quintessence of why Sausalito Beautiful exists. When our volunteers work in close partnership with both the City and the private sector, we are able to bring dramatic cost-effective change to our public spaces. Together we ensure that the beauty of our town reflects the splendor of our natural surroundings.

This year we set our sights on Tiffany Park – one of Sausalito's many hidden gems in need of some extra attention. The project had tremendous momentum even before we broke ground thanks to the work of Shades of Green Landscape Architecture (the Principal of which is board member Ive Hoageland) and our partners at the Department of Public Works. Shades of Green generously donated their landscaping talents, while the team from the Department of Works spent hours preparing the site, delivering mulch, compost, plants and tools. All of this enabled our fantastic team of volunteers to make quick work of all the weeding, digging, planting, and mulching needed to make Tiffany Park truly shine.

We would also like to send a special Thank You to a few key individuals who made this project a success:

- Loren Umbertis, Eric Graham, Martin Rodriguez and all our partners at the Department of Public Works
- Ive Hoageland, Molly Franson and the team at Shades of Green Landscape Architecture
- Event Chairs Craig and Marjorie Thomas for all their work organizing the event
- And last but certainly not least, to our good friend Mike Langford, Director of Sausalito Parks and Recreation

As with most worthwhile efforts, the work is never done. If you would like to join us in an upcoming project, just send an email to info@sausalitobeaautiful.org.

Sausalito Beautiful Beautification Awards 2017

In 2016, Sausalito Beautiful launched the City's first-ever Beautification Awards program and plans are already underway for 2017. The awards honor Sausalito businesses and properties that have recently made substantial landscape improvements or have continued to maintain aesthetically-pleasing curbside appearance over a period of time.

If you're a business or property owner along Bridgeway, downtown or on Caledonia Street interested in being considered for a 2017 award, why not consider beautifying the streetscape around your building now? The mild winter climate in Sausalito offers endless opportunities to plant and care for annuals, perennials and evergreens. The water temperature of Richardson Bay protects Sausalito from extreme cold temperatures that inland communities sometimes experience. The results are mild, wet, nearly frostless winters and colorful gardens can be enjoyed year round.

Now is a good time to visit a local nursery with questions on how to continue to support an existing garden or plant a new one so it will be in full glory by March when a nominating committee chooses nominees. Awards will be presented at a ceremony in May.

Watch for more information in *Currents* and in the Winter edition of Sausalito Beautiful's newsletter. If you do not receive a newsletter, please send an email to info@sausalitobeaautiful.org.

Willow Creek Academy Update

Like the acres of gardens that surround Sausalito's public charter school, Willow Creek Academy, has grown over the past 16 years into a vibrant and dynamic place for learning. Founded and sustained by dedicated parents, teachers, and community leaders, Willow Creek is a centerpiece in the Sausalito community. Inclusive of both Marin City and Sausalito students, our extraordinarily diverse student body represents a kaleidoscope of ethnic backgrounds and beliefs. With a current enrollment of over 400 children, Willow Creek Academy now educates over 70% of our district students.

With a commitment to teaching to the "whole child", Willow Creek Academy continues to embrace innovative approaches to inspire learning. Through our project based learning philosophy, teachers make lessons come to life. At Willow Creek it is not just about ideas, it is about making them happen, using hands-on lessons and field trips to further the learning experiences. Students in every grade listen to, and also participate in the subjects they are learning. Whether it is building and designing structures to reinforce math lessons, or working in the Willow Creek gardens and watershed and hiking nearby trails to apply science lessons, the minds of Willow Creek students are daily experiencing the world around them.

Expanding an understanding of how technology applies to students' present and future lives is also a priority. This year Willow Creek will become a Common Sense Education Certified School. Literary Specialist, Maya Creedman, will be taking the lead on this program, where teachers will receive professional development to prime them to teach students the outstanding Digital Citizen curriculum. Lesson plans in the program include navigating behavioral and social issues like cyberbullying and digital drama, digital cheating and plagiarism, and how to evaluate the credibility of a website. As a Common Sense Education Certified School, Willow Creek will be taking a whole-community approach to digital citizenship, for our students and staff, providing a pathway to understand the technology tools that are shaping their lives.

