PROJECT SUMMARY In July 2017, The Sausalito Sister Cities Inc. received approval by the Planning Commission to make improvements to the existing public plaza, located in front of Bank of America, that include repaving the plaza with artisanal stones in a compass rose design, approximately 40-ft. in diameter, a semi-circular concrete wall seating, and two pylons for a donor plaque and plaza signage. The request is to modify the compass rose design to incorporate a seven-foot diameter, Portuguese crest at the center of the compass, add donor and sign plaques and a temporary landscaping plan. The project has been determined to be exempt from further environmental review under Section 15301 of the California Environmental Quality Act (CEQA).

All interested persons are welcome to attend and to comment. Project materials are available for public review at the Community Development Department at Sausalito City Hall (Office Hours: 8:00 AM to 4:30 PM Monday through Thursday, 8:00 AM to 12:00 PM on Friday). Meeting Agendas and Staff Reports can be reviewed before the meeting at the City's website (www.Sausalito.gov).

IF YOU CANNOT ATTEND You can comment on the project via email, mail, or in person to the project contact. Comments received by 12:00 PM on Wednesday, April 4, 2018, will be included in the Staff Report.

At the above time and place, all letters received will be noted and all interested parties will be heard. If you challenge a decision of the Planning Commission in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the public hearing (Government Code § 65009(b)(1&2)).
