A scenic view of the Golden Gate Bridge in San Francisco, California. The bridge's iconic red-orange towers and suspension cables are visible against a clear blue sky with scattered white clouds. The bridge spans across the turquoise water of the Golden Gate. In the foreground, a wooden railing with a vertical post is visible, suggesting the viewer is on a walkway or observation deck. The overall atmosphere is bright and clear.

## Parks and Recreation Director

Sausalito is a great community and the quarterly magazine “Sausalito and its Community” reflects that. While the magazine is produced by the Parks and Recreation Department and a good half contains Parks and Recreation sponsored classes, programs, and events, the magazine also includes information from various City Departments such as the Police and Library. In addition to official City items, the Magazine contains information from many other community organizations. You can find information on the three Sister City programs, our local schools, the Chamber of Commerce Gingerbread House Tour, the Sausalito Woman’s Club, Sausalito Historical Society and senior activities from the Edgewater Seniors and Sausalito Village. Here at the Parks and Recreation Department we take great pride in our quarterly magazine. I hope you enjoy it, read it cover to cover, and take part in some of the fantastic programs offered by the City and other groups.

On behalf of the Parks and Recreation Department I wish you a warm and safe winter and I hope to see you soon.

*Mike Langford*

## NEW! Acrylic Landscape Painting

Paint Marin landscapes with Bernard Healey. Both beginners and experienced will learn the elements of acrylic painting including composition, color theory and perspective. Each session is fully demonstrated and supportively critiqued. Subjects covered will be trees and water scenes of areas such as Marin farmlands, Raccoon Strait, Mt. Tamalpais, Richardson Bay, and Tennessee Valley. Bring any supplies that you have. A suggested supplies list will be provided at the first session.

Instructor **Bernard Healey** began his Art career in 1947 after serving in the United States Navy. He attended the Academy of Advertising Art and the California School of Fine Art, both in San Francisco. He went on to work as a publication illustrator at the Bechtel Corporation, a worldwide Construction company, and he eventually joined the Marin Society of Artists in Ross, where he exhibited his own work, served as a juror, and chaired their Artist Advisory Council.

In 2004, instructors at College of Marin noticed Healey's solo acrylic painting exhibit and invited him to join the faculty, where he continues to teach. He also teaches and lectures at Marin Museum of Contemporary Art, the Mill Valley Community Center, and privately in his home studio.

Although Healey prefers to work in acrylics, he has also become proficient in watercolor. Most of his paintings are plein air, but he occasionally works from reference photos and paints finished work in his home studio.

## Library Services

### Get a Library Card without Visiting the Library

Online registration for a full-access library card is available for Marin County residents aged 16 years or older. When you apply online, you'll get immediate access to popular digital services like online tutorials from Lynda.com, movies from Kanopy, and e-books from OverDrive. A valid credit card with a Marin County billing address is required for address verification purposes only. Your credit card will not be charged. To obtain a card, go to the Sausalito Library webpage and look for "Get a Library Card" under About Us.

### Streaming Movies from the Criterion Collection and More

The Library now offers the streaming movie service Kanopy to Sausalito residents. Kanopy features the Criterion Collection of classic U.S. and foreign films, including titles like Fellini's *8½*, Truffaut's *The Last Metro*, and Kurosawa's *Rashomon*. You'll also find recent and classic independent and documentary films such as *East Side Sushi*, *2 Days in Paris*, and *I am Not Your Negro*. Movies from Kanopy can be viewed on computers, mobile devices (via the Kanopy app), and on televisions via Roku. All you need is a library card and PIN to create an account. To get started, look for the Kanopy button in the Digital Collections area of the Library homepage or download the Kanopy app or channel. Sausalito residents may borrow up to eight movies per month. Any questions about Kanopy may be directed to Abbot Chambers at [achambers@sausalito.gov](mailto:achambers@sausalito.gov).

### New York Times Online

Did you know that you can get free online access to the New York Times through the Library? By getting a special code from the Library and creating an account with the New York Times using your email address, you can receive a 24-hour unlimited access pass. There is no limit to the number of times you can generate a 24-hour pass. The service will work for smartphones and tablets, as well as laptop and desktop computers. Look for the New York Times button in the Digital Collections area of the Library homepage to get started. If you have questions, or receive an error message when logging in, please contact Augie Webb at [awebb@sausalito.gov](mailto:awebb@sausalito.gov).

### High-Speed Internet

The Sausalito Library's free public internet service went from slow to blazing fast last summer, when the Library connected to CalREN, the California Research and Education Network. The change affects the public computers in the Library and the public Wi-Fi available in the Library and City Hall. At the Library's public internet stations, where download speeds had previously been in the range of 5 to 10 megabits per second (Mbps), users will now see speeds topping out at 500 Mbps. A 20-megabyte PDF file that would have taken 20 seconds to download with the old network will now take less than a second. The Library's free wireless network (called "library") has also gotten a big speed boost, to over 100 Mbps. Some mobile devices may see slower speeds due to hardware limitations. Any questions about internet access at the Library may be directed to City Librarian Abbot Chambers at **415-289-4123** or [achambers@sausalito.gov](mailto:achambers@sausalito.gov).