Willow Creek values every one of our exceptional educators, but this year we are especially proud of Math Specialist, Jennifer Lawrence, who received the prestigious Presidential Award for Excellence in Mathematics and Science Teaching, an award presented to her in Washington, D.C. In her current position, she coaches teachers, collaborates on assessment, and works directly with students who need additional support or challenge in math. "Jennifer is a phenomenally responsive educator, and she is committed to closing the opportunity and achievement gaps many of our students face," said Tara Seekins, Head of School. "She inspires our students and faculty with her passion for teaching mathematics."

Willow Creek Academy recognizes that a student's ability to learn effectively is directly related to their overall physical and mental health. In 2016 and 2017, we are formalizing our policy around wellness, establishing a connection between healthy bodies and healthy minds. In its second year, the Conscious Kitchen meal program provides breakfast and lunch to our school community. The program was one of the first in the country to meet the FLOSN Standards of fresh, local, organic, seasonal, non-GMO, and cooked by scratch on site by a school lead culinary team. And with a goal of

promoting healthy stress management and improving attention span, Willow Creek is offering Mindful Mornings, a meditation session for students and staff. These programs, along with a commitment to offering regular vigorous physical activity, are more examples of Willow Creek's commitment to helping students achieve high academic standards and thrive.

Please visit our campus, if you haven't already. If you are a parent who is considering Willow Creek Academy as your child's future school, please check our website for a schedule of upcoming tours, www.willowcreekacademy.org. And if you are simply eager to know more about Sausalito's wonderful community school, please feel free to call our Head of School, Tara Seekins, who will be happy to talk to you.

SCBC at Cass Gidley Marina to Celebrate Herring and Sustainability at January Fundraiser

Save The Date! Sausalito Community Boating Center (SCBC) at Cass Gidley Marina will once again celebrate our favorite silvery little fishes on Sunday, January 29, 2017 at the Bay Model.

The 2017 SCBC Herring Celebration is a fundraiser for the growing organization and will feature a screening of "Of The Sea", a local, award-winning film about fisherman, seafood and ocean sustainability. The event will include a talk with the filmmakers, a brief presentation on the SCBC at Cass Marina project, and of course tasty herring dishes from some of your favorite local restaurants, along with the appropriate beverages! Stay tuned for more information soon, including where to purchase advance tickets, at cassgidley.org.

Sausalito Community Boating Center (SCBC) at Cass Gidley Marina is a 501(c)(3) non-profit, and an all-volunteer organization. The organization's mission is to "create and maintain a thriving community boating center at Cass Gidley Marina, by providing affordable access to boats and the water, preserving our maritime history through education and skill-building, and promoting stewardship of our local bay ecosystem." The Center will provide education and recreation for all abilities through Sausalito Parks & Recreation, implement STEM curriculum experiential learning programs with local schools, and follow the successful Teaching with Small Boats Association (TWSBA) learning model. Rentals and adult classes in a fleet of traditional wooden sail and rowboats will help fund the youth programs.

While the marina may look quiet, behind the scenes a lot of good progress is being made. Phase one of the site renovation, which will provide safe access to the water, is progressing well. Sign up for the SCBC newsletter at cassgidley.org for more info, or email info@cassgidley.org to see how you can get involved. There are many great volunteer opportunities, and of course contributions large and small are always welcome.

SCBC is grateful to have built a strong network of community partners who continue to provide support, or donate their time, expertise and services to this project. The organization would like to thank longtime supporters and newcomers alike—THANK YOU!—you are making a difference!

Sausalito Winterfest 2016 Activities

Always a highlight of the holiday season, Winterfest will once again take the waterfront by storm in Sausalito -- December 9-11. Offering a full weekend of festivity, this popular local event includes the notorious Naughty and Nice Ball and the legendary Sausalito Lighted Boat Parade and fireworks on the San Francisco Bay.

Staged under the "Big Tent" along the scenic waterfront in the downtown Sausalito Yacht Harbor Marina, Winterfest Weekend kicks off Friday night, December 9, with the annual **Naughty or Nice Ball**. This year's theme is "Ho Ho Hollywood", celebrating the golden age of Hollywood with "Foreverland"—a popular Michael Jackson tribute band. This glam event always brings out the best little black dresses and swanky attire, with 14 favorite local restaurants catering the evening's dining, hosted bars, music, dancing and live entertainment. The evening has become one of the most celebrated Christmas parties in Marin County each year.

