## Parks and Recreation Director

As I sit in my office and write this I can almost hear the construction equipment starting up at Dunphy and MLK Parks, and by the time we go to print the construction will finally be a reality!

The current phase of construction at MLK Park is being performed by Maggiora & Ghilotti, Inc. Work will include:

- Renovation of the field
- Improved drainage utilizing a bio-swale to capture water and allow it to be absorbed into the ground rather than go into the storm drain system
- Improved irrigation
- A walking path around the field
- Adult exercise equipment.

Staff is also working on phases two and three. Phase two will include repairs to the tennis courts and a fully accessible path to the courts. Phase three will focus on the existing basketball court area. Plans are to change the configuration to include a full size basketball court, a small court with lower back boards, and two new Pickleball courts. Bids for these projects are expected to go out this winter, and if the projects can be done within budget, construction will begin in the spring.

The current phase of construction at Dunphy Park, also known as the “base project,” is being performed by Integra Construction Services and will focus on the following general engineering components:

- Demolition of existing park features
- Grading of the site
- Installation of site lighting and underground utilities
- A new parking lot and new walkways
- An improved shoreline access area
- Foundations for the restroom and trash enclosure structures
- Bike racks and removable bollards
- Placement of planting soil
- Installation of partial irrigation
- Hydroseeding

Upon completion of the base project, new restrooms will be built and the site will be landscaped under separate contracts. Although a variety of factors are likely to affect the overall project schedule, the base scope of work is expected to be completed by summer 2019.

As if that was not enough the City is currently out to bid on the Southview Park renovations.

The renovation work is being funded by Certificates of Participation funds approved by residents with the passage of Measure F in 2015. Project plans and timelines may be adjusted to fit cost estimates within a final project budget.

For complete plans and additional information please go to Hot Topics at Sausalito.gov

## NEW! Ballet Classes

Instructor **Jacqueline Low** has ignited the Joy of Dance teaching ballet and creative dance for over 38 years to students aged two through adult. She has taught at many schools in San Francisco and Marin. She has also started a ballet school in Westport Connecticut, taught Transformative Movement Workshops in NYC, Cologne, Rome and Belgium. In 2008, Jacqueline realized her lifelong dream of opening the Joy of Dance Ballet School.

Low's teaching style supports each child's technical growth in ballet while also taking care to preserve the child's own special way of moving. She believes that classical ballet must be taught with discipline, focus, creativity, and FUN to sustain a child's natural "Joy of Dance." It is Jacqueline's passion to support every child to their fullest potential. Using her professional background as a modern/ballet dancer, as well as a choreographer, she has choreographed many creative and beautiful recitals to showcase her children's talents.

### Ballet (3-5 years)

This ballet class gives your young child a wonderful introduction and strong foundation in classical ballet technique with an emphasis on musicality, rhythm, and placement. There is an emphasis on developing core strength through proper alignment and posture. These are all necessary building blocks to ensure a child's safety as the choreography becomes more sophisticated. Through repetition and encouragement, students will build an understanding of the fundamental principles of ballet. The children will learn creative, beautiful, and fun choreography and will be encouraged to reach her or his highest potential. These dance lessons are appropriate for children new to ballet and those with previous ballet experience.

### Streaming Movies and More with Kanopy and Hoopla

The Sausalito Library offers two streaming video services that are free to Sausalito residents. Kanopy ([sausalito.kanopystreaming.com](http://sausalito.kanopystreaming.com)) is a collection of thousands of independent, classic, documentary, and foreign films, including Paramount classics and films from the Criterion Collection of world cinema. Think of it as a free version of Netflix. Hoopla ([www.hoopladigital.com](http://www.hoopladigital.com)) features an eclectic selection of Hollywood and independent movies, as well as comics, e-books, music, and e-audiobooks. Both Kanopy and Hoopla can be accessed with your Sausalito library card via app, the Library website, or the web addresses above. If you have any trouble using Kanopy, Hoopla, or any of the other digital collections offered by the Sausalito Library, please contact City Librarian Abbot Chambers at [achambers@sausalito.gov](mailto:achambers@sausalito.gov) or **415-289-4123**.

### E-Books and E-Audiobooks

The Sausalito Library offers a huge online collection of popular electronic books and e-audiobooks for adults and children through the OverDrive service. If you're not familiar with these resources, please look for the OverDrive button in the Digital Collections area of the Library homepage or download the OverDrive app to your mobile device. A large collection of popular audiobooks is also available on the Hoopla platform (see above). If you need extra assistance, we are available to help you get set up on your smartphone, tablet, laptop, iPad, Kindle, or e-reading device. For more information, please contact City Librarian Abbot Chambers at **415-289-4123** or [achambers@sausalito.gov](mailto:achambers@sausalito.gov).

### New York Times Online

Did you know that you can get free online access to the *New York Times* through the Library? By obtaining a special code from the Library website and creating an account with the *New York Times* using your email address, you can receive a 24-hour unlimited access pass. There is no limit to the number of times you can generate a 24-hour pass. The service will work for smartphones and tablets, as well as laptop and desktop computers. Look for the *New York Times* button in the Digital Collections area of the Library homepage to get started. ### Get a Library Card Without Visiting the Library

Online registration for a full-access library card is available for Marin County residents aged 16 years or older. When you apply online, you'll get immediate access to popular digital services like online tutorials from Lynda.com, movies from Kanopy, and e-books from OverDrive. A valid credit card with a Marin County billing address is required for address verification purposes only. Your credit card will not be charged. To obtain a library card, go to the Sausalito Library webpage and look for "Get a Library Card" under About Us.

### Home Delivery Program

The Sausalito Library offers a home delivery service of library materials using volunteer drivers from Call a Ride for Sausalito Seniors (CARSS). Participation in this program is free and open to residents of Sausalito and the floating home community who are 60 years of age or older, and to younger adults with a disability. If you are interested in having books, movies, or audiobooks delivered to your door, you will need to fill out a short application and sign a liability waiver, in addition to being a library card holder. All CARSS drivers have been vetted by Verified Volunteers. The service is available Monday through Friday, 10am to 2pm. For more information, please contact program coordinator Augie Webb at **415-289-4121** or [awebb@sausalito.gov](mailto:awebb@sausalito.gov).

