

Instructions for Statement of Organization

Statement Type:

Initial

Mark the "Initial" box and enter the date qualified as a committee. The "date qualified as a committee" is the date the committee received contributions totaling \$2,000 or more during a calendar year.

If the committee has not received contributions totaling \$2,000 or more, mark the "Initial" and "Not Yet Qualified" boxes.

Amendment

If any of the information reported on an initial statement of organization changes:

- Mark the amendment box;
- Include the committee's ID number and name;
- Provide the changed information; and
- Complete the verification.

Candidates: Under certain circumstances, a candidate for local office may amend the Form 410 to indicate that he or she is seeking re-election to the same office. A candidate for state office must open a separate committee for each term of office and may not amend the Form 410 to redesignate an election committee.

Termination

List the committee's name, identification number and indicate the date of termination, including completing the verification.

1. Committee Information:

Provide the full name of the committee. A committee may use only one name.

The committee's street address, e-mail address, and telephone number must be reported. A post office box is not acceptable. The committee's mailing address must also be reported if it is different from the street address. A post office box is acceptable for the mailing address. A committee's "domicile" is its address as listed on the Form 410. Los Angeles is the county of domicile for committees located outside California.

Identify the jurisdiction where the committee is active. For example a city committee lists the name of the city.

Committee Name Requirements

The following committee name rules apply to the Form 410, the committee's campaign statements and to any other references to the committee required by law. See the instructions for Part 4 for committee definitions.

Candidate Controlled Committees: Any committee that is controlled by a state or local candidate or officeholder must include the last name of the candidate in the name of the committee. In addition, the following rules apply:

- An **election committee** controlled by one or more state or local candidates must also include the office the candidate(s) is seeking and the year of the election (e.g., Friends of Smith for Assembly 20XX, Jones for Council 20XX).
- An **officeholder committee** set up by a state officeholder must also include the office held, the year the officeholder was elected to the current term of office, and the words "Officeholder Account," as part of the committee name (e.g., Anderson Assembly 20XX Officeholder Account).
- A **legal defense fund** set up by a state or local candidate or officeholder must also include the words "Legal Defense Fund" as part of the committee name (e.g., Senator Smith Legal Defense Fund).
- A **ballot measure committee** controlled by one or more state candidates must also state that it is a ballot measure committee (e.g., Senator Lee's Ballot Measure Committee) prior to the designation of the ballot measure number. See additional requirements for primarily formed committees.

Sponsored Committees: A sponsored committee (including most political action committees) must include the full name of its sponsor in the name of the committee. If the committee has more than one sponsor and the sponsors are members of an industry or other identifiable group, include a term identifying that industry or group.

Primarily Formed Committees

Ballot Measures: The name of each committee primarily formed to support or oppose a ballot measure must include:

- A statement identifying the ballot measure(s) number or letter and whether it supports or opposes the measure(s) (e.g., Committee For Proposition/ Measure __ or Committee Against Proposition/ Measure __).
- The economic or other special interests of its major donors of \$50,000 or more, in descending order based on the amount contributed to the committee. The list of these economic or special interests may not be interspersed with constituencies such as "concerned citizens, or consumers."
- The name of any state or local candidate that contributes \$50,000 or more.

Recalls: Each committee established for a recall election must include the name of the officeholder subject to the recall. If the committee is not controlled by the officeholder, the committee must state its support or opposition (e.g., Committee Opposing the Recall of Council Member Doe).

Supporting or Opposing a Candidate: The name of each committee primarily formed to support or oppose a state or local candidate(s) being voted on in a single election, other than a recall election, must include the last name of each candidate, the office sought, the year of the election and must state whether the committee supports or opposes the candidate(s) (e.g., Committee to Support Doe for Senate 20XX).

Statement of Organization Recipient Committee

CALIFORNIA
FORM **410**

Who Files

Recipient Committees: Persons (including an officeholder or candidate), organizations, groups, or other entities that raise contributions from others totaling \$2,000 or more in a calendar year to spend on California elections. They must register with the Secretary of State and report all receipts and expenditures. "Contributions" include monetary payments, loans and non-monetary goods and services received or made for a political purpose.

Candidates: The personal funds of a candidate or officeholder used to seek or hold elective office are contributions and count toward qualifying as a recipient committee. However, personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet do not count toward the \$2,000 threshold.

Multipurpose Organizations: A nonprofit organization, federal or out-of-state PAC, or other multipurpose organization that makes contributions or expenditures in California elections may also be required to register as a recipient committee with the Secretary of State. See the Fact Sheet on Multipurpose Organizations Reporting Political Spending and the Supplemental Form 410 Instructions.

When to File

File this form within 10 days of receiving \$2,000 in contributions. Include a \$50 payment made payable to the Secretary of State. Thereafter, the \$50 fee is due annually no later than January 15. In addition to the \$50 fee, a penalty of \$150 may be assessed if payment is late.

For early submissions, mark the "not yet qualified" box. The \$50 fee is requested at this time but is not legally required until the committee qualification threshold has been met.

Where to File

All Committees: Form 410 with original ink signature(s)
Secretary of State
Political Reform Division
1500 11th Street, Rm 495
Sacramento, CA 95814

County & City Committees:

Also file a copy with the local filing officer who will receive the original campaign statements.

Read instructions carefully as a Form 410 will be rejected if all applicable sections are not completed.

Committee ID Number

The committee's FPPC ID number will be posted at cal-access.sos.ca.gov. To receive an official, stamped copy of your approved Form 410, send a request, the original form, two copies of the form, and a self-addressed, stamped envelope, to the Secretary of State.

Amendments

When information contained in the committee's Statement of Organization changes, file an amendment within 10 days of the change with the Secretary of State and local filing officer (if applicable). During the period 16 days before an election, file an amendment within 24 hours as described below.

24-Hour Reporting

In addition to the 10-day rule to file an original Form 410:

- A recipient committee that qualifies during the 16 days prior to an election in which it must file pre-election statements must file a Form 410 within 24 hours of qualification with the filing officer who will receive the committee's original disclosure statements.
- A recipient committee that qualifies during the 90 days prior to an election or on the date of the election in which the committee makes independent expenditures of \$1,000 or more to support or oppose a candidate in that election must file the Form 410 within 24 hours of qualification with the filing officer who will receive the committee's original disclosure statements and with the filing officer(s) for the candidate(s) supported or opposed by the independent expenditure.
- If, during the 16 days prior to an election when a committee is required to file pre-election statements, a change occurs in the name of the committee, the treasurer or other principal officers, or the controlling candidate, an amendment must be filed with the filing officer receiving the committee's original campaign statements within 24 hours of the change.

These filings must be made by fax, guaranteed overnight delivery, personal delivery or online (if online filing is available).

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC Campaign Disclosure Manual for your type of committee.