Saturday, December 10, is **Kris Kringle for Kids**—a family and children's day under the Big Tent. Cookie decorating, holiday arts & crafts including ornament making, storytelling, live music, entertainment and more, a free, public event for children of all ages. And of course, jolly St. Nick (Santa) will be holding court.

The **29th Annual Sausalito Lighted Boat Parade** is that evening, Saturday December 10. Dozens of brightly lit and beautifully decorated boats will parade along the scenic shoreline, in front of the Sausalito Yacht Club and the Winterfest tent in the center of town. The Winterfest arena is open to the public and offers a sheltered, warm, festive and hospitable site for viewing the parade—with food, drink, live music and dancing. The popular local band Mustache Harbor will be providing entertainment for the evening and VIP viewing areas for private parties and groups will fill up fast.

The weekend wraps up with a breathtaking (in more ways than one!) **5K walk/run** along the Sausalito waterfront (Sunday, December 11) and a **traditional pancake brunch**—both are a benefit for local educational programs for kids: the Dipsea Kidz at-risk-youth program and the Waterfront Foundation Youth Education Fund which teaches kids from all walks of life about sailing, nautical skills, the marine ecosystems of the bay, environmental sustainability and stewardship.

The spirited Winterfest Weekend can make for a great party with friends, a memorable and fun family outing, a romantic evening for two or the perfect venue for a company holiday party; it truly is "the most wonderful time of year" in Sausalito...when most of the tourists have departed!

The entire weekend is a sponsored by and a benefit for the The Sausalito On The Waterfront Foundation, a 501.c3 non-profit focused on providing children from all walks of life with an appreciation for and understanding of the wonders of the San Francisco Bay & Sausalito waterfront.

Book early as these event sell out. Discounts are available for early-bird ticket purchase, multiple-event tickets, and through local charities and community groups. Other weekend specials are also available via the Winterfest website where tickets, race registration and more information are available. www.winterfestsausalito.com

Measure F Project Update

This fall, the City signed agreements with two very respected landscape architecture firms. Royston Hanamoto Alley & Abey (RHAA) of Mill Valley is currently doing peer review on the plans for Dunphy Park as designed by Jacques Ullman and Paul Leffingwell from the Friends of Dunphy Park. The peer review includes feasibility, costs, and impacts to surrounding properties. Once the review is completed the next step will be to design the construction drawings and then go out to bid. If all goes well construction could begin this summer soon after the 4th of July festivities at the park.

On October 1st, Parks and Recreation Director Mike Langford held a very successful meeting with residents at Southview Park. Residents were asked what, if any, changes they would like to see to the park during renovation. While there were a few requests for small changes, the overwhelming response was to "just fix it." Sausalito landscape architects Sasaki, Walker and Associates (SWA) have been hired to take this input and come up with plans for the park.

Things are happening at the MLK facility as well. ABM Building Solutions, LLC has been contracted to do all the repairs to the facility and are starting with roofing, HVAC, and gas pipping. This phase of the project is slated to begin as early as January 2017. Once this is completed they will start on the next phase which will include interior and infrastructure improvements.

If you would like to know about future meetings regarding the park subscribe to the Sausalito Currents and look for articles about the parks. If you have any questions or comments please contact Mike Langford at mlangford@ci.sausalito.ca.us. For information on the MLK facility contact Joshua Montemayor, Business Manager for the City of Sausalito, at jmontemayor@ci.sausalito.ca.us.

Sausalito Sister Cities

Sausalito is honored to have vibrant “sister city” relationships with three wonderful cities on three separate continents: Sakaide, Japan, Viña del Mar, Chile, and Cascais, Portugal. The purpose and mission of each program is to promote a cross-cultural and economic exchange between the two cities. One 501(c) (3) organization oversees the “councils” from each program, but each relationship has developed a unique identity. All three have forged strong bonds between the residents of their respective “sisters”.

For more information about our program, visit www.sausalitosistercities.org, or the Sausalito Sister City Facebook page. Be sure to “Like” us!