### Library Email Newsletters

There's a lot going on at the Sausalito Library! To help local residents stay on top of things, the Library has two email newsletters, one covering all Library programs and services, the other focused entirely on children's services. Visit the Library webpage to sign up for one or both newsletters, or send a "sign me up!" email message to Augie Webb at [awebb@sausalito.gov](mailto:awebb@sausalito.gov).

### Unlimited Access to Lynda.com

Sausalito residents have access to the vast collection of online training courses and video tutorials available from Lynda.com – all you need is a library card. The courses and tutorials are taught by subject experts and cover everything from using your iPhone, to online marketing, to playing the electric guitar. Look for the Lynda button in the Digital Collections area of the Library homepage for a link to the Library's special Lynda account, or go directly to: [www.lynda.com/portal/patron?org=sausalitolibrary.org](http://www.lynda.com/portal/patron?org=sausalitolibrary.org)

### Ancestry

The popular genealogy software tool Ancestry is available for use on the Library's public computers. Ancestry features censuses, vital records, immigration records, family histories, military records, court and legal documents, directories, photos, maps, and more. If you have any questions about Ancestry, please contact the Reference Desk at **415-289-4121** or [reference@sausalito.gov](mailto:reference@sausalito.gov).

### Home Delivery Program

The Sausalito Library offers a home delivery service for Sausalito residents who are unable to visit the Library on their own. Staff will pair volunteers and participants and can assist in the selection of books, DVDs, music CDs and other materials. This is a free service. For application and program information, please contact Augie Webb at **415-289-4121** or [awebb@sausalito.gov](mailto:awebb@sausalito.gov).

### Museum Passes

Discover & Go is an online service you can use to reserve and print free and discount passes to Bay Area museums and cultural institutions like the Asian Art Museum, the Bay Model Visitor Center, the Lawrence Hall of Science, the Exploratorium, and the California Academy of Sciences. Look for the Discover & Go button in the Digital Collections area of the Library homepage to access the service. Please note that Marin libraries receive a limited allocation of museum tickets; tickets for popular museums may not be available unless booked well in advance. If you have any questions about Discover and Go, please contact the Reference Desk at **415-289-4121** or [reference@sausalito.gov](mailto:reference@sausalito.gov).

### Free Admission Tickets to the de Young Museum and the Legion of Honor

In addition to the Discover & Go online service, the Library offers free general admission tickets to the de Young Museum and the Legion of Honor in San Francisco. Every adult library card holder living in Sausalito is entitled to one ticket per year (each ticket admits two adults). Tickets are purchased through grants from the Friends of the Library and the Sausalito Art Festival Foundation.

### Borrow a California State Parks Vehicle Day Pass

Thanks to a generous gift of the family and friends of Lisa Kimberly Nunn York, the Library has two “Golden Poppy” California State Parks vehicle day passes available to the public. The passes provide free vehicle admission and parking to over a hundred state parks, beaches and recreation areas, including area parks like Mount Tamalpais, China Camp, and Samuel P. Taylor. To borrow a pass, look for one of the Golden Poppy cases in the central display area of the Sausalito Public Library. Bring the case to the service desk with your library card, and you can check out a storage bag containing the pass and information about California State Parks. Passes circulate for seven days and are not renewable. To ensure that a pass is available and save yourself a trip to the Library, call the Reference Desk at **415-289-4121**—if a pass is available, we can set it aside for you for up to two hours.

### E-Books and E-Audiobooks

The Sausalito Library offers a huge online collection of popular electronic books and e-audiobooks for adults and children through the OverDrive service. If you're not familiar with these resources, please look for the OverDrive button in the Digital Collections area of the Library homepage or download the OverDrive app to your mobile device. If you need extra help, we are available to help you get set up on your laptop, mobile phone, tablet, iPad, Kindle, or e-reading device. For more information, please contact the Reference Desk at **415-289-4121** or [reference@sausalito.gov](mailto:reference@sausalito.gov).

### Sausalito Marin Scope Digital Archive

The Sausalito Public Library, the Sausalito Library Foundation and Marinscope Community Newspapers have partnered to provide access to a digital archive of the *Sausalito Marin Scope*, Sausalito's weekly newspaper since 1971. The archive covers forty-four years and over 2,000 issues of the Sausalito Marin Scope and is now available free of charge on the public

computers of the Sausalito Library. Replacing the Library's old microfilm collection, the digital archive unlocks Sausalito's past by allowing users to search the vast archives by keyword term. To access the Sausalito Marin Scope digital archive, visit the Sausalito Library anytime during open hours.