### High-Speed Internet

The Sausalito Library's free public internet service went from slow to blazing fast in 2017, when the Library connected to CalREN, the California Research and Education Network. The change affects the public computers in the Library and the public Wi-Fi available in the Library and City Hall. At the Library's public internet stations, where download speeds had previously been in the range of 5 to 10 megabits per second (Mbps), users now see speeds topping out at 500 Mbps. The Library's free wireless network (called "library") has also gotten a big speed boost, to over 100 Mbps. Some mobile devices may see slower speeds due to hardware limitations.

### Library Email Newsletters

There's a lot going on at the Sausalito Library! To help local residents stay on top of things, the Library has two email newsletters, one covering all Library programs and services, the other focused entirely on children's services. Visit the Library webpage to sign up for one or both newsletters, or send a "sign me up!" email message to Augie Webb at [awebb@sausalito.gov](mailto:awebb@sausalito.gov). Library e-newsletters are sent out once every two weeks.

### Ancestry

The popular genealogy software tool Ancestry is available for use on the Library's public computers. Ancestry features censuses, vital records, immigration records, family histories, military records, court and legal documents, directories, photos, maps, and more. If you have any questions about Ancestry, please contact the Reference Desk at **415-289-4121** or [reference@sausalito.gov](mailto:reference@sausalito.gov).

### Museum Passes

Discover & Go is an online service you can use to reserve and print free and discount passes to Bay Area museums and cultural institutions like the Asian Art Museum, the Exploratorium, and the California Academy of Sciences. Look for the Discover & Go button in the Digital Collections area of the Library homepage to access the service. Please note that tickets for popular museums may not be available unless booked well in advance. If you have any questions about Discover & Go, please contact the Reference Desk at **415-289-4121** or [reference@sausalito.gov](mailto:reference@sausalito.gov).

### Free Admission Tickets to the de Young Museum and the Legion of Honor

In addition to the Discover & Go online service, the Library offers free general admission tickets to the de Young Museum and the Legion of Honor in San Francisco. Every adult library card holder living in Sausalito is entitled to one ticket per year (each ticket admits two adults). Tickets are purchased through grants from the Friends of the Library and the Sausalito Art Festival Foundation.

### Borrow a California State Parks Vehicle Day Pass

Thanks to a generous gift of the family and friends of Lisa Kimberly Nunn York, the Library has two "Golden Poppy" California State Parks vehicle day passes available to the public. The passes provide free vehicle admission and parking at over one hundred state parks, beaches, and recreation areas, including area parks like Mount Tamalpais, China Camp, and Samuel P. Taylor. To borrow a pass, look for one of the Golden Poppy cases in the central display area of the Sausalito Public Library. Bring the case to the service desk with your library card, and you can check out a storage bag containing the pass and information about California State Parks. Passes circulate for seven days and are not renewable. To ensure that a pass is available and save yourself a trip to the Library, call the Reference Desk at **415-289-4121**. If a pass is available, we can set it aside for you for up to two hours.

### Sausalito News Archive

Thanks to grants from the Sausalito Library Foundation and the Sausalito Historical Society, the Library is able to offer online access to digital archives of The Sausalito News from 1885 to 1966. The archive may be searched and browsed via the California Digital Newspaper Collection, maintained by the University of California, Riverside. You can find the collection on the web at [cdnc.ucr.edu](http://cdnc.ucr.edu), or via the Services section of the Library website.

### Sausalito Marin Scope Digital Archive

The Sausalito Public Library, the Sausalito Library Foundation, and Marinscope Community Newspapers have partnered to provide access to a digital archive of the *Sausalito Marin Scope*, Sausalito's weekly newspaper since 1971. The archive covers forty-four years and over 2,000 issues of the Sausalito Marin Scope and is available free of charge on the public computers of the Sausalito Library. Replacing the Library's old microfilm collection, the digital archive unlocks Sausalito's past by allowing users to search the vast archives by keyword. To access the *Sausalito Marin Scope* digital archive, visit the Sausalito Library anytime during open hours.

### Programs for Adults

The Sausalito Public Library offers a wide variety of free public programs for people of all ages. For the latest program schedule, please call the Library at **415-289-4121**, visit [sausalitolibrary.org](http://sausalitolibrary.org), or sign up for the Library e-newsletter by emailing [awebb@sausalito.gov](mailto:awebb@sausalito.gov).

### Friday Evening Programs

The room inhabited by the Sausalito Library was once the auditorium of Sausalito's old Central School. To recapture its days as a theater space, the Library holds regular after-hours Friday evening programs. For most Friday evening programs, we clear the Library "living room" and new-book display area of furniture, then set up rows of chairs facing our projection screen, which drops down in front of the Children's Room.

### Speaker Series

The Library's speaker series programs typically take place on Thursday evenings in the City Hall Council Chambers. Programs range from author readings to lectures on history or finance. ### Sausalito Library Foundation

The Sausalito Library Foundation provides long-term support for the Sausalito Public Library. Donations and bequests from the community are used to maintain a revenue source to fund capital improvements and major purchases that make a long-term impact on the Library and its users. We work to ensure that our Library remains an essential community resource now and in the future. In light of remarkable shifts in technology and the delivery of information, the Foundation will help the Sausalito Library evolve and adapt so that the Library's physical space meets ever-changing needs.

Our thanks go out to the many individuals and organizations whose generous contributions have helped build our financial resources. The income from and appreciation of these gifts have helped the Foundation Fund grow. With this growth, we're helping to safeguard our Library's future.

For more information about the Library Foundation, please write to 420 Litho Street, Sausalito, 94965. Email messages may be directed to [unexport@earthlink.net](mailto:unexport@earthlink.net).

