Ballet Classes

Instructor **Jacqueline Low** has ignited the Joy of Dance teaching ballet and creative dance for over 38 years to students aged two through adult. She has taught at many schools in San Francisco and Marin. She has also started a ballet school in Westport Connecticut, taught Transformative Movement Workshops in NYC, Cologne, Rome and Belgium. In 2008, Jacqueline realized her lifelong dream of opening the Joy of Dance Ballet School.

Low's teaching style supports each child's technical growth in ballet while also taking care to preserve the child's own special way of moving. She believes that classical ballet must be taught with discipline, focus, creativity, and FUN to sustain a child's natural "Joy of Dance." It is Jacqueline's passion to support every child to their fullest potential. Using her professional background as a modern/ ballet dancer, as well as a choreographer, she has choreographed many creative and beautiful recitals to showcase her children's talents.

Home Delivery Program

The Sausalito Library offers a home delivery service of library materials using volunteer drivers from Call a Ride for Sausalito Seniors (CARSS). Participation in this program is free and open to residents of Sausalito and the floating home community who are 60 years of age or older, and to younger adults with a disability. If you are interested in having books, movies, or audiobooks delivered to your door, you will need to fill out a short application and sign a liability waiver, in addition to being a library card holder. All CARSS drivers have been vetted by Verified Volunteers. The service is available Monday through Friday, 10am to 2pm. For more information, please contact program coordinator Augie Webb at **415-289-4121** or awebb@sausalito.gov.

High-Speed Internet

The Sausalito Library's free public internet service went from slow to blazing fast in 2017, when the Library connected to CalREN, the California Research and Education Network. The change affects the public computers in the Library and the public Wi-Fi available in the Library and City Hall. At the Library's public internet stations, where download speeds had previously been in the range of 5 to 10 megabits per second (Mbps), users now see speeds topping out at 500 Mbps. The Library's free wireless network (called "library") has also gotten a big speed boost, to over 100 Mbps. Some mobile devices may see slower speeds due to hardware limitations.

Library Email Newsletters

There's a lot going on at the Sausalito Library! To help local residents stay on top of things, the Library has two email newsletters, one covering all Library programs and services, the other focused entirely on children's services. Visit the Library webpage to sign up for one or both newsletters, or send a "sign me up!" email message to Augie Webb at awebb@sausalito.gov. Library e-newsletters are sent out once every two weeks.

Ancestry

The popular genealogy software tool Ancestry is available for use on the Library's public computers. Ancestry features censuses, vital records, immigration records, family histories, military records, court and legal documents, directories, photos, maps, and more. If you have any questions about Ancestry, please contact the Reference Desk at **415-289-4121** or reference@sausalito.gov.

Museum Passes

Discover & Go is an online service you can use to reserve and print free and discount passes to Bay Area museums and cultural institutions like the Asian Art Museum, the Exploratorium, and the California Academy of Sciences. Look for the Discover & Go button in the Digital Collections area of the Library homepage to access the service. Please note that tickets for popular museums may not be available unless booked well in advance. If you have any questions about Discover & Go, please contact the Reference Desk at **415-289-4121** or reference@sausalito.gov.

Free Admission Tickets to the de Young Museum and the Legion of Honor

In addition to the Discover & Go online service, the Library offers free general admission tickets to the de Young Museum and the Legion of Honor in San Francisco. Every adult library card holder living in Sausalito is entitled to one ticket per year (each ticket admits two adults). Tickets are purchased through grants from the Friends of the Library and the Sausalito Art Festival Foundation.

Borrow a California State Parks Vehicle Day Pass

Thanks to a generous gift of the family and friends of Lisa Kimberly Nunn York, the Library has two "Golden Poppy" California State Parks vehicle day passes available to the public. The passes provide free vehicle admission and parking at over one hundred state parks, beaches, and recreation areas, including area parks like Mount Tamalpais, China Camp, and Samuel P. Taylor. To borrow a pass, look for one of the Golden Poppy cases in the central display area of the Sausalito Public Library. Bring the case to the service desk with your library card, and you can check out a storage bag containing the pass and information about California State Parks. Passes circulate for seven days and are not renewable. To ensure that a pass is available and save yourself a trip to the Library, call the Reference Desk at **415-289-4121**. If a pass is available, we can set it aside for you for up to two hours.

Sausalito News Archive

Thanks to grants from the Sausalito Library Foundation and the Sausalito Historical Society, the Library is able to offer online access to digital archives of *The Sausalito News* from 1885 to 1966. The archive may be searched and browsed via the California Digital Newspaper Collection, maintained by the University of California, Riverside. You can find the collection on the web at cdnc.ucr.edu, or via the Services section of the Library website.