SAKAIDE, JAPAN**2016 Japanese Student Delegation visits Sausalito**

Every alternate year, when we tearfully bid farewell to our Japanese delegation from Sakaide, we say that it was the best delegation and program ever. Yet this emotional feeling does not reflect reality until we receive feedback, captured through surveys from our 13 local host families, 12 students, and two chaperons from the Japanese delegation. This year's surveys indicated a very successful visit for all involved. On average, students rated their homestay experience at 4.8 out of 5. They expressed deep connection with their host families and their hope that these relationships would last for a long time. Our host families rated their experience as 4.9 out of 5. One host family commented that the program was a "Great experience for all of us. We have very fond memories of our time with the other host families, and everyone else who worked so hard to make this the wonderful exchange experience that it is. Well done!!!" Another remarked "We really adore this program and think it's very well put together" and another, "We love our student delegate and miss him a lot."

During their visit this past summer, some of the activities that the students participated in included a visit to Angel Island, pizza making, dance class, bowling, kayaking, visiting the Sausalito Fire and Police stations, a host families' pot luck and a farewell party. They also were able to see the inside of some Sausalito houseboats and had the opportunity to actually work on the Matthew Turner Educational Tall Ship. The students also went to San Francisco where they enjoyed visiting the Academy of Sciences, Walt Disney Museum, the Mission Murals and Mission Dolores.

2016 Pilot Fellowship

This summer, Chiyoko Wong, a young woman who recently travelled to Sakaide as a student delegate, participated in a pilot Fellowship Program in Sakaide for three months. There she taught American culture and English to a wide range of students – from preschool children to adults. The City of Sakaide fully funded the Fellowship and they have already expressed a wish to continue the program.

Mayor Aya, City of Sakaide, visits 2016 Sausalito Arts Festival

Sakaide has several festivals throughout the year, so Mayor Hiroshi Aya felt it would be beneficial to visit the Sausalito Art Festival to learn how an American festival is run. At the Festival here last September, the Sausalito Art Festival provided a guest booth for an artist from Sakaide. Mayor Aya attended as well and spent much of his time learning how the Festival is executed.

Recruiting Sausalito's Delegation to Sakaide in 2017

In January 2017, we will begin recruiting our Sausalito delegation of 15 to 17 year old students from throughout Marin County. Our application form is on our website in the Sakaide, Japan section: www.sausalitosistercities.org

VIÑA DEL MAR, CHILE

In spring of 2017, we are expecting seven women from Viña del Mar and Valparaiso to visit Sausalito for our continuing mentoring and leadership workshop series. Planning is underway for special guest speakers, tours of women-owned businesses, and workshops focused on business. In addition to the workshops, the women will meet with City Council, and tour some businesses and cooperatives in San Francisco. In addition, they will visit Sausalito's Willow Creek Academy to meet the students participating in our Pen Pal program. The full program is still being formulated and we will be reaching out to you for community participation. We are proud to be a part of this program that focuses on enhancing and informing the small business women in the Viña/Valparaiso area of Chile.

Chile has named a new consul general for the San Francisco area. Our Operations Council Chair, Monica Finnegan, has met with Sr. Enrique Barriga and found that he is eager to assist in all our endeavors. As this article goes to press, he will have met with our Sister City Board members, our Mayor and other City Council members. Again, as this article goes to press, current Mayor of Viña del Mar, Virginia Reginato, is running for re-election. Mayor Reginato has been a great supporter of ours and we hope to be able to continue to work with her.

CASCAIS, PORTUGAL**Sausalito-Cascais Sister City Youth Sailing Exchange 2016**

A delegation of six student sailors from the Sausalito Yacht Club (SYC) traveled to our sister in Cascais, Portugal this July to participate in the 2nd Annual Youth Sailing Exchange program with student sailors at the prestigious Clube Naval Cascais (CNC). They were accompanied by their SYC coach and representatives from our sister city operations council, the SYC, the Sausalito Youth Sailing Foundation, as well as Sausalito Mayor Jill Hoffman. The Sausalito students stayed with local families in Cascais and their sailing counterparts at CNC. In addition to the sailing program, the students and adult ambassadors met with Cascais City officials, toured Cascais, Lisbon and other local environs to absorb the history and culture of the area. It was a memorable and exciting educational program. Next year, students from CNC will visit Sausalito July 1–9. The Sausalito Historical Society (SHS)

We are a group of friends, neighbors, colleagues, local merchants, scholars, writers, artists, historians, history buffs and enthusiasts who've been keeping Sausalito's past alive since 1975. The SHS is an entirely volunteer 501(c)(3) non-profit organization that collects and preserves art, artifacts, photographs and printed materials that document Sausalito's history. We provide access to the collection for public and academic research and develop publications and outreach programs to inspire local interest in Sausalito's history. As a result, we are able to educate the visiting public and to enrich the community. Annual membership dues, donations, and funds raised are used for new acquisitions, maintenance of the collection and public outreach through exhibits and publications.

