Message from the

Parks and Recreation Director

SPRING 2017

Dear Sausalito,

Spring is in the air and I'm proud to say that your Parks and Recreation Department is ready for a fantastic season. Bryan has been busy taking booth signups for the Yard Sale April 8 at MLK Park. Each year, I manage to find something "I can't do without." Season tables for our Summer Jazz and Blues by the Bay are almost sold out, but we still have nightly tables. Jazz and Blues is a great activity when visiting friends and relatives need a true Sausalito experience. This spring, Julie is introducing a new event—Sausalito WAG. WAG will feature a variety of vendors selling dog-centric items, K9 demonstrations, a talent contest, other games, and food and beverages. WAG will be held May 13 at Marinship Park and all two- to four-legged friends are welcome.

It is also my pleasure to introduce Linda Finch to the Sausalito Parks and Recreation Family. Linda comes to us all the way from Canada with an extensive background in Recreation. Linda is in charge of all the great classes we offer at Parks and Recreation, both inside and out. Did you know that we have now partnered with Marin Humane to offer obedience classes? How about Taiko Drumming, yoga, or water color? Next time you're out and about, look for Linda and introduce yourself. If there's a class you'd like to see in Sausalito, let her know and we'll see what we can do.

Finally, I want to let everyone know that over the past few months Staff from the Parks and Recreation and Public Works Departments have been busy behind the scenes getting ready for a flurry of renovation activity at both Southview and Dunphy Parks this summer. Be sure to subscribe to the Sausalito Currents so you can be apprised of all the meetings as we bring these two projects to fruition. You can also send me an email at mlangford@ci.sausalito.ca.us and I can add you to my "Parks Interest" list.

Want to Get Involved?

The Sausalito Parks & Recreation Department strives to provide quality programs to Sausalito and its community that enhance growth, expression, and recreation through people, parks, and programs.

WOULD YOU LIKE TO MEET NEW PEOPLE?

GET TO KNOW NEW FRIENDS AND NEIGHBORS?

Whether you've just moved here or are a longtime resident, an exciting and fun way to meet the people in your community is to volunteer for the Sausalito Parks & Recreation Department. We're already busy planning the next Breakfast with Santa, Easter Egg Hunt, and Haunted House. So, you can tell we need volunteer help with all of these events throughout the season. If you want to help drive these events and participate on a different level, how about joining a committee for a specific event? The time commitments usually require several pre-event meetings and event day participation. The reward is supporting our community and having fun while doing it! Did you know you can have this much fun without leaving town? Call the Recreation Department at **289-4152** and let us know how you'd like to help.

Sustainability Commission

The Sausalito Sustainability Commission is excited to announce that our primary focus for 2017 is sea level rise and its impacts on Sausalito. As a commission, we recognize this is an issue that has the potential to pose an existential threat to our community and could negatively impact much of our economy if we are not well prepared.

This is a very real issue with very real consequences. Due to recent storms and king tides, we are getting a glimpse at what our new normal may become. We have seen the Sausalito/Mill Valley multi-use pathway completely flooded out and impassable, the landside areas of many of our marinas covered in water, and other low lying areas become impassable or otherwise inundated. We cannot solve this alone. It will require regional cooperation and without mitigation, many of our commercial areas are at risk.

We plan to spend the first quarter of the year gathering information and learning about the threat it poses, and what is being done to address it. In January, we welcomed Chris Choo, Principal Planner in the Water Resources Division of the County of Marin Department of Public Works. Chris shared her work with collaboration: Sea-level Marin Adaptation Response Team (C-SMART). They will soon release the Marin Bay Waterfront Adaptation Vulnerability Evaluation (BayWAVE). This study evaluates our assets countywide and assesses their sensitivity and adaptability. The summary report is nearing completion with a final report available in June: <http://www.marincounty.org/main/baywave>

*King Tides at Sausalito - Mill Valley Multiuse Path
– image courtesy of BayWAVE*

King Tides at Kappas Marina – image courtesy of BayWAVE

Sausalito's Director of Public Works, Jonathan Goldman, is involved in countywide efforts, ensuring that Sausalito's voice is represented. He spoke to the commission in February; one of his key points is that in addition to sea level rise, Sausalito has many areas built on fill that are settling over time, such as the Marinship. These areas are some of our most vulnerable to sea level rise and the impacts may be more severe than models indicate. Once we complete our information gathering phase, we plan to engage with the broader Sausalito community, through events and learning opportunities. Keep an eye out in Currents for updates.