Sausalito Marin Scope Digital Archive

The Sausalito Public Library, the Sausalito Library Foundation, and Marinscope Community Newspapers have partnered to provide access to a digital archive of the *Sausalito Marin Scope*, Sausalito's weekly newspaper

since 1971. The archive covers forty-five years and over 2,000 issues of the *Sausalito Marin Scope* and is available free of charge on the public computers of the Sausalito Library. To access the *Sausalito Marin Scope* digital archive, visit the Sausalito Library anytime during open hours.

Speaker Series

The Library's speaker series programs typically take place on Thursday evenings in the City Hall Council Chambers. Programs range from author readings to lectures on history or finance. If you or someone you know would be interested in presenting a speaker series event at the Library, please contact Abbot Chambers at achambers@sausalito.gov or **415-289-4123**.

#OptUP To Deep Green 100% Renewable Energy

The City of Sausalito has been part of California's renewable energy movement by opting up to MCE's Deep Green 100% renewable energy service. Over 82% of Sausalito's residents and businesses are MCE customers. That's amazing because MCE customers get 60% renewable energy compared to PG&E's 33%. But did you know that we can opt up to 100% renewable energy?! Of those MCE customers, less than 5% have opted up to Deep Green for 100% renewable energy service. Have you opted up?

Whether you're a resident or a business owner, you have the power to change the amount of renewable energy that is put on the grid. With Deep Green, all of the power you buy for your home or business comes from 100% non-polluting, Green-e Energy certified, wind and solar power produced in the State of California.

MCE's Deep Green 100% California renewable energy service charges a penny per kilowatt-hour premium for pollution-free wind and solar power produced in the State of California. For average residential customers, Deep Green is only \$2 more per month than PG&E's 33% renewable service.

Additionally half of the Deep Green premium goes toward the Deep Green Renewable Development Fund, which helps to fund the build out of local renewable energy projects. Not only are you purchasing renewable energy, you're helping to get local renewable projects onto the grid like MCE Solar One, which is 10.5 megawatt (MW) solar project built by a local workforce on a remediate brownfield site in Richmond, California.

Opting up to Deep Green 100% renewable, pollution-free energy service is a quick and easy way to eliminate your home's electricity-related greenhouse gas emissions. Deep Green can also help businesses attain LEED, Climate Registry, and Bay Area Green Business certification.

For those who don't know, MCE is California's first Community Choice Aggregation Program, a not-for-profit, public agency that began service in 2010 with the goals of providing cleaner power at stable rates to its customers, reducing greenhouse emissions, and investing in targeted energy programs that support communities' energy needs.

#optUP to Deep Green today by visiting mcecleanenergy.org/100-renewable or calling 888-632-3674.

Sausalito Police Department

HAVE A SAFE SUMMER

The summer months are here which means travelers from near and abroad are frequently visiting the Bay Area and specifically our vacation destination known as Sausalito. The police department has received an increase in reported car burglaries from victims that parked in our Municipal parking lots downtown. This recent rash of car burglaries is not isolated to Sausalito. Many neighboring law enforcement agencies are experiencing similar problems at locations that are frequently visited by large numbers of tourists. Similar crimes have been reported at the Larkspur Ferry Landing, Vista Points (north and south side of the Golden Gate Bridge), and public parks and parking areas along the Marin Headlands.

In general, the crimes are occurring during daylight hours, on any day of the week or weekend, and the criminal(s) modus operandi is to smash a window on the vehicle to access visible bags/backpacks inside the passenger compartment. The person(s) responsible for many of the car burglaries is mainly interested in locating electronic devices such as laptops, iPads and digital cameras. But, as in any crime of opportunity, the criminals will steal anything of value.

The police department would like to remind residents and visitors alike to take the necessary precautions to secure personal property such as electronic devices and/or luggage when traveling. More specifically, if you or someone you know is planning to visit typical tourist sites and park in public parking lots, please stow your belongings in the trunk of your vehicle or somewhere out of sight. Some helpful reminders are:

- **Travel light.** If you don't need it, leave it at home or in your hotel room.
- Keep your wallets, purses and personal identification items (passports, etc.) with you at all times.
- **If you pack a bag, carry it with you and don't leave it in the car.** If you have to leave it, make sure it is secured in the trunk or out of sight.
- **Be aware of your surroundings.** If something or someone looks out of place or suspicious, contact the local law enforcement agency for assistance. Vigilant citizens are so important in catching criminals like these. If your instincts are sensing something is wrong, it probably is, so please make that phone call. In the City of Sausalito, for non-emergency public safety assistance, the phone number is **415-289-4170**. For emergencies dial 911.