EXHIBIT LOCATIONS

The Society staffs and manages the Ice House Visitor Center and Museum featuring a permanent display of local history. There is also a gift area featuring works of art by local artists and a selection of gift items relating to Sausalito and its history. The Ice House is open from 11:30am-4pm on Tuesday through Sunday, and is located at 780 Bridgeway (across from Casa Madrona). (415) 332-0505

The Historical Society's Exhibit Room and the Phil Frank History and Research Room are located on the top floor of City Hall. A team of dedicated Docents are available to assist and guide you. You will encounter a changing exhibit of historical significance plus an opportunity to do research through our Archives. The Exhibit and Research Rooms are open from 10am-1pm on Wednesdays and Saturdays, and is located at 420 Litho Street. (The entrance is on the right side of the City Hall parking lot). **415-289-4117**

Step back to a dramatic time in Sausalito history by touring the Historic World War II Marinship Exhibit at the Bay Model. This display of photographs, paintings and actual artifacts from the WWII ships and yard was developed by the staff of the U.S. Army Corps of Engineers and the SHS. The Marinship Exhibit is open from 9am-4pm on Tuesday through Saturday and is located in the Bay Model Visitors Center at 2100 Bridgeway. **415-332-3871**

SAUSALITO HISTORICAL SOCIETY

The History of Caledonia Street

On display in the SHS Exhibit Room - 3rd Floor - Civic Center
The SHS is proud to announce the opening of a new exhibit covering the history of Caledonia Street and some 'Then and Now' comparisons. Back in the 1990's there was a series of 'Views Along Caledonia Street' written by Phil Frank which were part of "A Sausalito Moment in Time." These articles and interviews were published in the Marinscope by the Sausalito Historical Society.

The SHS worked with Historian Mike Moyle and Director Bill Kirsch in displaying 'Then and Now' pictures of Caledonia Street and the history of

some of the street's oldest buildings. Come visit us for a docent assisted, self-guided tour of the display. The Exhibit Room is open from 10am to 1pm on Wednesdays and Saturdays.

Annual Donor Appreciation Party

The old Valhalla has been vacant for some time but on Sunday the 23rd of October, lights were on and fog drifted though the empty space as the guest arrived for the Sausalito Historical Society's Annual Donor Appreciation Party. The Historical Society invited its guest to join them at the haunt of one of Sausalito's most notorious residents/ghosts: Sally Stanford. The guest were asked to be prepared to summons Sally from the spirit world, meet a few ghosts from Sausalito's past and channel their own favorite Sausalitan.

Michael Rex and guests

On hand at the event was Alex Kaschef, the current owner of the property, who gave a short description of what he plans to do with the location along with architect Michael Rex. This event was part informative and part fun, with Dana Whitson providing food treats and Susan Frank doing flowers, Jerry Taylor tended bar while his wife Gail Ann played medium to the entertainment of the guest.

Sharon Seymour and Jim Meyer were on hand to greet the guest and ghost alike. Mary Ann Griller was perfect as the ghost of Sally Stanford and it seemed a bit spooky to see her standing in the fog inside the old Valhalla. Even the ghost on hand agreed that a good time was had by all.

SHS Catalog Online

In November 2016 the Sausalito Historical Society launched our online collections database! This is a searchable database of photos, works of art, artifacts, documents and other materials that are in our permanent collection. The online database will start small and grow as more records are added regularly. You'll be able to do searches in a variety of ways: by keyword, for example, Princess Ferry, by catalog (object, photographs, archives or library), and by a person's name. To find our online catalog, go to the Sausalito Historical Society website at www.sausalitohistoriacalsociety.org and look on the left navigation bar for a button called "Museum Online Catalog."

Because our fall fundraiser, "Sausalito Ferry Tales" featured presentations on Sausalito ferries, the first collection we have posted is records and images from our archives relating to ferries. Next we plan to post records and images relating to Marinship since we will be celebrating the 75th anniversary of the opening of Marinship in 2017. We have been working

on digitizing our catalog records for a number of years. While we still have work to do to complete our digitization, we are happy that we are far enough along that we are able to begin offering our online catalog. Happy searching!

