

Statement of Candidate for Member, City Council, City of Sausalito

JILL JAMES HOFFMAN

Occupation: Incumbent City Councilmember

Education and Qualification: I was elected to the Sausalito City Council in 2014, and served as Vice-Mayor in 2015 and Mayor in 2016. Since assuming office I have worked hard to instill responsible management of the City's budget to ensure rising pension debt and expenses don't eclipse our ability to provide basic functions such as maintenance of our parks, streets, sewers, and sidewalks. During my time as Mayor and Vice-Mayor, I focused on innovative solutions to address tourist congestion that clogs our historic downtown during certain hours. I have also been proactive in bringing better management to our waterfront with a shift away from regional administration to Sausalito managing its own waters.

Maintaining the charm and character of our historic, seafaring community is a strong priority of mine. To that end, I support low-density infill housing solutions and advocated for the recently updated Historic Preservation ordinance.

There is still work to be done carrying these and other gains forward. As an attorney and entrepreneur, I see opportunity for Sausalito to be one of the best managed and innovative communities in our state. That's why we raised our son here and make Sausalito our home. Let's keep moving together in a positive direction. jillforsausalitocitycouncil.com.