Traveling to new and exciting places enriches our lives and helps give us perspective. Traveling can also be a chore and to do it safely means to plan ahead and be prepared. Please take the extra time to secure personal property so you can have the peace of mind to thoroughly enjoy your vacation experience. Don't let a smashed window and stolen property ruin a great vacation!

*Thank you,
Steve Veveiros, Sergeant
Sausalito Police Department*

What's New?

CARSS CELEBRATES FOUR YEARS!

CARSS (Call A Ride for Sausalito Seniors) is happy to report that May 2019 marks the 4th anniversary of this very successful City of Sausalito Age Friendly program! Each month an average of 170 door to door rides are provided to Sausalito seniors to keep them engaged in our wonderful community. Rides happen during the hours that allow for lunch with friends, a cup of coffee at a local cafe, a trip to the hair or nail salon or a walk along the waterfront.

There are several important ingredients to the success of this program that include first and foremost the VOLUNTEERS!

CARSS Volunteer Drivers are undeniably the best. We have retired attorneys, school administrators, accountants, and more—all with one common goal to make a difference in someone's life. Most of our drivers have been with CARSS since day one, they are an incredibly dedicated group. All of our drivers volunteer to drive a minimum of one shift for CARSS per month, although many drive more. The miles of smiles of our riders is priceless.

If you would like to join the CARSS team of volunteer drivers, contact the Program Manager at **415-944-5474** or email infocarss4you@gmail.com.

CARSS4YOU.org

Driving for CARSS is fun and easy. I get to drive around beautiful Sausalito for a few hours a couple of times a month. I get to pick up and drop off folks who call for a ride, so that they can go do some errands. Fun!!! I'm really grateful to CARSS for giving me the opportunity to make a simple contribution to some wonderful residents of our town.

they were newly adopted members of families from across Marin county. By the end of their short 10 day stay, they were clinging to their host parents and crying, not ready to say goodbye so soon. This program has touched the hearts and minds of dozens and dozens of students over its 31 year history.

None of this would be possible without the dedicated efforts of our passionate volunteers, supporters, and benefactors in Sausalito and Marin county. Some of us have gone through the program ourselves and know how important and life changing it can be for young minds, others have been host-parents and have witnessed its effects vicariously through their host-children, and others have been generous supporters and donors because they believe in the Sister Cities mission and vision of peace through understanding, friendship across cultures, and wisdom through experience.

We believe opening these young minds to the beauty of cultural awareness is the key to a future world full of peace, prosperity, and understanding. Being exposed to people whose lives are so different to our own, yet so familiar, too, helps these students go forth in the world with a deep understanding of the universal humanity shared by all people on Earth. It helps to think of our program like a small-batch vaccine against intolerance. It's hard to dehumanize people when you've spent time with them and understood that their lives are just as rich and meaningful as ours at home.

We have chosen 12 delegates from across Marin county to represent us in Sakaide and we hope they will make us all proud. We are a 100% volunteer driven non-profit, if you'd like to support our mission or get involved yourself, please visit our website for more information: SausalitoSisterCities.org

SAKAIDE, JAPAN

Summer is finally here, which means Sausalito Sister Cities is gearing up to send another delegation of Marin's finest student-ambassadors to Sakaide, Japan where they will represent all of us in our 31 year old official international friendship. We are beyond excited to see what our young delegates will do with this world class cultural experience. In past years, students have participated in workshops focusing on traditional, sophisticated Japanese art forms like ikebana (flower arranging) and tea ceremony as well as hands-on martial arts like Judo in the Sakaide City Police Dojo. In addition, the students meet local politicians, business figures, and artists as well as tour local industries and culturally significant landmarks like Sakaide's salt fields, temples, and nearby castles. Each of their 10 days in Japan is packed with activities that will leave them exhausted, yet satisfied enlightened when they arrive home to their Japanese homestay families. Of course, the learning does not stop at the end of their days as living with their host families provides a window into Japanese family life that would otherwise be impossible to experience for an outsider.

Traditionally, the student program ends with Sakaide's annual "Taikodai" summer drum-tower festival, where traditional taiko drums are raised into the air inside ornately decorated towers carried on the shoulders of 150 men, preceded by thousands of local dancers and revelers. This is a sight only seen in Sausalito's Sister City of Sakaide, Japan.