SHS Schools' Program Launched

The SHS Schools Program, now in its seventh year, continues in the classrooms of Bayside and Willow Creek Elementary Schools.

The first classroom presentation of this academic year occurred at Bayside in the third-fourth combination classroom of Dionne Estes. Her eagerness to learn about our program and integrate it into her curriculum was an excellent beginning to the new year.

The first unit is about Historic People in the history of Sausalito and Marin City. On September 26, several SHS docents and participants from Marin City appeared in costume to role-play individuals from the past including, Julia Morgan, Joseph Silva and Joseph James. The children watched the dramatizations attentively and responded with questions about "how it was then" . . . to be a farmer, a RR conductor, a female architect, or a Marinship worker.

School Program docents presenting to Bayside/MLK third graders on the theme of historic people

The same week as the presentation, the Bayside class walked to the Civic Center for a presentation in the SHS Phil Frank History and Research Room. They learned about the many different primary resources that are housed at SHS (written documents, photographs, maps, artifacts, paintings, newspapers, posters, oral tapes, videos—to mention a few). They were challenged with the question, "How does Google know all those answers?" and made aware of the importance of preserving original sources of information.

Following the visit to the Research Room, students had a tour of City Hall and an opportunity to role-play a city council meeting. Half the class became staff or city council members and the other half pretended to be citizens with questions to the council. Professionals Dana Whitson, former City Manager, and Jill Hoffman, Mayor, assisted with this exciting exercise. During the remainder of the year, the fourth grades at Willow Creek will experience the same Historic People program and then both schools will complete two other units about Sausalito: the Historic Downtown and Marinship.

Upcoming March Events

MARINSHIP 75

Starting in March there will be a series of events on our Calendar to celebrate the 75th Anniversary of Marinship.

This celebration will extend over many months with varied events such as library programs, Marinship history videos, new Historical Society exhibits, celebrations and parade activities. There will be Ground Breaking ceremonies and Keel Laying recognition events. Keep an eye on our website for updates as the plans are finalized.

ICE HOUSE PLAZA

The Ice House Plaza is in the final stretch of becoming a reality. It is being funded entirely with donations from the Sausalito community.

The new plaza will beautify Bridgeway, be an outdoor classroom for the SHS's local history curricula for Sausalito Marin City School District students and an inviting new outdoor space for lingering and learning more about Sausalito's rich history.

The Sausalito Foundation and the Sausalito Historical Society have received over \$150,000 in donations and pledges and an additional \$81,000 in in-kind donations for the project. Major donors include the Sausalito Historical Society, the Sausalito Woman's Club, The Sausalito Art Festival Foundation, the Sausalito Rotary Club, Sausalito Lions Club and the City of Sausalito and are nearing the goal of \$320,000 needed to re-build the plaza.

We urge you to help by sending a tax-deductible donation to The Sausalito Foundation, Ice House Plaza Project, PO Box 567, Sausalito CA 92966. With your funding, we hope to complete the Plaza in Spring 2017.

OCTOBER 9TH TREASURE HUNT

The Treasure Hunt was held on a sunny October day and history sleuths enjoyed searching along Caledonia and Bridgeway for answers to the clues . Participants had to search for the answers to specific questions relating to buildings or items along the route.

Teaming up to find the answer to the clues

Everyone who came said it was great fun and they learned more about Sausalito history. Prizes awarded were gift cards from Mollie Stones, Drivers, Lapperts and Pick Me Up Chocolate. Our thanks to the Sponsors.

Sausalito Library Foundation

The Sausalito Library Foundation is proud to have co-funded the revitalization of the Sausalito Library and we're pleased to see how the community has embraced the change. The number of children who use the Library continues to climb as our youngest residents enjoy the revamped area for kids and their caretakers. And in the living room area, new shelving and furnishings that welcome browsers and borrowers during regular hours are mobile. Reconfigured, the Library is now a gathering place for the community to enjoy after-hours programs such as the successful Sausalito People Series every spring and fall.

The Foundation provides long-term support for the Sausalito Public Library. Donations and bequests from the community are used to maintain a revenue source to fund technology, special programs, and capital improvements. We work to ensure that our Library remains an essential community resource now and in the future. In light of remarkable shifts in technology and the delivery of information, the Foundation will help the Sausalito Library evolve and adapt so that the Library's physical space and planned programs meet ever-changing needs.