### How Your Donations Support the Library

**Sausalito Library Foundation:** The Foundation uses donations from individuals, organizations, and businesses to establish a long-term revenue source that supports the Library through special projects.

**FRIENDS OF THE LIBRARY:** The Friends' primary source of income is the Friends Bookstore on the top floor of City Hall. Your book donations and volunteer time help the Friends support Library programs and pay for items on the Library's wish list.

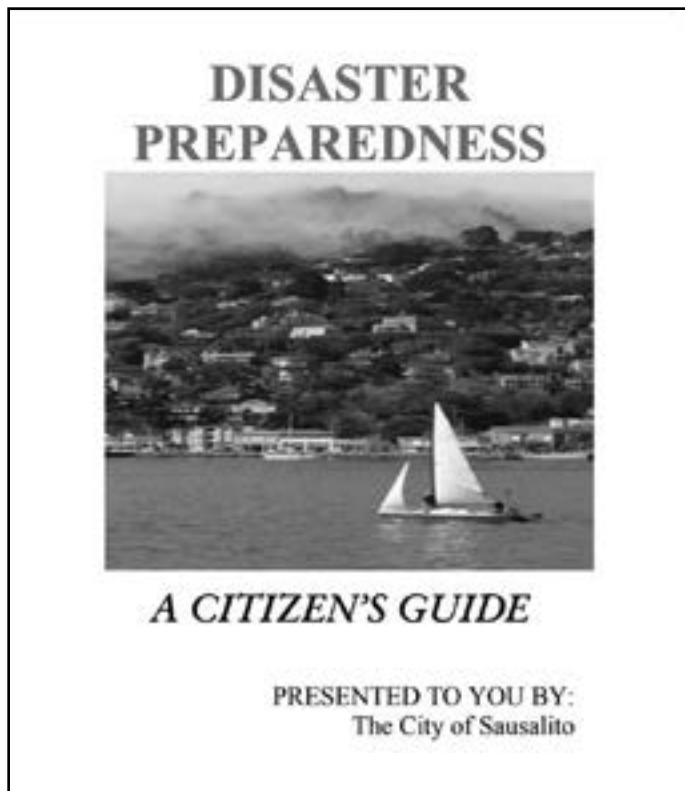

**PLEASE NOTE:** The Foundation and the Friends of the Library are separate organizations, both 501(c)(3) nonprofits, which complement one another and collaborate to meet our Library's needs beyond the capabilities of City funding. Neither the Friends of the Library nor the Sausalito Library Foundation contributions are meant to supplant our publicly funded Library budget.

### Save Money and Reduce Food Waste

Did you know that on average, 25% of the food we bring home is tossed out? That's a lot like throwing cash into the trash. Zero Waste Marin and our partners want to pass along a few tips to help residents reduce the amount of food that goes to waste.

- Practice Smart Shopping—Check your pantry and fridge to see what you already have before going grocery shopping.
- Make a List—Make a grocery list and stick to it! Avoiding impulse buys will help save money.
- Buy What You Need—To keep fresh produce from spoiling, buy only enough to last a week.
- Shop a Local Farmer's Market—Everything will be fresh and seasonal and will be sold virtually package-free so you won't end up with lots of plastic bags and containers that need to be discarded.
- Prep Now, Enjoy Later—Prepare and store food items properly to reduce cooking prep time by half.
- Use Your Freezer—Freeze excess meat, fruit and bread in reusable containers to make them last longer.
- Store Food Correctly—Not all fresh fruits and vegetables should go in the fridge. Apples, berries, grapes and oranges should be refrigerated while bananas, mangos, tomatoes and potatoes belong in a cool place in your kitchen.
- Increase the Life of Your Food—Move food that is likely to spoil soon to a designated "eat now" area in the front of your pantry or fridge.
- Repurpose Food Scraps—Blend overripe fruit into a smoothie, and turn leftover meat and veggie scraps into soup, stew or a frittata.
- Donate Extra Food—Too many leftovers? Learn more about how to manage extra food from local organizations, such as the San Francisco-Marin Food Bank, the Ritter Center or the St. Vincent De Paul Society.
- Compost! All your food scraps that aren't fit for donation should go into your green cart. Bay Cities Refuse Services offers weekly collection of food scraps and yard trimmings for residents and businesses. Learn more about the program at [baycitiesrefuse.com/bcr/compostables](http://baycitiesrefuse.com/bcr/compostables)

Zero Waste Marin works with cities and towns throughout Marin County to educate residents and businesses about reducing the amount of food waste that goes into our local landfills. For more tips to reduce food waste and save money, visit [zerowastemarin.org/foodwasteprevention](http://zerowastemarin.org/foodwasteprevention).

# Age Friendly Sausalito

## Age Friendly Sausalito Receives International Honor

The World Health Organization (WHO) honored Sausalito for its Age Friendly Home Adaptation Building Permit. An award presentation took place in Quebec City, Canada in front of an audience of 100 invited Age Friendly representatives from around the world. Out of 700 Members of the World Health Organization's Global Network of Age Friendly Cities and Communities, just three were honored for their Innovative Programs for Aging in Place, Sausalito was the sole honoree from the American Continents, the other two were a program in Spain, and a program in Portugal. The Age Friendly Sausalito Home Adaptation Permit provides free or reduced cost permits for persons age 60 and older and younger residents with disabilities, who wish to make their homes or apartments more accessible. A very big congratulations is due to Sausalito, and the Age Friendly Volunteers and City Staff who worked diligently on developing the program: Age Friendly Chair Sybil Boutilier and Architect Michael Sheats, and City Building Inspector, Kenneth Henry; Permit Technician, McKenna Ramiro; and former Community Development Director Danny Castro.