Last year, 14 Japanese student delegates from Sakaide visited us in Sausalito, where they participated in morning English lessons, American-style dance classes, pizza making, American fashion workshops, nature walks, a San Francisco Giants game, and much more. They lived as though

Praca de Cascais Plaza

CASCAIS, PORTUGAL

Praca de Cascais Landscaping & Donor Recognition

The new Praca de Cascais plaza on Bridgeway in downtown Sausalito is starting to bloom! The landscape is complete and the plaza is already attracting locals and visitors alike. The Pistache tree leaves are budding, the ground cover foliage is bursting forth with color and another bench has been constructed under the lovely olive tree. The landscape plan was designed by the prestigious SWA firm in Sausalito and includes familiar plants that are already found elsewhere in town. SWA's goal was to reflect and therefore unify other landscape scenarios in town for continuity.

June 14 Jazz by the Bay

Join us for a delicious Portuguese sausage sandwich with carmelized onion relish and Portuguese wines and beer at the Jazz by the Bay concert, June 14th. Music will be provided by the Ralph Woodson Blues Band that evening and we'll provide the food and beverage. So join us on the scenic waterfront that evening. All proceeds from our sister city food booth will benefit our Youth Sailing Exchange program.

The 5th Annual Youth Sailing Exchange, July 1-8

In July, student sailors from Clube Naval in Cascais, Portugal will travel to Sausalito to sail with their counterparts at the Sausalito Yacht Club. One of their first "public" appearances on land will be in the Sausalito Fourth of July Day parade, so come cheer them on. Our Sausalito Junior sailors are already practicing in anticipation of racing on the bay and reclaiming the trophy!

VINA DEL MAR, CHILE

Sister City October 2018 Exchange

Twelve Sausalito and Marin County business leaders traveled to Vina Del Mar October 2018 for the seventh exchange of our Women in Business mentoring program. We have been meeting both here in Sausalito and every other year in Vina Del Mar with government and business leaders, local community members, banking and other funding sources in support of our program for the Asociacion Gremial de Empresarias y Profesionales, Association of Business women and Professionals of the Valparaiso Region (AGEP) (www.agepv.cl)

Impact of VDM Program

The AGEP women have grown exponentially since our first meeting seven years ago. Their production this year of the First Congress of Latin American Business women is evidence of the acceptance by many in the governmental agencies, local community members, banks and funding sources of their unique presence and contributions to the Chilean society. Over 200 women business owners and leaders were in attendance including local Chilean business women from the south of Chile and other nearby cities surrounding Vina Del Mar. Special guests from Dominican Republic, members from the US Embassy in Chile, University executives, banking and economic leaders all exhibited AGEPv growing prominence in the region. The team of 10 Uruguay business women who attended pledged in writing to continue to share best practices. They will meet again throughout the coming year with AGEP and all hope to attend the 2019 Global Women's conference in Lima Peru. A similar written agreement was executed with Dominican Republicans. The speakers from financial and political arenas expressed the impact of Chile globally, and commented on trade agreements with China being #1—USA being #2 trade partners. Some AGEP women are beginning to partner with Chinese manufactures who are importing to Chile.

Importance of our Continued Involvement

Our Sausalito/VDM connection is a very important global link for AGEP. Time and time again it was expressed how important the 7/7/7 women mentoring program is to open the eyes of these business women, to show them expanded ways of thinking, business insights and to experience life in the USA. The women who have experienced this USA exchange are returning to Chile and raising the bar for other AGEP members—sharing the concepts of women empowerment and self-sufficiency. Each AGEP member truly helps the other - in business advice, partnering and brainstorming for improving or problem solving. It is clear that life is not easy in Chile. These women have two and three businesses and also manage the family and household in most situations.

Mayor Joan Cox was part of this 2018 delegation and imparted strong words to the group about the importance of civic involvement and being a part of the change for improving policies and job development. Her presence and participation in meetings with VDM city council members and tourism executives fostered an invitation from Mayor Cox to Mayor Reginato for a visit to Sausalito in 2019 – the goal to further exchange ideas on our similarities and best practices for addressing earthquake preparedness, fire dangers, rising sea levels, and more. Both municipalities could learn from each other—another step towards deeper connections.