The Sustainability Commission meets monthly, every 2nd Thursday, 6 pm at City Hall and the public is always welcome. Our meeting agendas and minutes are available on the City website: <http://www.ci.sausalito.ca.us/>.

Marinship 75 A Proclamation of the Sausalito City Council Celebrating the 75th Anniversary of the Creation of Marinship

WHEREAS, from the earliest days of Sausalito, the City was an important transportation node between the people and products of northern California, and the growing metropolis of San Francisco, where the network of trails, rails and roads connected with ferryboats to transverse San Francisco Bay; and

WHEREAS, the 1937 opening of the Golden Gate Bridge led to the (temporary) end of the ferryboat era and railroad commuter lines in Marin County, and by 1941, as automobile traffic flowed over the Waldo Grade to the west, Sausalito seemed destined to become a sleepy little commuter village; and

WHEREAS, the United States (and Sausalito) was awakened from its slumber on December 7, 1941, and over the next couple of months, decisions were made and actions were taken to utilize the Country's resources to mobilize for war on a global scale; and

WHEREAS, the Bechtel Corporation identified a mostly undeveloped area north of Sausalito where they believed an efficient, modern shipyard could be constructed quickly; leading to the creation of the Marinship Corporation; acquiring the salt marsh and dairy properties and the residential neighborhood known as Pine Hill; and the Northwestern Pacific Railroad moved its headquarters and shops to Tiburon; and

WHEREAS, in March 1942, the Pine Hill area was dramatically leveled with blasts which shook the town, the rock and soil was used to fill in the marsh, and the process of driving thirty thousand redwood pilings down to bedrock began; and

WHEREAS, by June 27, 1942, enough utilities, cranes and infrastructure

were in place to allow the first keel to be laid, which became the Liberty Ship Freighter, the William A. Richardson; and

WHEREAS, on September 28, 1942, the Richardson was launched, just the first of 93 large support vessels created for the U.S. Navy; and at the peak of construction, Marinship was operating around the clock, employing thousands of workers who moved to the Bay Area from all over the United States; and Marinship served as a test tube, and a model for integration of workers with different backgrounds and sexes; and Marinship, and the people of Sausalito, Marin County and commuting workers contributed mightily to the American war effort; and

WHEREAS, after the war in 1945, many of the former shipyard buildings were converted to peacetime uses, both governmental and civilian, and these uses formed an integral part of the colorful quilt that Sausalito has become.

NOW, THEREFORE, to honor those whose foresight and commitment brought us Marinship; to honor Marinship workers and their families for their 'home-front' services during the World War II, and to honor those who served on the ships built at Marinship, we proclaim that the year 2017 shall be recognized in Sausalito as Marinship 75, and request that the Sausalito Historical Society lend their services to help coordinate appropriate celebrations; and

AS SUCH, WE COMMEND the men and women who made, and are making Marinship a source of pride to all of us; and encourage the people of Sausalito and the Bay Area to celebrate the achievements and sacrifices associated with the aforementioned actions, directing the departments of the City of Sausalito to lend such assistance and encouragement to this

Marinship construction at night, circa 1942

celebration as prudent management of the City's resources will allow.

IN WITNESS THEREOF, I, Jill James Hoffman, Mayor of the City of Sausalito have hereunto set my hand and caused the seal of the City of Sausalito to be affixed on this 29th day of November, 2016.

The Sausalito Historical Society (SHS)

The SHS is an entirely volunteer 501(c)(3) non-profit organization that collects and preserves art, artifacts, photographs and printed materials that document Sausalito's history. We provide access to the collection for public and academic research and develop publications and outreach programs to inspire local interest in Sausalito's history. As a result, we are able to educate the visiting public and to enrich the community.