*Sausalito Parks and Recreation Director Mike Langford inspects outdoor adult equipment to review possibilities for MLK Park*

### **MLK Park shaping up to be an All-Age Friendly Outdoor Recreation Facility**

In September, Age Friendly Sausalito representatives accompanied Parks and Recreation Director, Mike Langford to Davis, California for a tour of three very different parks to review outdoor exercise equipment from a range of manufacturers to get ideas for the best equipment for an adult/older adult exercise-play area to be installed in Martin Luther King Park on Coloma Street. In addition to renovating the tennis courts, the City is preserving a basketball court, and installing two senior-friendly pickleball courts. An improved walking path is also in the plans along with the regraded play field for adult and youth sports. By creating a special area with adult level exercise apparatus, suitable for seniors, the City is creating a true Intergenerational Outdoor facility which will serve the recreational needs of Sausalito's children, youth, adults, and our oldest residents.

### **Come Take a Hike**

Sausalito Board Member Jackie Kudler has been hiking the trails of GGNRA and Mt. Tam for most of her years of living in Sausalito. In fact, she wrote hiking columns with her sister, Arlene, that appeared in the Pacific Sun and a collection of their hikes, *Walking from Inn to Inn* was published in 1986.

Now in her eighth decade of life, she is looking forward to sharing her love of the outdoors with others interested in joining her for a monthly adventure.

Hiking trips are open to all and will take place on the fourth Tuesday of the month. Check the Sausalito Village event calendar for specifics about each month's trip at [www.sausalitovillage.org](http://www.sausalitovillage.org). These hikes will be moderate in length and difficulty and participants must be experienced hikers. If you have any questions, contact Jackie at [j77prospect@sbcglobal.net](mailto:j77prospect@sbcglobal.net).

## Pedestrian Flag Program

Sausalito Village and Age Friendly Sausalito partnered to create the Pedestrian Flag Program in 2016 targeting three of the most dangerous intersections along our main street. Volunteer monitors construct the bright orange flags that are in buckets at the following crosswalks: Second/Main Streets, Santa Rosa/Bridgeway Streets and Litho/Bridgeway Streets.

The flags are a simple solution to act as an assistive device to help make walkers more noticeable as they cross the street. Of course, it is still important for pedestrians to cross with caution.

Flag monitors volunteer to redistribute flags and replace any that are missing or damaged. If you would like to volunteer for this program, please contact Sausalito Village at **415-332-3325**.

## What's Your End Game? End-of-Life Planning Simplified

It's not just about dying, it's about living fully. And it's not just about you—it's about caring for your loved ones after you're gone. Many people don't realize what's involved when someone passes away. Help make it easier for the people you love most by putting into place the plans you need – from memorial planning, obituary writing, medical and financial arrangements, bucket list completion, and more!

An End of Life seminar will be held March 9, 9:30am–12:30pm, led by the Rev. George McLaird and the Rev. Paul Mowry, Sausalito Presbyterian Church, 120 Bulkley Ave.

This is a nuts-and-bolts seminar, not a religious meeting. (Though we're always happy to handle those questions, too!) The cost is \$15 and includes a copy of Rev. McLaird's book, *I Hear You're Afraid of Dying*—as well as worksheets to complete planning.

## Thursday Coffee Club

Come join CARSS and Sausalito Village members and volunteers every Thursday morning at Taste of Rome (1000 Bridgeway Avenue) from 10:30am–noon. A great opportunity to step out of the house and join in some conversation. Who knows, you may make a new friend or two! Free transportation is available through CARSS, just call **415-944-5474** to reserve your ride. We look forward to seeing you.

## CARSS helps those under age 60, too!

CARSS (Call A Ride for Sausalito Seniors) provides FREE rides to residents of the City of Sausalito and the Floating Homes who are 60 or older, or younger with a disability. The hours of service are Monday through Friday between 10am and 2pm. Rides are provided by vetted and trained volunteers who are residents themselves - neighbors helping neighbors!

This Spring one of the founding volunteer drivers of CARSS, Tricia Smith, fractured her hip in a bike accident and was unable to drive for one month. Just shy of 60 years old, Tricia was able to take advantage of CARSS rides on a temporary basis due to her temporary disability. If you are an adult under the age of 60 unable to drive due to a disability, but able to get in and out of the car without assistance, you can use CARSS too.

If you would like to receive an application to become a CARSS Rider, contact the CARSS Program Coordinator at **415-944-5474** or email at **infocarss4you@gmail.com**. You can also complete and download an application at **www.carss4you.org**.

## CARSS program hits all time high in August! 222 rides provided around town

Thanks to a dedicated group of volunteers and grateful riders, Sausalito has one of the most active free transportation programs for seniors. CARSS (Call A Ride for Sausalito Seniors) is a City of Sausalito age friendly program that is managed by Sausalito Village.

### How does CARSS work?

The idea behind CARSS is simple—neighbor helping neighbor. Many of our residents are no longer able to drive but want to stay connected to our community as they age. Providing a ride door to door can offer needed socialization.

Rides are given to the stores, salons, friends' homes, restaurants—anyplace the riders request as long as it is in the geographical area of Sausalito, the floating homes and Gateway Shopping Center.

Drivers use their own cars to provide the short distance ride—similar to Uber/Lyft but as a volunteer. Rides are provided Monday through Friday between the hours of 10am and 2pm. Volunteers are asked to sign up for one shift per month. Check out the website for more information: **www.carss4you.org** or phone **415-944-5474**.

Members receive 25% discount on monthly trips. Details of trips (cost, sign-up information and times) are available in the Club's monthly newsletter. Eligible members are at least 55 years of age and pay annual membership dues of \$15 at the beginning of each year.

Regular meetings take place on the 1st and 3rd Tuesday of every month. The 1st Tuesday meeting is a business meeting for members to discuss issues and plan upcoming events and activities. The 2nd meeting of the month is a social gathering for activities and birthday celebrations. These bag lunch meetings begin at 11am in the Edgewater Room on the first floor of City Hall, 420 Litho Street, Sausalito.