Our thanks go out to the many individuals and organizations whose generous contributions have helped build our financial resources. The income from and appreciation of these gifts have helped the Foundation Fund grow. With this growth, we're helping to safeguard our Library's future.

FOUNDATION INFORMATION

For more information about the Library Foundation, please write to 420 Litho Street, Sausalito 94965. Email messages may be directed to unexport@earthlink.net.

HOW YOUR DONATIONS SUPPORT THE LIBRARY

SAUSALITO LIBRARY FOUNDATION: The Foundation uses donations from individuals, organizations, and businesses to establish a long-term revenue source that supports the Library through special programs and projects.

FRIENDS OF THE LIBRARY: The Friends' primary source of income is the Friends Bookstore on the top floor of City Hall. Your book donations and volunteer time help the Friends support short-term projects at the Library and pay for items on the Library's wish list.

PLEASE NOTE: The Foundation and the Friends of the Library are separate organizations, both 501(c)(3) nonprofits, that complement one another and collaborate to meet our Library's needs beyond the capabilities of city funding. Neither the Friends of the Library nor the Sausalito Library Foundation contributions aim to supplant our publicly funded Library budget.

Safety Precautions for Seniors

Seniors today are more active, independent, and in better health than ever before. Still, many criminals target older populations so it is important to stay alert and safe. Here are some tips to help you stay vigilant.

Financial Scams Against Seniors:

- Don't keep large amounts of cash on hand and keep your checkbook and spare checks in a safe place.
 - Don't take money from your bank account just because someone tells you to.
 - Never give out personal details such as your bank account number, Social Security number or credit card number to any person over the telephone.
 - Check your bank statement carefully each month. If you have a trusted adult child, consider asking your bank to send a duplicate copy of the statement to that child so that another pair of eyes can check that there is no suspicious activity on your account.
 - Buy a shredder and shred all unused credit card applications.
 - Ask your bank to call you if any check over a certain amount is ever presented to that branch for payment.
 - Beware of family members, family friends, or caretakers that are persuading you to sign deeds or assets over to them. More often than not, trusted family members and caretakers are responsible for taking from their elderly family members accounts.
 - Never give your personal information to unsolicited callers.
 - If someone calls you, (e.g., a telemarketer), don't be afraid to hang up on them.
 - Stay away from deals that sound "too good to be true".
 - Beware of deals that ask for a lot of money up front and promise sure success.
 - Do not agree to send money at the request of a telephone solicitor.
- **HOME IMPROVEMENT SCAMS:** The senior is approached normally by at least two individuals posing as contractors. The unsuspecting victim is persuaded that a roof, driveway or home needs repairs. The strangers pretend to carry out the work, which is in fact, shoddy and almost worthless.
 - **THEFTS FROM WITHIN THE HOME:** The senior is approached at the door by at least two individuals who use a ruse to enter the senior's home. Such ruses are a request to use the telephone or to get a glass of water. Once inside, one of the individuals will keep the senior occupied while the other individual rummages through the senior's personal belongings and steals cash and jewelry.
 - **BANK INVESTIGATOR SCHEME:** The senior is contacted outside their bank or by telephone by a stranger who identifies himself as a member of law enforcement. The stranger asks for the senior's help in catching a dishonest bank employee. The senior is persuaded to go inside the bank to a particular teller window and withdraw a large sum of cash and then meet the "official" outside. Once the senior hands over the cash, the stranger disappears with the money.
 - **SWEEPSTAKES SCAM:** The senior receives a call either from an unknown person. The caller explains that the senior has won a substantial prize, but to collect that prize, the senior must first send a money order for up to \$4,000 by express mail.
 - **FENDER BENDER SCAM:** The senior is driving through the parking lot when someone suddenly backs into their car, rear ends them, or a pedestrian may even throw themselves onto the senior's car. The so called "victim" then offers to settle outside of the insurance policy for cash and asks the senior to make a withdrawal from their bank. Do not fall for this trap. Tell the person you are calling the police and your insurance company. If it is legitimate, they will wait. If it is a scam, they will likely leave quickly.