EXHIBIT LOCATIONS

The Society staffs and manages the Ice House Visitor Center and Museum featuring a permanent display of local history. There is also a gift area featuring works of art by local artists and a selection of gift items relating to Sausalito and its history. The Ice House is open from 11:30am-4pm on Tuesday through Sunday, and is located at 780 Bridgeway (across from Casa Madrona). **415-332-0505**

The Historical Society's Exhibit Room and the Phil Frank History and Research Room are located on the top floor of City Hall. A team of dedicated Docents are available to assist and guide you. You will encounter a changing exhibit of historical significance plus an opportunity to do research through our Archives. The Exhibit and Research Rooms are open from 10am-1pm on Wednesdays and Saturdays, and is located at 420 Litho Street. (The entrance is on the right side of the City Hall parking lot). **415-289-4117**

Step back to a dramatic time in Sausalito history by touring the Historic World War II Marinship Exhibit at the Bay Model. This display of photographs, paintings and actual artifacts from the WWII ships and yard was developed by the staff of the U.S. Army Corps of Engineers and the SHS. The Marinship Exhibit is open from 9am-4pm on Tuesday through Saturday and is located in the Bay Model Visitors Center at 2100 Bridgeway. **415-332-3871**

Volunteer Docents Needed

A Volunteer Appreciation Reception was held on January 22 at the Society's Exhibit Room. Ann Heurlin received the honor of being "Volunteer of the Year" for her many hours digitizing our catalog over the past 7 years.

Thank you's also went out to retiring History Room docents Bill Kirsch, Roland Ojeda and Jeanne Fidler who has been with the program for over 30 years.

We would like to train new docents to replace these dedicated workers. If you have a love of Sausalito and it's history and a few hours every month, get in touch with us. New docents receive a manual and on-the-job training. They work with a seasoned docent until ready to work on their own. The History and Research Room is open on Wednesdays and Saturdays from 10am-1pm. You are free to pick as many or few of the shifts as you like.

If you're interested in volunteering, please call **415-289-4117** or email info@sausalitohistoricalsociety.org.

SHS Schools Program

The SHS Schools Program is off to a strong start in 2017. Third graders from Willow Creek Academy had a tour of City Hall and an opportunity to role-play a city council meeting. Half the class became staff or city council members and the other half pretended to be citizens with questions to the council. Dana Whitson (former City Manager) assisted with this exciting exercise.

This field trip also included an hour visit to the SHS Phil Frank History and Research Room. They learned about the many different primary resources that are housed at SHS (written documents, photographs, maps, artifacts, paintings, newspapers, posters, oral tapes, videos – to mention a few). They were challenged with the question, "How does Google know all those answers?" and made aware of the importance of preserving original sources of information.

Historical Society's Facebook Page

If you're on Facebook, have you visited the Sausalito Historical Society's Facebook page and "liked" it?

The Society updates the page once or twice a week with seldom seem photographs and interesting articles about Sausalito, its residents and its visitors.

Did you know that Gentleman Jim Corbett, the famous heavy weight boxer, trained in Sausalito in the 1890s?

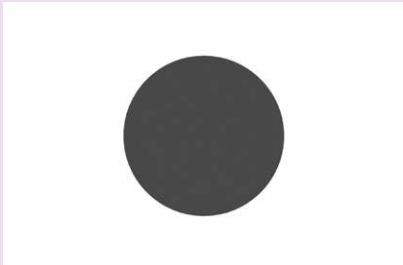

Were you aware that both movie star Susan Hayward and King Faisal of Saudi Arabia visited Marinship during WWII?

How about the fact that Caledonia Street boasted a miniature golf course in the 1930s?

These are just a few of the factoids you'll find on the Sausalito Historical Society's Facebook Page. Take a look and "like" the page. It's a great way to learn more about Sausalito and its history.

Sausalito Sister Cities Programs Prepare for Summer 2017

Sausalito is honored to have vibrant “sister city” relationships with three wonderful cities on three separate continents: Sakaide, Japan, Viña del Mar, Chile, and Cascais, Portugal. The purpose and mission of each program is to promote a cross-cultural and economic exchange between the two cities. One 501(c) (3) organization oversees the “councils” from each program, but each relationship has developed a unique identity. All three have forged strong bonds between the residents of their respective “sisters”. For more information about our program, visit www.sausalitosistercities.org, or the Sausalito Sister City Facebook page. Be sure to “Like” us! And read more here to find out what we have been up to!

And Global Exposure And Education

Est. 1988

Over the 28 years of our relationship, we have exchanged 450 students from both sides of the Ocean. In 2015, we provided scholarships for seven of the thirteen Marin student delegates. With each exchange, the students stay with a Japanese or American family. Our program offers leadership development, cultural and community exposure and a keen global understanding.

Friends of the Sausalito Public Library

You are invited to become a member of the Friends of the Sausalito Public Library. Your membership will aid the Friends in their support of the Library.