People-to-people people diplomacy

This program is clearly the poster child for accomplishing people to people outreach and a helping hand for growth within that sister city/country. The sharing of our Sausalito/USA practices with our workshops and presentations are clearly providing broader thinking for these business women. We visited 9 businesses and with each story saw their levels of improvement and could also offer our ideas for the next step. It is a rewarding and learning experience for both sides. Our workshop presenters included Aness Pogni (Soxilito), Lorna Newlin (Sausalito Pottery), Deana Kardel (Executive Coach), Cathy Stierhoff (CPA), Brenda DeBruyn (Professional/Marketing Coach and translator), Lizzie Jeremi (teacher and translator) Karen Aiken (Marketing Consultant) Jan Swanberg (Marketing Consultant) Susan Roe (Executive Management) Aria Pogni (2018 Loyola Graduate Entrepreneurial Program) Monica Finnegan (Investor/Real Estate and VDM Chair).

2019 Events

Watch for September dates for Mayor Reginato visit, along with another group of AGEP business women. We have been in collaboration with NAWBO to attend the 2019 Global Women's Conference in Lima Peru. The VDM operations council is also working on a potential 2020 citizen's tour to the region.

To become involved in this women's empowerment program in Vina Del Mar, or for more information on our 2019/2020 plans, please contact Monica Finnegan at mfinnegan@urbanrealestateadvisors.com

The Sausalito Historical Society

We are a group of friends, neighbors, colleagues, local merchants, scholars, writers, artists, historians, history buffs and enthusiasts who've been keeping Sausalito's past alive since 1975. The SHS is an entirely volunteer 501(c)(3) non-profit organization that collects and preserves art, artifacts, photographs and printed materials that document Sausalito's history. We provide access to the collection for public and academic research and develop publications and outreach programs to inspire local interest in Sausalito's history. As a result, we are able to educate the visiting public and enrich the community. Annual membership dues, donations, and funds raised are used for new acquisitions, maintenance of the collection and public outreach through exhibits and publications. Find out how to get involved by visiting our website at SausalitoHistoricalSociety.com

Join the Sausalito Historical Society for our annual meeting on Monday, May 13th, at Christ Church's Campbell Hall, located at 70 Santa Rosa Avenue in Sausalito. The meeting will feature a look at Christ Church's recent historical restorations, including the renovation of the church's 1891 Bergstrom organ.

ENID FOSTER: HEARTBEAT OF THE 1950s SAUSALITO ART SCENE

Our City Hall Exhibit Room is now featuring a show on Enid Foster and her art. In the 1950s, Enid Foster stood at the center of Sausalito's art colony, a magic world of poetry, performance and visual wonder that owed as much to her powerful personality as it did to her brilliant art. In another time, that magic might have brought her fame, but in the 1950s, her art was too far beyond the mainstream. The curators, critics and gallery owners who had recognized her as an internationally important sculptor thirty years before now only saw Sausalito's town character: a white-haired, 60-year-old in frayed blue jeans, beat-up tennis shoes and a railroad man's work shirt walking an old dog through town on her way to the bookstore. She was an amusing eccentric who made irrelevant art. The Sausalito Historical

Society Exhibit on Enid Foster will open on March 29th and run through the end of September. The exhibit is on the third floor of the Sausalito City Hall in the Sausalito Historical Society's exhibit room. The exhibit room is open Wednesday's and Saturdays from 10am to 1pm.

EXHIBIT LOCATIONS

The Society staffs and manages the Ice House Visitor Center and Museum, featuring a permanent display of local history, a gift area featuring works of by local artists, and a selection of gift items relating to Sausalito and its history. The Ice House is open from 11:30am–4pm Tuesday through Sunday, and is located at 780 Bridgeway (across from Casa Madrona). **415-332-0505**

Visit the Historical Society's Exhibit Room and the Phil Frank History and Research Room on the top floor of City Hall. A team of dedicated Docents are available to assist and guide you. Check out exhibits such as 'The Sausalito that Never Was,' (see above for details), or utilize our Archives to explore your home's history, the Marinship during WWII, and other moments in Sausalito's history. The Exhibit and Research Rooms are open from 10am 1pm on Wednesdays and Saturdays, and are located at 420 Litho Street. (The entrance is on the right side of the City Hall parking lot). **415-289-4117** Step back to a dramatic time in Sausalito history by touring the Historic World War II Marinship Exhibit at the Bay Model. This display of photographs, paintings and actual artifacts from the WWII ships and yard was developed by the staff of the U.S. Army Corps of Engineers and the SHS. The Marinship Exhibit is open from 9am–4pm on Tuesday through Saturday and is located in the Bay Model Visitors Center at 2100 Bridgeway. **415-332-3871**

THE ICE HOUSE PLAZA

We broke ground on the Ice House Plaza project in January, but it's not too late to get involved. Funded entirely with donations from the Sausalito community, the plaza will create a new and inviting outdoor space along Bridgeway, and serve as an outdoor classroom for SHS's local history curricula for Sausalito/Marin City School District students and others interested in Sausalito's rich history. The plaza was the brainchild of beloved historian and cartoonist Phil Frank and is the product of overwhelming support from the donors and volunteers who have worked to bring this vision to life. Tax-deductible donations can be made through the Sausalito Historical Society website.

