On Saturday, August 12, 2017, at approximately 12:33 AM, Sausalito Police Officers were notified by the Marin County Comminations Center that there was an ALPR (Automated License Plate Reader) hit of a stolen vehicle coming into Sausalito from the 4000 block of Bridgeway. The ALPR notification was for a black Nissan with a CA license plate. Officers were in the area and were on the lookout for the vehicle.

Corporal Brian Mather immediately located the vehicle turning onto Napa Street from Bridgeway into a dead-end parking lot. He attempted a traffic stop on the vehicle but the vehicle continued to try to move away from the officer. Eventually, both occupants exited the vehicle and starting running away from the officers on scene, ignoring their commands to stop. Neither of them got very far before being located, detained and arrested by the officers.

The driver of the vehicle was identified as 35 year old Kelly Louise Auzenne out of San Francisco. She was booked for possession of a stolen vehicle, resisting arrest and for being in possession of drug paraphernalia. The passenger of the vehicle was identified as 35 year old Jose Lopez out of San Francisco. Lopez was booked for possession of a stolen vehicle, resisting arrest and possession of burglary tools. Bail was set for Lopez at \$10,000 and Auzenne at \$95,000.

Auzenne was also booked for outstanding arrest warrants out of San Francisco. Those warrants were \$35,000 for a stolen vehicle and \$50,000 for burglary and conspiracy.