The Friends provide "wish list" funding as requested by the Sausalito City Librarian. This includes support for the Speaker Series and the Sausalito People series, children's programs and story times, museum passes, and equipment such as the projection and sound system in the Library.

You may donate by becoming a member, making a monetary donation, or donating books and other media. These may be used to replace worn materials in the Library collection or sold in the Friends Bookstore on the second floor of City Hall. The Bookstore is open Mondays from 9am to 5pm, and Wednesdays and Saturdays from 10am to 1pm. Please come in to browse our ever-changing collection and find a wide range of materials at very reasonable prices.

Donations may be dropped off at the collection box outside the Bookstore on the second floor of City Hall or in the Library. A cart is available to bring books in from the parking lot. Donations of multiple boxes or bags are best brought to the Bookstore during open hours. If that is not possible, call Libby Wilkinson at **415-332-0206** to arrange a time convenient for you.

All donations are tax deductible.

You can become a member in person at the Library or online at friendsofthesausalitolibrary.org or by email to fosl94965@gmail.com.

You are also invited to donate your time by volunteering in the Bookstore. Contact Libby Wilkinson at **415-332-0206** or libbywilkinson2@gmail.com.

Volunteers also help at the Library by reshelving books and processing interlibrary loan materials. If you have an hour or two each week and would like to become more closely involved with the Library, contact Jim Delano at **415-215-6538** or jdellano43@comcast.net.

We welcome and appreciate your membership, your participation, and your ideas.

Sausalito Library Foundation

The Sausalito Library Foundation is proud to have co-funded the revitalization of the Sausalito Library and we're pleased to see how the community has embraced the change. The number of children who use the Library continues to climb as our youngest residents enjoy the revamped area for kids and their caretakers. And in the living room area, the new shelving and furnishings that welcome browsers and borrowers during regular hours are mobile. Reconfigured, the Library is now a gathering place for the community to enjoy after-hours programs such as the successful Sausalito People Series every spring and fall.

The Foundation provides long-term support for the Sausalito Public Library. Donations and bequests from the community are used to maintain a revenue source to fund technology, special programs, and capital improvements. We work to ensure that our Library remains an essential community resource now and in the future. In light of remarkable shifts in technology and the delivery of information, the Foundation will help the Sausalito Library evolve and adapt so that the Library's physical space and planned programs meet ever-changing needs.

Our thanks go out to the many individuals and organizations whose generous contributions have helped build our financial resources. The income from and appreciation of these gifts have helped the Foundation Fund grow. With this growth, we're helping to safeguard our Library's future.

FOUNDATION INFORMATION

For more information about the Library Foundation, please write to 420 Litho Street, Sausalito, 94965. Email messages may be directed to unexport@earthlink.net.

HOW YOUR DONATIONS SUPPORT THE LIBRARY

SAUSALITO LIBRARY FOUNDATION: The Foundation uses donations from individuals, organizations, and businesses to establish a long-term revenue source that supports the Library through special programs and projects.

FRIENDS OF THE LIBRARY: The Friends' primary source of income is the Friends Bookstore on the top floor of City Hall. Your book donations and volunteer time help the Friends support short-term projects at the Library and pay for items on the Library's wish list.

PLEASE NOTE: The Foundation and the Friends of the Library are separate organizations, both 501(c)(3) nonprofits, which complement one another and collaborate to meet our Library's needs beyond the capabilities of City funding. Neither the Friends of the Library nor the Sausalito Library Foundation contributions are meant to supplant our publicly funded Library budget.

Passing Bicycles on Bridgeway

A question the Sausalito Police Department is frequently asked is if whether is legal for bicyclist to ride side by side while on the roadway in downtown Sausalito and when is it appropriate to use the middle lane in the 300-500 block of Bridgeway to pass.

There are three relevant vehicle codes to answer this two-part question. Code section 21760 CVC covers motorist passing bicycles, 21202(a) CVC covers bicycle movement on the roadway and 21416.5 CVC describes what the middle lane is and how it should be used. All three of these sections are posted below for reference.

Can bicyclists ride next to each other? The answer is both yes and no, depending on the scenario. 21202(a) CVC is a good resource for this question. The words “less than normal speed”, “overtaking” and “ride as close as practicable (vs. possible) to the right-hand curb” are all stated in the code section and are important factors to consider.