Sausalito/Marin City Schools

TWO BAYSIDE MLK GRADUATES OFFER ADVICE TO THOSE FOLLOWING IN THEIR FOOTSTEPS

Both Natalie Nong and Jeremiah Moultrie attended Bayside Martin Luther King Jr. Academy from kindergarten through eighth grade. Natalie, a talented artist, is a freshman at Tamalpais. Jeremiah says math is his thing. He is a freshman at Marin Catholic. Asked for their advice to those following in their footsteps, here's what they had to say:

Natalie: "Try and be prepared. Learn as much as you can at MLK. There are times you will feel behind in class... Feel comfortable asking for help. And develop a good relationship with your teacher. Try your hardest."

Jeremiah: "Stay focused. Nothing happens on its own. You can't just sign up for something and expect to get it... Act well in class. Don't make the teacher's job any harder than it has to be. Be willing to learn. If you feel like school is something you have to do because your mom or dad say so, they will eat you alive at Marin Catholic because the work load is so much. You have to be willing to learn."

"The work load has been more difficult for me," says Natalie. "I have two hours of homework a night. It's very fast-paced. I've had to work harder, but I still have a 4.0 GPA." She does her homework at Bridge the Gap on the high school campus.

"Marin Catholic is great," says Jeremiah. "It's a wonderful opportunity. When I toured the campus back in September 2017, I thought it was a great school

Natalie Nong, Tam High Student

and I wanted to go there." He received a full 4-year scholarship. "I'm doing great, but there's always room for improvement."

An accomplished, self-taught portrait artist, Natalie explained that when she was little her mother took her to her art classes at College of Marin. "I bugged my mom to help me learn more." Natalie soared in art classes at MLK and is now taking art as an elective. She is looking at further studies in graphic design or animation, perhaps at University of Southern California.

But in the meantime she is enjoying English and has gotten involved in poetry. Her midterm exam was a debate combining English and Social Studies. "I did really well. I've gotten a lot better at public speaking." In fact, she will be participating in a Poetry Slam in San Francisco soon.

For Jeremiah, English has been a little difficult, but he's starting to get the hang of it. "We read *The Book Thief*. It's pretty sad, but a good read."

Jeremiah says, "For the longest time now, my dream school has been Stanford University. I really hope to go there. If not, to go to college at all would be great for me."

He is going to keep himself busy this summer, either working or being on the MC football team, which he will try out for in June. "MC has a good football program, but I enrolled for the academics."

"I just ran for Vice President of my class. I gave my speech today. I'll learn tomorrow or Friday if I won," he says.

Natalie and Jeremiah are already winners, both of them: kind, humble, focused and headed for more success. Bayside MLK is proud!

MASTER PLAN

A master plan is a strategic land use management document that guides the comprehensive management and development of recreation, natural and cultural resources at Corps projects and provides a vision for the future development of the project. In February the Bay Model kicked off its own Master Plan process. Two meetings were held that invited members of the community to come in and let the representatives from the US Army Corps of Engineers know what they would like to see in the future at the Bay Model. All comments were and are still welcome. The process is ongoing and comments are encouraged for the next few months. The Corps is using the online tool “Crowdsource” to collect those comments. NATIVE PLANT GARDEN

On March 15, the Bay Model had a ribbon cutting for their new native plant garden. LTC Travis Rayfield, San Francisco District Commander, had the pleasure of cutting the ribbon along with Chris Gallagher, Park Manager of the Bay Model, along with representatives from the Marin Chapter of the Native Plant Garden. The Bay Model partnered with the Marin Chapter of the Native Plant Society in developing the garden after it was decided their native plant exhibit would be featured in the gallery in April and May. The Native Plant Society has provided all the expertise in regards to species of plant, irrigation and rock features. Visitors interested in planting native plants at home can read signage and printed material for easy instructions. The garden will be a permanent Bay Model feature and hopefully bring lots of butterflies and hummingbirds to the area for all to enjoy for many years to come. We welcome you to come by and check it out.