### Sausalito News Archive

Thanks to grants from the Sausalito Library Foundation and the Sausalito Historical Society, the Library is able to offer online access to digital archives of *The Sausalito News* from 1885 to 1966. The archive may be searched and browsed via the California Digital Newspaper Collection, maintained by the University of California, Riverside. You can find the collection on the web at [cdnc.ucr.edu](http://cdnc.ucr.edu), or via the Services section of the Library website.

Programs are presented by museum docents and cover a current or upcoming exhibit at the de Young Museum, the Legion of Honor, or the Asian Art Museum. Lectures are illustrated by slides from the exhibit.

### Metropolitan Opera Previews

Met Opera previews are presented by Sausalito resident and opera aficionado Tom Wilhite. Tom's previews provide an entertaining introduction to an upcoming performance at the Metropolitan Opera in New York. Each preview includes stories about the composer and opera and a selection of audio and video clips from past performances. Tom's previews typically take place on a Tuesday evening before the corresponding Saturday morning Live in HD simulcast from the Met. ## Sausalito Library Trustees

The Library Board of Trustees serves as a liaison between the Library and the community and between the Library and the Sausalito City Council. The five-member Board is appointed by the City Council, with members serving three-year terms. The Board's role is to review the administration of Library operations, make recommendations and establish policies. For inquiries about becoming a Library Trustee or a Trustee alternate, please contact the Sausalito City Clerk at **415-289-4134**.

## Friends of the Sausalito Public Library

You are invited to become a member of the Friends of the Sausalito Public Library. Your membership will aid the Friends in their support of the Library.

The Friends provide "wish list" funding as requested by the Sausalito City Librarian. This includes support for the Speaker Series and the Sausalito People series, children's programs and story times, museum passes, and equipment such as the projection and sound system in the Library.

You may donate by becoming a member, making a monetary donation, or donating books and other media. These may be used to replace worn materials in the Library collection or sold in the Friends Bookstore on the second floor of City Hall. The Bookstore is open Mondays from 9am to 5pm, and Wednesdays and Saturdays from 10am to 1pm. Please come in to browse our ever-changing collection and find a wide range of materials at very reasonable prices!

Donations may be dropped off at the collection box outside the Bookstore on the second floor of City Hall or in the Library. A cart is available to bring books in from the parking lot. Donations of multiple boxes or bags are best brought to the Bookstore during open hours. If that is not possible, call Libby Wilkinson at **415-332-0206** to arrange a time convenient for you.

All donations are tax deductible.

You can become a member in person at the Library or online at [friendsofthesausalitolibrary.org](http://friendsofthesausalitolibrary.org) or by email to [fosl94965@gmail.com](mailto:fosl94965@gmail.com).

You are also invited to donate your time by volunteering in the Bookstore. Contact Libby Wilkinson at **415-332-0206** or [libbywilkinson2@gmail.com](mailto:libbywilkinson2@gmail.com).

Volunteers also help at the Library by reshelving books and processing interlibrary loan materials. If you have an hour or two each week and would like to become more closely involved with the Library, contact Jim Delano at **415-215-6538** or [jdelano43@comcast.net](mailto:jdelano43@comcast.net).

We welcome and appreciate your membership, your participation, and your ideas.

## Sausalito Library Foundation

The Sausalito Library Foundation provides long-term support for the Sausalito Public Library. Donations and bequests from the community are used to maintain a revenue source to fund technology, special programs, and capital improvements. We work to ensure that our Library remains an essential community resource now and in the future. In light of remarkable shifts in technology and the delivery of information, the Foundation will help the Sausalito Library evolve and adapt so that the Library's physical space and planned programs meet ever-changing needs.

Our thanks go out to the many individuals and organizations whose generous contributions have helped build our financial resources. The income from and appreciation of these gifts have helped the Foundation Fund grow.

With this growth, we're helping to safeguard our Library's future.

For more information about the Library Foundation, please write to 420 Litho Street, Sausalito, 94965. Email messages may be directed to [unexport@earthlink.net](mailto:unexport@earthlink.net).

### HOW YOUR DONATIONS SUPPORT THE LIBRARY

**SAUSALITO LIBRARY FOUNDATION:** The Foundation uses donations from individuals, organizations, and businesses to establish a long-term revenue source that supports the Library through special projects.

**FRIENDS OF THE LIBRARY:** The Friends' primary source of income is the Friends Bookstore on the top floor of City Hall. Your book donations and volunteer time help the Friends support Library programs and pay for items on the Library's wish list.

**PLEASE NOTE:** The Foundation and the Friends of the Library are separate organizations, both 501(c)(3) nonprofits, which complement one another and collaborate to meet our Library's needs beyond the capabilities of City funding. Neither the Friends of the Library nor the Sausalito Library Foundation contributions are meant to supplant our publicly funded Library budget.