## Sausalito Sister Cities

Dear Residents/Community,

On behalf of Sausalito Sister Cities, Inc. thus far we have had a banner year. We started in April with a small delegation visit to Sakaide to celebrate the 30th anniversary of our Sister City relationship. We gained support and strengthened our ties with Sakaide. We were fortunate enough to have Mayor Joan Cox accompany us on this special anniversary. We then got our passports stamped in Portugal as we visited the Cascais delegation when our students exchanged our youth sailing component of the Cascais, Portugal Sister City relationship. Again Mayor Joan Cox made herself available to make this delegation visit. Earlier this year, we hosted The Prime Minister of Portugal when dedicating the Pracias de Cascais in front of our bank of America building on Bridgeway. We then welcomed Mayor Hiroshi Aya and the student delegation of Sakaide for another celebration of the 30th anniversary honoring the exchange program. One would think that is enough, but it's never enough. We held our Viña del Mar, Chile delegate visit this October, and proceeds from the Sausalito Wine Experience in September went to our beloved Sausalito Sister Cities, Inc. It's been a fantastic year and we have YOU to thank for the support. All volunteer based, we manage to have three robust exchange programs and I applaud everyone who is involved. If you want to be involved and are not, please call me. Thank you Operations Councils and all members for your work and passion are why we receive awards.

Susan Roe  
President, Sausalito Sister Cities, Inc.

## SAKAIDE, JAPAN

This year, 13 Japanese students from the city of Sakaide on the island of Shikoku, Japan, arrived in Sausalito. They engaged in 10 days of cultural exchange activities that would change their lives forever, (or so the students told us through the tears streaming down their faces on the 10th day). It seems that our mission to positively impact the lives of these students was a success.

This year marks the 30th Anniversary of Sausalito's Sister City program with Sakaide, Japan. To celebrate the occasion, the Bay Model generously hosted a "country and western" party for the delegates where they got to eat American style BBQ, wear cowboy hats, and line dance with a real line-dancing caller. Sausalito Mayor Joan Cox deputized Sakaide Mayor Hiroshi Aya as Sausalito's newest Sheriff in town. Mayor Cox in turn was bestowed a samurai helmet from Mayor Aya. Mayor Aya celebrated his newly appointed position by riding a horse in full cowboy regalia; authentic Stetson cowboy hat and all.

Many of the Marin students from last year's delegation to Japan volunteered to lend a hand, meet their Japanese counterparts, and used the occasion as an unofficial annual reunion. Teenagers volunteering to set up and tear down a party for 200 people? Who has ever heard of such a thing! To us in the Sausalito Sister City Program, it's a sign that our efforts to mold these young people into bright, mature, worldly young adults are working.

During our farewell party for the Japanese students, generously hosted by The Spinnaker, each visiting Japanese student took time to share how grateful they were for their life-changing experiences here in Sausalito to an audience of host families, volunteers, and supporters. Many students promised to return one day and all agreed that Sausalito will always hold a special place in their hearts. Suffice it to say tears were shed that night. We couldn't have done it without our wonderful host families, volunteers, private supporters, and Sausalito City Council members.

Next Summer, we will return to Sakaide with a fresh group of curious young minds. If you are a bright, respectful, and curious high school student, perhaps you'll find yourself among us. To find out more about getting involved, please visit our website: [SausalitoSisterCities.org](http://SausalitoSisterCities.org).

## CASCAIS, PORTUGAL

The Cascais Sister City Council has been VERY busy this past summer!

Praca de Cascais Dedication Ceremony with Portuguese Prime Minister  
On June 13th, we welcomed the Prime Minister of Portugal, Antonio Costas to Sausalito with his entourage of 20 dignitaries from Portugal, including the Portuguese Secretary of State, the Portuguese Ambassador to the United States, and the Vice Mayor of Cascais, Miguel Luz, as well as 10 international journalists.

Following a reception for our special guests hosted by the Sausalito Yacht Club (sponsors of the Cascias Youth Sailing Exchange program), our Portuguese guests joined Sausalito City officials for a dedication ceremony at the new Praca de Cascais plaza. A tribute to the City's Sister City relationship with Cascais, Portugal, the new plaza in front of the Bank of America building on Bridgeway features a traditional Portuguese Calçada mosaic of a compass rose—a tribute to the two Sister City's nautical heritage. The Calçada stones and the artisans who flew from Portugal to create the decorative pavement design were gifts from the City of Cascais.

The visiting dignitaries were joined by the Portuguese Consul General in San Francisco, Maria Joao Lopes Cardoso, as well as Marin County Supervisor Kate Sears, the entire Sausalito City Council and Sausalito Mayor Joan Cox, and local civic and business leaders. Poggio Trattoria hosted a VIP luncheon in the Casa Madrona's Mansion after the dedication ceremony. The dedication ceremony garnered front page headlines in local newspapers as well as international television coverage.

The Praca de Cascais Calçada project has been privately funded with generous in-kind support from the City of Sausalito and others. The final stage of fundraising for this project is currently underway to underwrite the landscape design which was recently approved by the Sausalito Planning Commission. Donors who contribute to the plaza funding campaign will be recognized on several brass plaques that will be permanently installed in the plaza. As this edition goes to press, an early November ceremony is being planned to celebrate completion of the landscaping and installation of the signage and recognition plaques.

If you or your business are interested in contributing, please contact Cheryl Popp [cheryl@poppinc.com](mailto:cheryl@poppinc.com) or Jim Meyer [j3meyer@pacbell.net](mailto:j3meyer@pacbell.net)

Sausalito sailors celebrate their victory!

### 4th Annual Youth Sailing Exchange in Cascais

From June 30-July 9, our youth sailing ambassadors (aged 11-13) from the Sausalito Yacht Club traveled to Cascais, Portugal to train and compete with their counterparts at Clube Naval de Cascais (CNC). Once again, they were hosted by local families and enjoyed a full week of sailing, touring and cultural immersion. Coincidentally, the world class Extreme Sailboat races were being hosted by CNC that same week, so the youth were treated to some very high-performance sailing experiences with professional sailors. We are proud to report that our young sailors captured the coveted YSE sailing trophy this year!