Can the middle lane be used to pass a bicycle? The answer is no. The middle lane in the 300-500 block of Bridgeway is marked as a two-way left-turn lane. This stretch of roadway is not engineered to be used as a passing lane. California Vehicle Code 21460.5 discusses how a two-way left-turn lane is marked and used. In addition, this section of roadway is marked with “Sharrows” which indicates the roadway is too narrow for a vehicle and a bicycle to be travelling safely side by side. Sharrows are covered in code section 21202(a)(3) CVC.

21760 CALIFORNIA VEHICLE CODE - THREE FEET FOR SAFETY ACT; OVERTAKING AND PASSING BICYCLES; VIOLATIONS AND PENALTIES

(a) This section shall be known and may be cited as the Three Feet for Safety Act.

(b) The driver of a motor vehicle overtaking and passing a bicycle that is proceeding in the same direction on a highway shall pass in compliance

with the requirements of this article applicable to overtaking and passing a vehicle, and shall do so at a safe distance that does not interfere with the safe operation of the overtaken bicycle, having due regard for the size and speed of the motor vehicle and the bicycle, traffic conditions, weather, visibility, and the surface and width of the highway.

(c) A driver of a motor vehicle shall not overtake or pass a bicycle proceeding in the same direction on a highway at a distance of less than three feet between any part of the motor vehicle and any part of the bicycle or its operator.

(d) If the driver of a motor vehicle is unable to comply with subdivision (c), due to traffic or roadway conditions, the driver shall slow to a speed that is reasonable and prudent, and may pass only when doing so would not endanger the safety of the operator of the bicycle, taking into account the size and speed of the motor vehicle and bicycle, traffic conditions, weather, visibility, and surface and width of the highway.

(e)(1) A violation of subdivision (b), (c), or (d) is an infraction punishable by a fine of thirty-five dollars (\$35).

(2) If a collision occurs between a motor vehicle and a bicycle causing bodily injury to the operator of the bicycle, and the driver of the motor vehicle is found to be in violation of subdivision (b), (c), or (d), a two-hundred-twenty-dollar (\$220) fine shall be imposed on that driver.

(f) This section shall become operative on September 16, 2014.

21202 CALIFORNIA VEHICLE CODE – OPERATION OF BICYCLES

(a) Any person operating a bicycle upon a roadway at a speed less than the normal speed of traffic moving in the same direction at that time shall ride as close as practicable to the right-hand curb or edge of the roadway except under any of the following situations:

(1) When overtaking and passing another bicycle or vehicle proceeding in the same direction.

(2) When preparing for a left turn at an intersection or into a private road or driveway.

(3) When reasonably necessary to avoid conditions (including, but not limited to, fixed or moving objects, vehicles, bicycles, pedestrians, animals, surface hazards, or substandard width lanes) that make it unsafe to continue along the right-hand curb or edge, subject to the provisions of Section 21656. For purposes of this section, a "substandard width lane" is a lane that is too narrow for a bicycle and a vehicle to travel safely side by side within the lane.

(4) When approaching a place where a right turn is authorized.

(b) Any person operating a bicycle upon a roadway of a highway, which highway carries traffic in one direction only and has two or more marked traffic lanes, may ride as near the left-hand curb or edge of that roadway as practicable.

(Amended by States. 1996, Ch. 674, Sec. 4. Effective January 1, 1997.)

21460.5. CALIFORNIA VEHICLE CODE – TWO-WAY LEFT-TURN LANE

(a) The Department of Transportation and local authorities in their respective jurisdictions may designate a two-way left-turn lane on a highway. A two-way left-turn lane is a lane near the center of the highway set aside for use by vehicles making left turns in both directions from or into the highway.

(b) Two-way left-turn lanes shall be designated by distinctive roadway markings consisting of parallel double yellow lines, interior line dashed and exterior line solid, on each side of the lane. The Department of Transportation may determine and prescribe standards and specifications governing length, width, and positioning of the distinctive pavement markings. All pavement markings designating a two-way left-turn lane shall conform to the Department of Transportation's standards and specifications.

(c) A vehicle shall not be driven in a designated two-way left-turn lane except when preparing for or making a left turn from or into a highway or when preparing for or making a U-turn when otherwise permitted by law, and shall not be driven in that lane for more than 200 feet while preparing for and making the turn or while preparing to merge into the adjacent lanes of travel. A left turn or U-turn shall not be made from any other lane where a two-way left-turn lane has been designated.

(d) This section does not prohibit driving across a two-way left-turn lane.