# Sausalito Police Department Safety Reminders

## When You're Away From Home, Protect Your Personal Property.

People from around the world frequently visit the Bay Area and specifically our vacation destination known as Sausalito. The police department has received an increase in reported car burglaries from victims that parked in our Municipal parking lots downtown. This recent rash of car burglaries is not isolated to Sausalito. Many neighboring law enforcement agencies are

experiencing similar problems at locations that are frequently visited by large numbers of tourists. Similar crimes have been reported at the Larkspur Ferry Landing, Vista Points (north and south side of the Golden Gate Bridge), and public parks and parking areas along the Marin Headlands.

The independence of having a vehicle when traveling is wonderful. You can move around at your leisure. No lines to wait in and we think it's a great place to leave gifts and souvenirs while we are at a ballgame or having a meal in our favorite restaurant. Car burglars are becoming very sophisticated and efficient. They are on the prowl 12 months of the year and are keen on the traveling habits of tourists. Whether you're visiting another country or just another county in California please be aware that your property is vulnerable when left unattended in a vehicle.

In general, the crimes are occurring during daylight hours, on any day of the week or weekend, and the criminal(s) modus operandi is to smash a window on the vehicle to access visible bags/backpacks inside the passenger compartment. The person(s) responsible for many of the car burglaries is mainly interested in locating electronic devices such as laptops, iPads and digital cameras. But, as in any crime of opportunity, the criminals will steal anything of value. You should take extra precautions if driving a rental vehicle. The car burglar identifies rental cars and knows the chances increase that luggage and day packs are stored inside. The police department would like to remind residents and visitors alike to take the necessary precautions to secure personal property such as electronic devices and/or luggage when traveling. More specifically, if you or someone you know is planning to visit typical tourist sites and park in public parking lots, please stow your belongings in the trunk of your vehicle or somewhere out of sight. Some helpful reminders are:

- Travel light. If you don't need it, leave it at home or in your hotel room.
- Keep your wallets, purses and personal identification items (passports, etc.) with you at all times.
- If you pack a bag, carry it with you and don't leave it in the car. If you have to leave it, make sure it is secured in the trunk or out of sight.
- Be aware of your surroundings. If something or someone looks out of place or suspicious, contact the local law enforcement agency for assistance. Vigilant citizens are so important in catching criminals like these. If your instincts are sensing something is wrong, it probably is, so please make that phone call. In the City of Sausalito, for non-emergency public safety assistance, the phone number is **415-289-4170**. For emergencies dial 911.

Traveling to new and exciting places enriches our lives and helps give us perspective. Traveling can also be a chore and to do it safely means to plan ahead and be prepared. Please take the extra time to secure personal property so you can have the peace of mind to thoroughly enjoy your vacation experience. Don't let a smashed window and stolen property ruin a great vacation!

### New Members to the Sausalito Board of Directors

### Sausalito Village Fifth Annual Art Show Sunday, November 4th Sausalito Village Celebrates its Artists

Recognizing the plethora of talent in the membership of Sausalito Village, it was decided five years ago to provide the showcase of an annual event.

Join us for this "after hours" special event with food, drinks, music and mostly . . . art!

## Age Friendly Sausalito Do You Live in an Age Friendly Home?

Whether you live in a mansion or an apartment, whether you own or rent, the key to being able to age in place is how adapted your home environment is to the needs and uses you may require of it as you grow older. Hundreds of older Sausalito residents commented on how important it would be for them to be able to remain in their homes as they adjust to possible limitations that often accompany older age.

Age Friendly Sausalito is partnering with the Sausalito Department of Community Development to help residents assess their living environment, to see how they can make it more comfortable, convenient and functional to accommodate the changes in physical abilities that many people experience to various degrees as they age.

To help older residents to assess and consider what changes and adaptations would be suitable for themselves, Age Friendly Sausalito and Community Development have published a new Self-Assessment Guide for Maintaining Seniors' Independence through Home Adaptations. The Guide identifies the types of difficulties that seniors can experience, and describes types of adaptations that can help overcome these difficulties.

The inside and outside of the back-cover list helpful resources and programs, many of which may be free or low cost, depending on various eligibilities, and that are available to help with issues related to housing and with making these choices as well as with making the home accessibility improvements.

In addition, Age Friendly Sausalito and Community Development are exploring new policies and program opportunities to help make it easier for local older adults to make the accessible home adaptations described in the new Age Friendly Guide for Maintaining Seniors' Independence through Home Adaptations. Watch for news on the programs that will be developed!

Pick up your copy of the Age Friendly Guide for Maintaining Seniors' Independence through Home Adaptations at the City Building Department Counter in City Hall or contact Age Friendly Sausalito at [agefriendlysausalito@gmail.com](mailto:agefriendlysausalito@gmail.com) or call 415-331-1393 to speak with Age Friendly Chair, Sybil Boutillier.