Here are some examples of common scams:

- **SCAM ALERT! HE'S NOT YOUR GRANDSON:** The male caller says he is the woman's grandson, has been involved in a collision and needs money wired to him. Don't get caught in this trap.
- **BOGUS CHARITIES:** The senior is approached either at the door or by telephone with a request to donate to a legitimate sounding charity. Be very wary of such calls. Many so-called charities are bogus and the money is diverted directly into the pockets of the crooks.

As always, the Sausalito Police Department is a great resource for advice. Any of our officers, support staff and volunteers would be happy to give any guidance when dealing with possible scams. Feel free to call our non-emergency number at **415-289-4170** 24 hours a day.

Sausalito Village A Community for YOU

We (SV) are a community and volunteer based organization whose mandate is to help those of us getting on in years to remain in our own homes for as long as possible and to continue living safe, active and connected lives.

We are patterned after the now famous Beacon Hill Village model: no bricks and mortar, just neighbors helping neighbors. The *San Francisco Chronicle* described the Village Movement as "changing the culture of aging in this country."

Our 220+/- members are mostly over 55, although our only requirement for membership is residence in Sausalito proper or the Floating Homes community. Members participate in our activities and utilize our services at whatever level their personal needs dictate.

We welcome volunteers of all ages. No minimum time requirements; volunteers choose their own assignments and control their time commitments.

Opportunities include: direct service to members; organizing events; teaching classes; service on the Board of Directors; office work, database management, writing and editing; outreach; and more. Design your own volunteer commitment!

We conduct a basic orientation for all of our volunteers and provide specialized training when necessary.

Learn more at our web site: www.sausalitovillage.org and Facebook page or call with any questions: 415-332-3325.

We look forward to meeting you!

Join CARSS (Call A Ride for Sausalito Seniors) Become a Rider or Driver

Sausalito has received recognition in both the Washington Post and New York Times for creating a unique form of free transportation to meet the needs of seniors in the community - CARSS. What sets CARSS apart from traditional volunteer transportation programs? The answer is the ability for Riders to call for a Same Day Ride.

As one participant stated, "How can I reserve a ride days ahead when I just don't know how I am going to feel? With the option of calling for a Same Day Ride, I can still get out and about without the stress."

How do you request a Same Day Ride? CARSS ride requests are made by phoning the main number: **415-944-5474**. Callers are then guided by prompts to either request a Same Day Ride or reserve a Reserved Ride. Same Day Ride requests are immediately forwarded to the Driver on Duty who either picks up the phone immediately or responds once they are safe to do so. So far, every Same Day Ride request has been fulfilled. Think of it like Uber or a taxi service, but free!

Who is eligible? To be eligible for CARSS you must be 60 years of age or older or younger with a disability but able to get in and out of an automobile unattended. Rides are available in the City of Sausalito, Floating Homes up to Gate 6-1/2 and Gateway Shopping Center Monday through Friday between the hours of 10am and 2pm. Rides are also available to most evening events at the Library—no need to worry about driving at night and dealing with parking!

Try it! You'll like it! Rides are free, the only requirement is a signed application on file. Call today to have an application mailed to your home or download one from the web site: www.carss4you.org.

Pedestrian Flag Program – Simple But Effective

Sausalito Village and Age Friendly Sausalito have partnered to create the Pedestrian Flag Program targeted at three of the most dangerous intersections along our main street. A group of volunteers constructed bright orange flags that are now in buckets at the following crosswalks: Second/Main Streets, Santa Rosa/Bridgeway Streets and Litho/Bridgeway Streets.

The flags are a simple solution to act as an assistive device to help make walkers more noticeable as they cross the street. Of course, it is still important for pedestrians to cross with caution.

Flag monitors volunteer to redistribute flags and replace any that are missing or damaged. If you would like to volunteer for this program, please contact Sausalito Village at 415-332-3325.

Edgewater Seniors' Special Request Age Friendly Sausalito in Action!

Many thanks to Edgewater Senior Club member Roshan Mehta who requested that a bench be placed outside of the wheelchair accessible entrance of City Hall. Roshan noticed that other seniors waiting for rides from CARSS (Call A Ride for Sausalito Seniors) or Whistlestop paratransit had nowhere to sit while they waited. It was a simple request that had never been voiced before! City Manager Adam Politzer immediately went into action and Public Works Department staff member Kent Basso and his staff refurbished a bench from storage and installed it within days. This is another example of Age Friendly Sausalito in action!