The youth sailors were joined by an adult delegation from Sausalito later in the week, who cheered them on and had their own program of cultural immersion, touring and site seeing! Both programs have been highly lauded and will be continued and expanded. In 2019, we will be hosting a contingent of youth sailors from CNC and possibly a Culinary & Wine tour of Portugal for adults.

Thanks for everyone who supported our Food Booth at Jazz & Blues by the Bay in late August! The sun shone, the beer was cold, and the Portuguese sausage sandwiches were a hit! It was a benefit for our youth sailing exchange and our youth sailing parents pitched in and made it all happen!

Cascais dedication ceremony

## VINA DEL MAR, CHILE

### October 2018 Delegation to Vina Del Mar Chile

This October 21-28, fourteen Sausalito and Marin County business leaders traveled to Viña Del Mar (VDM), Chile for the 7th exchange of our Women in Business mentoring program for the Asociación Gremial de Empresarias y Profesionales, Association of Businesswomen and Professional of the Valparaiso Region (AGEP) ([www.agepv.cl](http://www.agepv.cl)).

Vina Del Mar was Sausalito's first sister city, established in 1964. During Chile's tumultuous political times, our involvement with VDM was temporarily halted at the request of the U.S. State Department to protest human rights treatments in that country. In 2011, a small group of SSCI representatives, led by then Mayor Herb Weiner visited VDM and their Mayor Virginia Reginato to re-ignite the sister city relationship.

Topics included preparing yourself for difficult conversations and presenting yourself professionally, manufacturing operations and marketing, retail ownership, risks and rewards, online marketing alternatives, defining your value proposition, and meeting customer needs. In addition, eleven AGEP business owners were interviewed and mentored on their business operations as part of our on-going hands-on involvement in assisting their efforts to grow and successfully operate their enterprise.

Meetings with Mayor Virginia Reginato of Vina del Mar and Mayor Jorge Sharp Fajardo of Valparaiso, along with other regional government executives furthered our Sister City relationship. Additional meetings with tourism executives in both the city of Vina Del Mar and the adjacent region of Valparaiso were conducted with the focus on planning a 2020 Citizens tour to Santiago and the Vina Del Mar/ Valparaiso regions.

The Women of AGEP applied for and received federal and local government funding to establish the First Congress of Latin American Business Women, with attendance of more than 200 women from Peru, Dominican Republic, Chile, Argentina, Bolivia, Brazil and other regions of the Latin/South American areas. The purpose of the Congress was to provide a platform of collaboration and best practice sharing for business women engaged in owning and operating a small business in their country. AGEP is coordinating with the U.S. National Organization of Women Business Owners (NAWBO) and plans to participate in the 2019 Global Women's event in Peru.

For more details on our trip and to become a part of the Vina Del Mar program, please contact Monica Finnegan at [mfinnegan@urbanrealestateadvisors.com](mailto:mfinnegan@urbanrealestateadvisors.com).

The AGEP women will be traveling to Sausalito in 2019 and we will be planning another week of education and introduction to our Sausalito and Marin County business community. We hope you will share in meeting these women and enhancing their experience in our city.

## The Sausalito Historical Society

We are a group of friends, neighbors, colleagues, local merchants, scholars, writers, artists, historians, history buffs and enthusiasts who've been keeping Sausalito's past alive since 1975. The SHS is an entirely volunteer 501(c)(3) non-profit organization that collects and preserves art, artifacts, photographs and printed materials that document Sausalito's history. We provide access to the collection for public and academic research and develop publications and outreach programs to inspire local interest in Sausalito's history. As a result, we are able to educate the visiting public and enrich the community. Annual membership dues, donations, and funds raised are used for new acquisitions, maintenance of the collection and public outreach through exhibits and publications. Find out how to get involved by visiting our website at [SausalitoHistoricalSociety.com](http://SausalitoHistoricalSociety.com)

### WINTER EXHIBITS

Take a trip to *The Sausalito That Never Was* in the Exhibit Room on the top floor of City Hall. Explore Sausalito's greatest failures-to-launch, including William Hearst's mansion, the Marincello development (a proposed 30,000-person community in the Marin Headlands), and other visions of Sausalito's future. View the exhibit Wednesday and Saturday from 10am to 1pm, and on selected evenings. Check our website for more information.

From November to January, visit the Bay Model for a look at Sausalito Renaissance, a midcentury moment in time when Sausalito played a vital role in the artistic awakening taking place on the West Coast. The show will feature works from Sausalito artists who helped define the moment, as well as information on the artists, poets, and dreamers who made Sausalito a destination for artists and art lovers alike. Join us for a small reception on December 1st from 3-5 pm, and experience the scene at our beatnik coffee shop (date and location to be announced – visit website for details).

There is also a gift area featuring works of art by local artists and a selection of gift items relating to Sausalito and its history. The Ice House is open from 11:30am-4pm on Tuesday through Sunday, and is located at 780 Bridgeway (across from Casa Madrona). **415-332-0505**

Visit the Historical Society's Exhibit Room and the Phil Frank History and Research Room on the top floor of City Hall. A team of dedicated Docents are available to assist and guide you. Check out exhibits such as 'The Sausalito that Never Was,' (see above for details), or utilize our Archives to explore your home's history, the Marinship during WWII, and other moments in Sausalito's history. The Exhibit and Research Rooms are open from 10am-1pm on Wednesdays and Saturdays, and are located at 420 Litho Street. (The entrance is on the right side of the City Hall parking lot). **415-289-4117**

Step back to a dramatic time in Sausalito history by touring the Historic World War II Marinship Exhibit at the Bay Model. This display of photographs, paintings and actual artifacts from the WWII ships and yard was developed by the staff of the U.S. Army Corps of Engineers and the SHS. The Marinship Exhibit is open from 9am-4pm on Tuesday through Saturday and is located in the Bay Model Visitors Center at 2100 Bridgeway. **415-332-3871**

### THE ICE HOUSE PLAZA

Work has begun on the Ice House Plaza project, but it's not too late to get involved! Funded entirely with donations from the Sausalito community, the plaza will create a new and inviting outdoor space along Bridgeway, and serve as an outdoor classroom for SHS's local history curricula for Sausalito-Marin City School District students and others interested in learning more about Sausalito's rich history.