The Groups are held the 2nd Saturday of each month from 10am–12pm in Campbell Hall next to Christ Episcopal Church in Sausalito. The Support Groups are being led by professional, credentialed facilitators and will serve residents of Sausalito, southern Marin and beyond. These Support Groups offer caregivers of loved ones suffering with Alzheimers, Parkinsons or other cognitive impairment the ability to exchange information, learn about solutions to problems, talk through challenges and ways of coping, share feelings and frustrations, and learn about available resources. Participants and their situations are assured complete confidentiality. For additional information, email [caregivermarin@gmail.com](mailto:caregivermarin@gmail.com).

## Sausalito Sister Cities, Inc. A Message from The President

As we enter the last of our calendar year we have many people to thank. SSCI is a volunteer non-profit organization. Vina del Mar, Chile is our longest exchange program, Sakaide, Japan next entering into our 30th year anniversary in 2018 and our latest Sister City exchange with Cascias, Portugal. We are a small community, however, we manage to fund three exchange programs all robust and thriving. We have a governing Board of Directors representing the organization and a host of volunteers. We rely on the community, the local businesses and all those who have been touched by these exchanges to help us in terms of gift giving, working events, chairing events, working the front door, all tasks that are performed by us for you. This is my 11th year as the President and I am proud to say we are financially sound. We have a fundraising event with all three Sister Cities participating rather than having multiple events. We have policies and procedures and we have structure. We work closely with The City of Sausalito, Parks & Recreation and many of the local organizations. The downtown business community has been generous and they have continually supported our efforts.

If YOU would like to get involved in these amazing exchange programs, come to one of our monthly meetings, join a committee, or visit the web site. I am inviting you to be a participant and enjoy the rewards of hosting a student.

Thank you Board Members, Operation Council members, volunteers, Host Families, student delegates, local businesses, Sausalito residents, Sausalito Yacht Club, Mike Langford, Sausalito Parks & Recreation, Sausalito City Council, our City Manager, Adam Politzer, without your un-wavering support we could not do what we do.

Lastly, I would like to reach out to those in Texas who have had their world turned upside down due to Hurricane Harvey. We sent a donation check to the two Sister Cities in Texas on behalf of our local organization as they will eventually begin to start to re-build their lives. We heart you, Texas.

With sincerity,  
Susan Roe

## Sausalito Sakaide Sister City Student Exchange Program

Our 2017 Student Delegation consisting of 14 students, Vice Mayor Joan Cox, our Program Committee Chair Chris Gallagher, and our two chaperons, Lynn Reid and Stephani Miller spent 10 days in Sakaide, Japan July 28 through August 9. The students lived with Japanese host families, sleeping on tatami mats and futons, eating Japanese food, and living a fully Japanese lifestyle. A variety of activities were provided ranging from visiting temples and shrines to kayaking to learning about ikebana, chanbara, the Japanese tea ceremony and origami amongst others. They had the privilege of participating in Sakaide's Annual Dance Festival and watching the Annual Taiko Dai Festival.

This was indeed a life changing experience for both our student and adult delegates. The students are commended for their post-trip presentations to our community about their experiences.

As our 2017 year comes to a close, we will be sending our friends and host families in the City of Sakaide our Seasons Greeting Booklet from the City of Sausalito and our Sister City. Each student delegate and chaperon will contribute a page towards this booklet. It will include thank you messages to Sakaide's Mayor Aya and the staff of the City of Sakaide and to the host families.

## THANK YOU TO OUR SUPPORTERS

The Sausalito Sister City- Sakaide Program would like to thank the following:

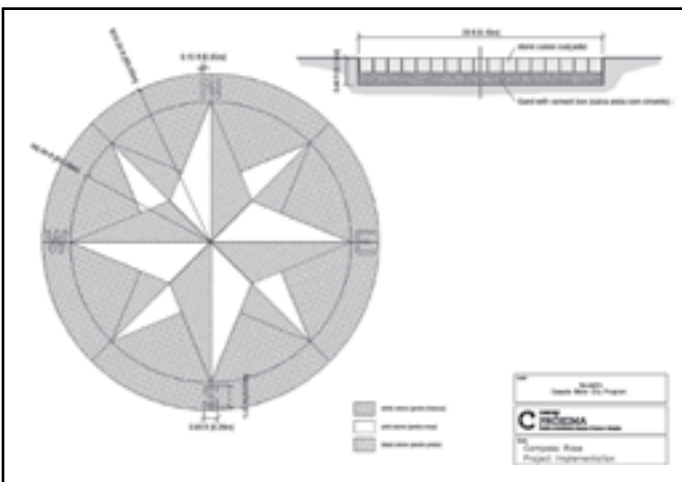

- The Sausalito Yacht Club for hosting our Student Delegation's post-trip Presentation Event in August 2017.
- Studio 333 Caledonia for enabling us to have our Launch Party at their site before the Delegation's departure.
- Our Sausalito Mayor Withy and the Japanese Consulate for encouraging us and speaking at all our events.
- Matsuno Patrick, Toyomi Tanaka, Yoshi Tome, and Herbie Weiner for their ongoing support to our Sausalito Sakaide Sister City Program for so many years and look forward to our continuing our partnerships.
- Our Operations Council volunteers who helped us with all our program operations this year. They have dedicated their time and been passionate about ensuring our program's success.