New Sausalito Art Festival Executive Director Louis Briones & wife Keri

Sausalito Art Festival – Taking It to the Next Level

The Sausalito Art Festival turns 67th this year. Wow.

It is the longest, continuously running open-air art show in the country. Not a bad track record, right? But maybe not such a big deal either.

Except wait. You may be surprised.

While some things aren't changing—a lot of things are. It's still Labor Day Weekend. (August 31-September 2). It will still be an incomparable weekend of entertainment with fine art, great music and wine. But this year's festival promises to surpass anything you've come to expect.

For starters:

- Louis Briones is the festival's new Executive Director
- Preview Night is back (!)
- All of the art festival branding is getting a face lift

Louis Briones has lived in Sausalito for 18 years. He has served on the Art Festival Foundation Board for 5 years, so he knows the landscape. He brings a wealth of marketing and business development experience to the festival. "Many elements are being refined and/or reinvented to make for a more innovative, high caliber, and provocative festival experience," said Briones.

The Gala is gone, having lived a long, good life. Preview Night is back, emphasizing art and experiential art entertainment. Visitors can actively participate in the creation of art, both real and digital. It promises to be the

biggest art bash party of the year in Marin County. One night. All 260 artists. Lots of amazing food and wine. Ways to experience art like never before.

Students at the Academy of Art in San Francisco are renovating the art festival logo, graphics and marketing assets. Giving a new, fresh look to the festival branding but one that still embraces the character of the original, familiar design concepts.

Other changes include the layout and design of the festival grounds. Look for "Hangouts"—a lot more space to sit and sip in the shade. A cool waterfront VIP area. More live performance art on site, as well as "artainment"—a fusion of technology and art. And still, the music you love and a wide array of fine art.

Local non-profits will still be operating the food booths, but with an assist from local restaurants and food service professionals bringing the culinary level of the festival to a new level as well.

"We are preserving the cherished character of the festival while bringing it into the modern day with a fresh look and feel that we think will resonate with all involved," said Briones. "After 67 years, maybe it's time to make a few changes," he said. "We don't think anyone will be disappointed."

Sausalito Woman's Club

One hundred years ago this April, the Sausalito Woman's Club was enjoying its first year in their brand new clubhouse overlooking the San Francisco Bay.

The founders had incorporated as a Woman's Club five years earlier, and had been using a variety of Sausalito's meeting spaces for their gatherings. Frederick Robins, husband of founding member, Grace McGregor Robbins, donated the property at 120 Central Avenue in memory of his late wife.

The founding circle interviewed architects and raised funds to build what became their beautiful Clubhouse. They chose the up-and-coming Julia Morgan, California's first licensed female architect, to design the building.

That first September the local newspaper invited the town to the Grand Opening, which included hors d'oeuvres, dancing and music. The Club has been active in the Sausalito community and beyond ever since.

Early on, members donated funds to help purchase the land for Mount Tamalpias State Park, to support Save the Redwoods League, and they even helped a young member return to Europe to serve the Red Cross.

Over the last 62 years, the Club's Scholarship Recognition Fund has distributed more than \$1,000,000 in scholarships to young people living in the 94965 zip code to help them reach their educational and personal goals.

As President of the Sausalito Woman's Club, I have dedicated my year to raising funds—just as they did 100 years ago—to keep Sausalito's #1 Historical Site and National Register of Historical Places in good repair.

Thanks to our generous supporters, we have reached our goal of \$100,000 to commemorate 100 years on Central Avenue!

Sausalito Beautiful

Volunteers keeping our public green spaces looking their best!

Sausalito Beautiful is a volunteer organization that mobilizes the community to ensure that our public green spaces are healthy, sustainable and resilient. Working with the City of Sausalito, we strive to make certain that our parks, medians, streetscapes, and public staircases are maintained to the high standard you expect.

Ensuring attractive landscapes is not our only aim—sustainability, resilience and adapting to climate change also drive our vision. You may notice new trees planted on Caledonia Street and Downtown Bridgeway, new succulents at the Post Office, and weed-free beds at Tiffany Park—all due to your neighbors and Sausalito Beautiful.

We recently helped re-landscape several Bridgeway medians. Beforehand, these planting strips were an eye sore with the trees struggling to stay alive or already dead. At the persistent urging of Sausalito Beautiful's Meg Fawcett and horticulturist Tom Wilhite, the dead plants and trees were taken out, while beautiful natives and succulents were replanted. The short median between Olive Street and Spring Street is especially gorgeous. In total, 2,301 linear feet of medians were revitalized along the main traffic corridor through Sausalito. We hope you appreciate this beauty in your everyday life.