(e) Raised pavement markers may be used to simulate the painted lines described in this section when those markers are placed in accordance with standards established by the Department of Transportation.

Citizen's Police Academy

The Sausalito Police Department is currently accepting applications for the upcoming 20th Citizen's Police Academy.

The academy is designed to provide an inside look at how our police department operates. The classes will focus on a host of topics such as: ethics, use of force, drug recognition, emergency preparedness, DUI investigations and many other topics.

All the class participants will be given the opportunity to go on two ride-alongs, one with the night shift and the other with the day shift. This is a great way to get to know the police officers in your community on a more personal level.

The academy runs for ten consecutive Wednesdays from 7pm until 9:30pm. The class is open to people who live or work in Sausalito. April 12 is the tentative start date. Anyone who is interested in attending Class 20 of the Sausalito Citizen's Police Academy should contact Sergeant Jason McConnehey at **415-289-4181**, e-mail at jmcconnehey@ci.sausalito.ca.us, or pick up an application in the Police Department lobby.

Sausalito Village A Community for YOU

We (SV) are a community and volunteer based organization whose mandate is to help those of us getting on in years to remain in our own homes for as long as possible and to continue living safe, active and connected lives.

We are patterned after the now famous Beacon Hill Village model: no bricks and mortar, just neighbors helping neighbors. The *San Francisco Chronicle* described the Village Movement as "changing the culture of aging in this country."

Our 220+/- members are mostly over 55, although our only requirement for membership is residence in Sausalito proper or the Floating Homes community. Members participate in our activities and utilize our services at whatever level their personal needs dictate.

We welcome volunteers of all ages. No minimum time requirements; volunteers choose their own assignments and time commitments.

Opportunities include: direct service to members; organizing events; teaching classes; service on the Board of Directors; office work, database management, writing and editing; outreach; and more. Design your own volunteer commitment!

We conduct a basic orientation for all of our volunteers and provide specialized training when necessary.

Join CARSS (Call A Ride for Sausalito Seniors) Become a Rider or Driver

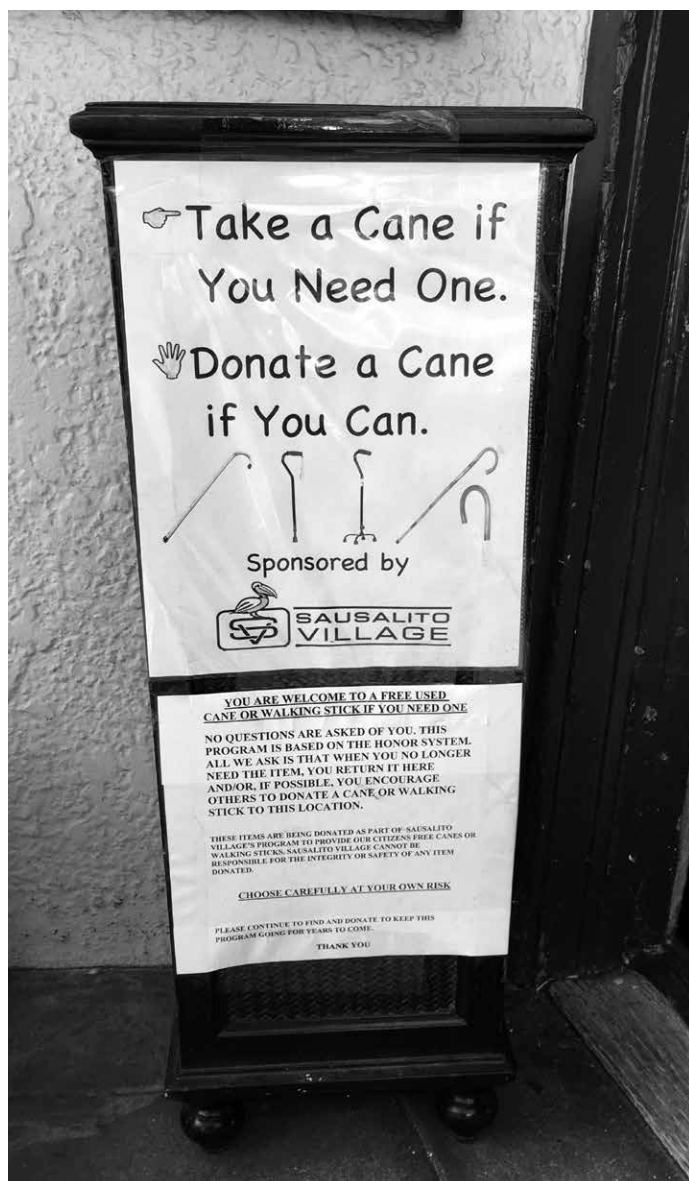

Sausalito has received recognition in both the Washington Post and New York Times for creating a unique form of free transportation to meet the needs of seniors in the community - CARSS. What sets CARSS apart from traditional volunteer transportation programs? The answer is the ability for Riders to call for a Same Day Ride.