The Gift of Art

### Sausalito - Cascais Sister City: Art, Culture & Educational Enrichment

The City has unanimously approved a decorative Portuguese mosaic for the plaza pavement in front of the Bank America in downtown Sausalito. The traditional calçadas stones for the mosaic, the compass rose design and an artisan to install them are a gift from Sausalito's Portuguese sister city of Cascais. Construction of the Praca de Cascais will begin late this year or early 2018, with a dedication ceremony planned in June. Be sure to watch the evolution of this public arts project. "Thousands of people who may not know what Calçadas are will be introduced to this old-world art form and hopefully learn more about the Portuguese culture, including Sausalito's rich Portuguese heritage," said program chair Cheryl Popp.

**Annual FADO Night at the Pines:** Once again, the Sausalito Youth Sailing Foundation will be hosting an evening of traditional Portuguese Fado music at the historic Pines where the venue is as close as you'll come to the Alfama District in Lisbon. Save the date for April 28th.

**Youth Sailing Exchange (YSE) 2018:** The 4th annual Youth Sailing Exchange Program with the Sausalito Yacht Club (SYC) and Club Navale Cascais (CNC) dates for 2018 have been set. Student sailors will be in Cascais June 30-July 9, followed by an adult delegation from Sausalito. You will be yachting and touring the region.

**New Consul General for Portugal in San Francisco:** We are delighted to welcome Maria Joao Lopes Cardoso, the new Portuguese Consul General in San Francisco. She hails from our sister city of Cascais, as did her predecessor, Nuno Mathias, now posted at the United Nations in New York.

### 2018 IS A BIG YEAR!

In 2018 we look forward to recruiting Sausalito and Marin County host families for our inbound student delegation (14 -17 years old) from Japan. They are due to arrive on July 26th for 10 days with Mayor Aya. 2018 is also the year of our 30th Anniversary and preparations for our celebrations will begin soon. We hope you will participate with us. Host Family applications will open in January 2018 and can be accessed on our website: [www.sausalitosistercities.org/sakaide](http://www.sausalitosistercities.org/sakaide)

We are also seeking University students who are interested in teaching English in Sakaide for three months during the summer June through August 2018. Applications will open on our website in January 2018

Anyone interested in being a host family, volunteering, participating on our program's Operations Council, or joining the 30th Anniversary Planning Committee, please e-mail us through our website, [www.sausalitosistercities.org/sakaide](http://www.sausalitosistercities.org/sakaide) or [dinahatchuel@htaconsulting.com](mailto:dinahatchuel@htaconsulting.com).

*Businesswomen from Viña Del Mar attending a business workshop in Sausalito*

## **Viña Del Mar, Chile**

**FOCUS:** Women in Business Exchange, Teaching American business skills to entrepreneurial women in Viña del Mar – Offering cultural, business and global exposure

**ESTABLISHED:** 1960, Re-established: 2011

In 2011 several women business owners from Sausalito re-established our sister city relationship and created an exchange program for women in business in Chile—Asociacion Gremial de Empresarias Y Profesionales (AGEP-V). Since then, we have impacted over 45 small business women owners in the Viña del Mar/Valparaiso region of Chile. Our goal is to provide these entrepreneurial women with key American business strategies and tools to build and grow their own business operations in Chile.

Our Sausalito-based sister city committee has completed three training visits to Vina Del Mar Chile, providing workshops and educational outreach to their entire organization. In 2015, Sausalito also participated in celebrating AGEP’s 15th anniversary regional celebration and “Hecho en Valparaiso”—an exhibition showcasing more than 60 small businesses and

their products, our workshops, introducing our sister city relationship and Marine Mammal Center concepts.

In 2017, another seven businesswomen AGEP visited Sausalito during the first week of April, hosted by seven Sausalito families. Our Viña Del Mar Operations Council (VDM) has now hosted four business workshops in Sausalito, training more than 28 women from the group. During the seven days of training, the program included 30 presenters, including two Stanford professors. Business exposure centered on the theme “The Path to Growth.”

Workshop sessions included Competitive Analysis, Projecting for Profit, Strategic Planning for your Business, Using Social Media, How To Build A Trade Association For The Maker Industry, Tours of Space Sharing & Co-working Facilities, Retail and Design, Product Development, Learning/ Meeting/Hearing from Organic Businesses, Touring Retail Operations – Where The Action Is, and Touring Collaborative Work Spaces/Shared Spaces/ Complimentary Tenancy.