The plaza was the brainchild of beloved historian and cartoonist Phil Frank and is the product of overwhelming support from the donors and volunteers who have worked to bring this vision to life. Tax-deductible donations can be made through the Sausalito Historical Society website.

### HISTORICAL SOCIETY ANNUAL GALA

The Sausalito Historical Society will hold its annual gala in Sausalito this winter. Visit our website for more details, or become a member to receive a mailed invitation.

# Sausalito/ Marin City Schools

## PANTHER PRIDE AT BAYSIDE-MARTIN LUTHER KING JR. ACADEMY

At Bayside MLK, the focus for the school year is on culture and climate and enhanced instruction. School climate speaks to creating positive relationships and engagement throughout the school campus and beyond. Bayside MLK students are demonstrating PRIDE - Pride, Respect, Integrity, Determination and Excellence! Throughout campus, large yellow and black posters reinforce the message of pride in all things.

### Community School Development

Bayside MLK is a Community School. Community Schools are defined by their communities and are uniquely designed to serve their communities. The District's Local Control and Accountability Plan lists Community School as one of its four goals at Bayside MLK. The Community Advisory Committee is charged with furthering the development of the Community School. In the coming months, the Community School development process will provide greater alignment between our community partners and our individual learning plans for students. The learning plans will be designed to encompass everything from academics and cultural relevancy to social and emotional supports for students and families.

### Added Focus on Culture and Climate

Through Prevention and Early Intervention funding provided by the County of Marin, the district is collaborating with Seneca Family of Agencies. Through this partnership the school has received additional staff who provide support for students, staff and families by creating a shared vision for school climate and cultural proficiency. Through this partnership, the school is creating comprehensive positive behavior intervention and support that provides clear and consistent expectations for conduct and behavior. These systems of support are designed to enable our students to build upon a strong sense pride in themselves, their school, their culture and their community.

### Added Focus on Support for Families

Through Prevention and Early Intervention funding provided by the County of Marin, the school district is collaborating with Performing Stars/Phoenix Project. Through this partnership, the school has received additional staff support that brings community collaboration into the school to develop a shared vision for services that includes cultural competence to effectively serve our students and families by building capacity of caregivers, administrators and teachers to respond to the social-emotional needs of their students through trainings, participation in coordination of services and linkage to resources.

### Added Focus on Instruction

The Marin Community Foundation is funding, through a countywide initiative, a grant designed to address the achievement and opportunity gap and ensure a successful pathway to college and other postsecondary opportunities. Key elements of the P3 Initiative include: shared vision, climate/cultural proficiency, high quality teaching and learning, instructional

alignment, family engagement, and extended learning opportunities. Through the P3 grant, Bayside MLK is receiving an instructional coach to increase high quality teaching and learning and instructional alignment. Our commitment is to enhance student engagement and improve student learning across the board through evidence-based instructional strategies and data-driven instruction.

### School Library Enhancements

Through a partnership with the Marin County Library through the Marin City Library, the school's library has received a fresh new look with culturally relevant library books and materials.

### Visual and Performing Arts Education

In June, the Sausalito Marin City School Board approved a Strategic Arts Education Five Year Plan for BMLK students. The Arts Education Plan was developed through a collaboration with the Center for Excellence, a non-profit organization dedicated to serving the students of Bayside MLK through the arts. The Strategic Arts Education Five Year Plan aligns with the district's Local Control and Accountability Plan by laying out goals, strategies, and budgetary targets for providing BMLK students with arts education and tools intended to also spark excellence in the other core academic areas and, ultimately, instill a passion that will motivate students through high school and beyond. For the 2018-19 school year, music and visual arts are maintained at the same level of financial support as the previous year while the first year of the restoration plan is slated for the 2019-20 school year.

## OUR COMMUNITY'S PUBLIC SCHOOLS COLLABORATE!

### Bayside-Martin Luther King Jr. Academy and Willow Creek Academy

Recognizing that schools are strengthened when they work together to share best practices, Bayside-Martin Luther King Jr. and Willow Creek Academies are seeking ways to collaborate. Over the summer, a small group of school leaders met, for what will become regular meetings, to share and learn how we can better meet the needs of our respective student populations, recognizing the need to place particular focus on our students with the highest needs.

Through these initial collaborations, our schools set the framework to work together, including an agreement to establish a baseline of our respective student data - who are our kids and what their needs are; what the respective baseline for school operations is, and lastly, we're examining the respective schools' priorities.

As an extension to the work of this small group, the school Principals are committed to working together towards collaborating on the successes and challenges of each school in an effort to strengthen each school's outcomes. To date, our schools are sharing restorative justice practices and teacher collaborations around shared professional development opportunities.

Finally, we agreed to provide updates on our work together to our respective school communities. The schools view the joint meetings as one of many important steps to making public education in Sausalito and Marin City the best it can be for the years to come. Both schools appreciate the support of their respective and collective communities.

### SCHOOL DISTRICT CONSOLIDATION FEASIBILITY STUDY

Over the past eighteen months, the Marin County Office of Education convened a committee with representatives from the Sausalito Marin City School District, the Mill Valley School District, the Marin County Office of Education and the Willow Creek Academy Charter School. The Committee met to discuss and review preliminary data related to a consolidation feasibility study between the Mill Valley School District and the Sausalito Marin City School District. The preliminary findings were presented at the respective meetings of the school boards of both districts and the county office of education during the month of September. The recommendation by the consulting firm who conducted the study, was for the districts and charter school to pursue opportunities for collaboration and to revisit the feasibility of a merger between the districts if collaborations are effective.

