- e. The City Council acknowledges that the consolidated election will be held and conducted in the manner prescribed in Elections Code Section 10418.

SECTION 6. Submission of Ballot Arguments and Impartial Analysis.

Arguments for and against said measure may be filed in accordance with applicable provisions of the law. The Council does not authorize the Council as a body or any individual member of the Council to file a written argument or any rebuttal argument for or against the measure. The City Clerk shall consider other arguments and rebuttal arguments filed by bona fide associations or individual residents who are eligible to vote in accordance with Elections Code Sections 9282, 9285 and 9287.

Pursuant to Section 9285 of the California Elections Code, (the provisions of which are hereby adopted), when the City Clerk has selected the arguments for and against the measure which will be printed and distributed to the voters, the City Clerk shall send copies of the argument in favor of the measure to the authors of the argument against, and copies of the argument against to the authors of the argument in favor. The rebuttal arguments shall be filed with the City Clerk not more than ten (10) days after the final date for filing direct arguments. The text of the measure shall be printed on the ballot in the voter information portion of the sample ballot.

SECTION 9. Compliance with California Environmental Quality Act. The approval of this resolution is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., "CEQA," and 14 Cal. Code Reg. §§ 15000 et seq., "CEQA Guidelines"). The tax proposed by this resolution is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have either such effect, the City would undertake

the required CEQA review for that particular project. Therefore, pursuant to CEQA Guidelines section 15060 CEQA analysis is not required.