In 2018, Sausalito will re-visit Viña Del Mar and work with AGEP to analyze an opportunity to create a co-working space in the region and to follow up with the business women we have trained.

## 11th Annual Gingerbread House Tour: A Sausalito Tradition

Are your stockings hung by the chimney with care? Are visions of sugar plums dancing in your head?

If not, the 11th annual Sausalito Gingerbread House Tour and Competition is just the thing to get you in the spirit of the season. The Tour has become a true family holiday tradition. From the very young to the very young at heart, the reaction to this magical experience is the same – one of wonder, awe and delight.

Merchants and businesses all over town will be participating again this year, with houses on display every day during the month of December. You'll find houses downtown along Bridgeway, on Caledonia Street, in "Old Town" and at the north end of town. Most of them can be viewed on foot in one afternoon.

In fact, not all of these confectionary delights are strictly "houses". There are no rules for the friendly competition, and participants are encouraged to let their creativity flow. Some of last year's winners were:

- **Most Traditional Award**, honoring the gingerbread house with the most commitment to building in the classic holiday style: Sarah Swell Jewelry for her house with a candy cane chimney and intricate frosting roof design with wildlife to keep it company.
- **Best Teamwork Award**: Casa Madrona Hotel and Spa for their gorgeous triple decker mansion bedecked with candy pearls, a candy

cane balcony, and chocolate rooftops, accompanied by Santa and his reindeer.

- **Most Creative Award**: gr.dano for their incredible replica of a gingerbread fashion show, complete with gingerbread men on a rotating catwalk and elves in Santa's workshop in the basement layer of their creation,
- **Best Sausalito Theme**, for the creation which is the most representative of the Sausalito setting and culture: Decker Bullock Sotheby's International Realty for a breathtaking model of downtown Sausalito and the hills above, complete with a section of the Golden Gate Bridge.
- **Mayor's Choice Award**: Jewelry By The Bay for their gingerbread model commemorating the National Parks service's 100 year anniversary, with redwood trees towering above a quaint log cabin, and Santa riding just above with his reindeer.

Just imagine what we'll be seeing this year! Sponsored by the Sausalito Chamber of Commerce, the Gingerbread House Tour makes for a fun family outing, a diversion while holiday shopping, or an excuse to get together for lunch in one of Sausalito's fantastic restaurants. Maps of the tour will also be available at participating merchants, at the Kiosk at the Ferry Landing, or by downloading at [www.sausalitogingerbread.com](http://www.sausalitogingerbread.com). And to see photos from this and prior years, visit us on Facebook (Sausalito Gingerbread House Tour).

### The Sausalito Historical Society (SHS)

The SHS is an entirely volunteer 501(c)(3) non-profit organization that collects and preserves art, artifacts, photographs and printed materials that document Sausalito's history. We provide access to the collection for public and academic research and develop publications and outreach programs to inspire local interest in Sausalito's history. As a result, we are able to educate the visiting public and to enrich the community.

The Society staffs and manages the Ice House Visitor Center and Museum featuring a permanent display of local history. There is also a gift area featuring works of art by local artists and a selection of gift items relating to Sausalito and its history. The Ice House is open from 11:30am-4pm on Tuesday through Sunday, and is located at 780 Bridgeway (across from Casa Madrona). **415-332-0505**

### RACING SKIFF DONATED TO DOLPHIN CLUB

A racing skiff that was donated to the Historical Society and was on display for a number of years in the Friends of the Library space next to the Historical Society at City Hall has been donated to the Dolphin Club in San Francisco. The Society determined that it was unable to properly care for and store the skiff, so when the Dolphin Club expressed an interest in it, the board made the decision to donate it to the Dolphin Club. The skiff was built by A. Rogers in 1910 and was raced on Richardson's Bay. Five members of the Dolphin Club, Davis Ja, House Captain, Richard Cooper, Historian, John Belinski, master boat builder and John Ingle, club steward, and John Muir, Dolphin Club member. They very carefully took the skiff down and moved it outside to load on a truck for the trip to San Francisco in September. The skiff received some tender loving care before being put on display in the entryway of the club. We think more people will be able to view and appreciate the skiff in its new location. The Dolphin Club, 502 Jefferson Street, S.F., is open to the public from 10-6 on alternate days of the months: Wednesdays and Fridays in December and February, and Tuesdays, Thursdays and Saturdays in January. The club was founded in 1877 by John Wieland and brothers from Germany, and is a non-profit public-access athletic organization with a diverse membership of about 1,600 women and men.

### HISTORICAL SOCIETY ANNUAL GALA

The Sausalito Historical Society will hold its annual gala dinner on Tuesday, January 16th at the Sausalito Yacht Club. We'll celebrate the 125th anniversary of Sausalito with a presentation by Jan Wahl, movie critic, on movies filmed in Sausalito. Watch for details forthcoming.