## Willow Creek Academy

Willow Creek Academy, Sausalito's Public Charter School, is committed to changing the way our students learn and to providing them with enriched learning experiences. Willow Creek's Summer Academy, Primary Intervention Program, and After School Tutoring Program are just some of the ways that Willow Creek is working to close the opportunity and achievement gaps. Our Summer Academy is a summer intervention program for incoming first and second grade students. It is held on our campus two weeks before the school year begins and is run entirely by the Willow Creek team. The Summer Academy program came about because our lower elementary teachers were noticing some students struggling with what is known to teachers as the "summer slide," a tendency for students to forget academic skills over the summer. In the Summer Academy, students develop their skills in a small class environment and practice class routines before the school year begins. This gives students the jumpstart they need to enter the new school year successfully. Our team chose to focus this intervention on students in the lower grades because research shows that providing early intervention in the primary years is especially impactful. Our team just completed our second year of the program, and we are seeing huge growth in our students: 100% of students who attended showed growth on their assessments!

The Summer Academy program works hand in hand with our Primary Intervention program, which provides specially designed, small group instruction during the school year. Ms. Aracely Gonzales, Willow Creek's Primary Intervention Specialist, works with strategically selected students across all our kindergarten, first grade, and second grade classrooms. Each day, Ms. Gonzales provides small-group instruction to students in need of assistance, usually based on teacher suggestion, to provide them with additional learning opportunities. Students are moved in and out of the program based on their needs, with the ultimate goal being that all students enter third grade at grade level. Our classroom teachers report that Primary Intervention students show strong growth in their academic confidence and academic skills.

The Willow Creek After School Tutoring Program also provides extended learning opportunities for our students. Our middle school students are encouraged to take on a tutoring internship, overseen by a credentialed teacher, where they provide academic support to younger students. This opportunity allows our middle school students to practice leadership skills while providing one-on-one support for students in the lower grades.

We are always seeking passionate and committed volunteers who are invested in our students' academic success! In particular, we would love to welcome new volunteers to help with reading and homework Monday through Thursday from 4pm to 5pm. If you are interested in volunteering, please reach out to Emily Darawish at [edarawish@willowcreekacademy.org](mailto:edarawish@willowcreekacademy.org). Thank you—as always—for supporting Sausalito's public charter school!

## National Park Service

ENJOY Marin's neighboring national parks!

The Marin Headlands is stunning in the fall and winter, with cooler days, less fog and seasonal drama! And of course, numerous hiking trails await!

Trails and beaches are open every day, although with winter weather there may be closures so check the park website for alerts ([www.nps.gov/goga](http://www.nps.gov/goga)) and please plan ahead for a great visit! Dress for the weather, and have a map handy. During major holidays the Marin Headlands visitor center is closed Thanksgiving and Christmas. Park historic sites trails are wonderful places to bring out-of-town guests. If you're heading to Muir Woods, check out the new reservation system at [GoMuirWoods.com](http://GoMuirWoods.com). It's easy to use, provides reserved parking and the redwoods are a winter wonderland of green!

Our park partners offer special programs and facilities to warm up. Visit the Marine Mammal Center or the Spa at the Lodge at Cavallo Point. Take the little ones to the Bay Area Discovery Museum or check out special art programs at the Headlands Center for the Arts (Patty Chang is the new artist up on the WALL SPACE), or try 'healthy park-healthy people' offerings at the YMCA-Point Bonita.

Views abound to watch storm clouds, high surf and whales migrate! This season the tides will be low around the Solstice for tidepooling and beachcombing. Maybe this is the time to visit the historic Nike Missile Site (open on Saturdays) or Battery Townsley (open-house is the first Sunday of each month), or the breathtaking Point Bonita lighthouse (on weekend afternoons). Make a New Year's resolution to volunteer...give tours, weed, work in the native plant nursery, join a trail crew, or be a 'hawkwatcher.' Join a great group to be a part of this great park in a unique way.

This is THE time for locals to enjoy neighboring parklands...Hope to welcome you soon!

## A Sausalito Tradition: 12th Annual Gingerbread House Tour

The ovens are warming, the gumdrops are in place and the icing has been spread! The 12th Annual Sausalito Gingerbread House Tour and Competition will be in full swing for the month of December.

The Tour has become a true family holiday tradition. From the very young to the very young at heart, the reaction to this magical experience is the same—one of wonder, awe and delight.

Merchants and businesses all over town are participating again this year, with houses on display every day during the month of December. You'll find houses downtown along Bridgeway, on Caledonia Street, in "Old Town" and at the north end of town. Most of them can be viewed on foot in one afternoon.

In fact, not all of these confectionary delights are strictly "houses". There are no rules for the friendly competition, and participants are encouraged to let their creativity flow. Categories include:

- Most Traditional Award, honoring the gingerbread house with the most commitment to building in the classic holiday style.
- Best Teamwork Award: businesses or groups can work together.
- Most Creative Award: Thinking outside the box.
- Best Sausalito Theme, for the creation which is the most representative of the Sausalito setting and culture.
- Mayor's Choice Award
- Special Award: Issued by a "Secret Judge"

Just imagine what you'll be seeing this year! Each participant will be given a "special little something" to work into their design. Wonder what it will be? Hosted by the Sausalito Chamber of Commerce, the Gingerbread House Tour and Competition makes for a fun family outing, a diversion while holiday shopping, or an excuse to get together for lunch in one of Sausalito's fantastic restaurants. There is no charge to visit the houses and metered street parking is FREE the entire month of December.

Maps of the tour will be available at participating merchants, at the Kiosk at the Ferry Landing, or by downloading at [www.sausalito.org](http://www.sausalito.org). To view photos, visit us on Facebook (Sausalito Gingerbread House Tour).