As one participant stated, "How can I reserve a ride days ahead when I just don't know how I am going to feel? With the option of calling for a Same Day Ride, I can still get out and about without the stress."

How do you request a Same Day Ride? CARSS ride requests are made by phoning the main number: **415-944-5474**. Callers are then guided by prompts to either request a Same Day Ride or reserve a Reserved Ride. Same Day Ride requests are immediately forwarded to the Driver on Duty who either picks up the phone immediately or responds once they are safe to do so. So far, every Same Day Ride request has been fulfilled. Think of it like Uber or a taxi service, but free!

Pedestrian Flag Program – Simple But Effective

Sausalito Village and Age Friendly Sausalito have partnered to create the Pedestrian Flag Program targeted at three of the most dangerous intersections along our main street. A group of volunteers constructed bright orange flags that are now in buckets at the following crosswalks: Second/Main Streets, Santa Rosa/Bridgeway Streets and Litho/Bridgeway Streets.

The flags are a simple solution to act as an assistive device to help make walkers more noticeable as they cross the street. Of course, it is still important for pedestrians to cross with caution.

Flag monitors volunteer to redistribute flags and replace any that are missing or damaged. If you would like to volunteer for this program, please contact Sausalito Village at **415-332-3325**.

Age Friendly Sausalito Helps to Lead Age Friendly Marin

In 2014 Sausalito was the first City in the County and third in the State to become a member of the World Health Organization's (WHO) Global Network of Age Friendly Cities and Communities. This happened because the Sausalito City Council unanimously agreed to create a City Task Force and to allow the group to put in an application along with a letter of commitment from the Mayor to create a strategic plan for our City which was unanimously agreed upon in late 2016. Fairfax and Corte Madera also became members of the WHO Network.

Age Friendly Marin support group meets each month prior to the monthly Marin Commission on Aging meetings. Cities that have already received designation meet with city representatives who are at some stage in the process to support one another in their efforts and to share best practices along the way.

Age Friendly Sausalito is a great example of the power of the Age Friendly movement in the County having created CARSS (Call A Ride for Sausalito Seniors). Age Friendly Sausalito has also partnered with many groups to create presentations related to affordable alternatives in housing, transportation, home modifications, and more.

The County of Marin's Department of Aging and Adult Services is very involved in the Age Friendly Movement and is working hard to address the realities of the County's Longevity Boom. The following important announcement was recently released by the Department:

"Older adults are the fastest growing age group in Marin County. Today one in four Marin residents is over age 60, and that number is estimated to rise to one in three by 2030. On average, Marin residents enjoy a life expectancy that ranks among the top five of all counties in the United States."

The County of Marin recognizes the growing needs of seniors and assigns it a high priority. With a growing older adult population living longer lives, more questions are being asked about appropriate community-based resources. Marin County Aging and Adult Services, a division of the Department of Health and Human Services (HHS), is poised to provide answers.

Over the past year, the department's Information and Assistance program has undergone major enhancements to meet the needs of older adults, family members and care partners in Marin. By reorganizing existing personnel and processes, there are now more HHS professional resource staff members available to speak directly to those calling **415-457-INFO** during business hours. Callers can receive information about a full range of local public, nonprofit and private social services and related resources. The professional resource workers can help a caller explore options and identify individual needs and circumstances." Information can also be found online at livelonglivewellmarin.org.

Rosen Method Movement

These classes are simple and fun and include different kinds of music and support movements that are designed to improve alignment and flexibility. By gently moving joints and muscles, we come in contact with the parts in us that are open as well as those that have been closed because of tension or physical and emotional pain. As range of motion increases, the breath comes in more fully and we come in touch with a new awareness of our bodies and a renewed feeling of our selves.

Tina Kelly Green is a licensed Rosen Movement teacher and Certified Rosen Method and Transformational Bodywork Practitioner.