### VISIT SALLY AT THE ICE HOUSE

A bust of Sally Stanford, sculpted by Howard Lazar, is now on display at the Ice House Visitor Center and Museum. Lazar, a portrait and history sculptor, donated the bust to the Sausalito Historical Society in 2016, and she was on display in the research room there until August, 2017 when she was moved to the Ice House. Lazar says this sculpture of Sally depicts how he remembers her when, as a boy, he met her at the Vahalla restaurant in 1961. Stop by and say hello!

### How to Host a Neighborfest – Part 3

*(Parts 1 & 2 featured in Summer and Fall 2017 magazines respectively)*

A Neighborfest is a party organized by you and your neighbors to have fun, build community, and create the foundation for preparedness (emergencies, incidents, and other local challenges.) Since the start of the year I have facilitated seven Neighborfests at the Marina where I live—about one a month. As the year has progressed, more and more people are stepping up to take on larger roles in organizing, publicizing and conducting the events. People support the things they help create, so you—as the facilitator of the event—should welcome this!

Here are some further suggestions for success:

1. The day of the event – Show Time! As always, refer to your checklist. Prior to the start time, set up the folding tables, plug in heavy-duty extension cord(s), running them behind furniture and duct taped down. Place the garbage, recycling and compost bins nearby and visible.
2. Create a sign-up list and invite neighbors to have a role. Many people feel more comfortable socially when they have a defined role. Invite these people to be photographers, greeters, social media scribe, set

up crew and clean up. Use the photos and highlights recorded by the scribe to enhance next month's invitation or create a blog or social media page. The signup list should be simple and non-intrusive, just asking for name, cell or email, and a space to note a community improvement they are interested in creating.

3. Clean up and leaving the space better than when you started. Once again, refer to your checklist for clean up supplies. Be the cheerleader for your clean-up crew to leave the space better than how you found it. This should feel like a continuation of the quality time they have just spent together, further increasing the social capital of the community.

### Outdoor Learning at Willow Creek Academy

Willow Creek Academy sits nestled in the hills of Sausalito, just off of Nevada Street. Our families are wonderfully diverse: we serve equal numbers of students from Sausalito and Marin City, we have no racial majority, about half of our students are low-income, and about one-third of our students speak a language other than English at home.

Since its beginnings in 2001, Willow Creek has been committed to outdoor learning and community partnerships. Through the years, classes have gone on field trips to Point Reyes, Richardson Bay, Yosemite, Tennessee Valley, Ring Mountain, the Marin Headlands, and Slide Ranch. Outdoor educators from the Point Bonita YMCA, Wildcare, the Marine Mammal Center, Friends of the Creek, and Heath Ceramics have partnered with Willow Creek Academy teachers to provide outdoor learning and environmental education experiences for all of our students.

This year, we are thrilled to offer all Willow Creek Academy's Upper School students the opportunity to participate in Outward Bound, thanks to generous support from the Willow Creek Foundation.

The Outward Bound program takes students out into wilderness areas

and challenges them to develop leadership and decision-making skills as they work together to solve problems. Eighth graders go on a rock-climbing day trip to Ring Mountain as well as a 5-day backpacking trip during which they hike 24 miles between Castle Rock and Big Basin State Park in Santa Cruz County. Seventh graders camp for three days in Henry Coe State Park in Morgan Hill. Sixth graders participate in a one-day team building challenge and camp on Angel Island for 3 days. When on their trips, students take full responsibility for setting up their campsites, cooking, and navigating through the natural environment. No technology is used during these trips.

Last year, 93% of 8th grade students said that they had both gained confidence trying new experiences and working with others to solve problems. One student said, "I learned that I actually can be a leader—that is something I was scared of. I also learned that I could open up and bond with people I didn't think I could."

We are so excited to give our students these opportunities for outdoor learning and adventure! If you have any questions or would like to get involved with outdoor learning at Willow Creek Academy, please contact Tara Seekins, Head of School, at [tseekins@willowcreekacademy.org](mailto:tseekins@willowcreekacademy.org).

## Rose Garden in Gabrielson Park Holds Special Memories

A beautiful corner of Gabrielson Park holds a special place in the history of the Sausalito Woman's Club (SWC). In the early 1980s, this area became a rose garden to honor Mrs. Blanche A. Dunphy and a plaque was installed in her memory.

SWC member Wera Musaus, chair of the Club's Community Enhancement Committee spends many hours tending to the rose bush garden. A few months ago, Wera and members of the Edgewater Seniors Club planted a beautiful rose bush in honor and memory of Sharon Corredor, a Sausalito resident, part-time City employee and member of the Edgewater Seniors Club, who passed away in April of 2017.

See inside back cover for color photos of the garden.