We want YOU!

We all share the responsibility, so let's work together to make our city shine. With Sausalito Beautiful, no amount of time, talent, or donation is too small.

National Park Service Programs and Announcements

How much do you know about local history?

Summer is a great time to visit your local National Park sites to learn about different periods of our history represented at Point Bonita Lighthouse, Battery Townsley or Nike Missile Site in Marin Headlands or Muir Woods National Monument.

Points of interest you might want to investigate during your visit:

POINT BONITA LIGHTHOUSE Open every Sunday and Monday, 12:30pm to 3:30pm. Since 1855 Point Bonita Lighthouse has guided travelers through the treacherous Golden Gate. See breathtaking views, look for wildlife and explore what life was like living on the cliff edge of the West Coast. The half-mile Point Bonita Trail from parking lot is steep in places.

BATTERY TOWNSLEY Open first Sunday of each month, 12 Noon to 4pm. Once a top secret asset of the U.S. Army's sea coast defense system, Battery Townsley is now open for public tours. The two 16-inch caliber guns, each capable of shooting a 2,100 pound projectile 25 miles out to sea, were once located at Fort Cronkhite in the Marin Headlands. A refurbished gun is on display and can be reached via a moderately strenuous hike up the Coastal Trail approximately one-half mile north of the Rodeo Beach parking lot.

NIKE MISSILE SITE Open Memorial Day until Labor Day, every Friday and Saturday, 12 Noon to 4 pm. The only fully restored Nike missile site in the country represents the tense Cold War history from 1953-1979. On the first Saturday of each month, meet Nike Veterans at the Open House and get a first-hand account of their experience at Nike Missile Sites across the United States. Learn about the Oozlefinch, a historic mascot of the Coast Artillery Corps. The Oozlefinch is a mythical featherless bird that can see long distances with their oversized eyes and fly backwards at amazing speed.

MUIR WOODS Muir Woods has been a National Monument protecting the magnificent old-growth coastal redwood forest since 1908. Come hike the trails among the tall trees, listen to the babbling water in Redwood Creek and experience the interconnected and diverse community of plants and animals that the old-growth forest has to offer. Muir Woods always requires reservations. Visit GoMuirWoods.com or call **1-800-410-2419** to learn more and reserve your shuttle seat or parking reservation.

Chamber of Commerce

CHAMBER SPEARHEADS MERCHANT AND BUSINESS OWNER MEETINGS

The Sausalito Chamber of Commerce is a 501 (c) 6 nonprofit organization. We promote, sustain and grow our community. We are not a civic organization or an arm of the City of Sausalito.

The chamber is funded by members that pay dues; typically a business, organization, association, club, or individual that supports our mission statement and recognizes the benefits of being a member. The Sausalito Chamber is an integral part of keeping Sausalito running on a daily basis while supporting our members and the entire community.

Merchant Meetings Recognizing each area of Sausalito businesses face different challenges, whether they are located on Bridgeway, Caledonia Street or another part of the City, the chamber has organized several merchant/business meetings.

Beginning with the Caledonia businesses, the Chamber facilitated the first in a series of Merchant Meetings. Short-term and long-term goals were discussed which lead to the formation of sub-committees for Caledonia Street Signage, Parking and Outdoor Festival/Event Ordinance Review.

Meetings were also held with Princess Street and Bridgeway businesses to see where everyone could work together over the next six months. Follow the progress or join one of the meetings to be sure your business has the most current information and has a say in what happens in your area. You do not need to be a member of the Chamber to get involved.

Visitors' Kiosk Visitor season is upon us, the Sausalito Chamber of Commerce will once again staff the Visitors Kiosk with Chamber Investment Partners sponsoring over \$22,000 of the cost. As sponsors these members are referred first to visitors looking for retail shops, restaurants and things to do in Sausalito.

Kiosk Investment Partners as of April 1st, include: Aquarium of the Bay, Bay City Bike Rentals, Big Bus Tour of San Francisco, Cavallo Point, Gallery Sausalito, Lappert's Ice Cream, Madrigal Family Winery, Salito's Crab House & Prime Rib, Seafood Peddler, Sports & History Gallery, Studio 333. The Inn Above Tide, The Spinnaker.

Community is an important component of our local businesses survival. The chamber will be hosting special resident mini events, including Bingo, Mingle & Wine gatherings and Pop-Up Events during the Spring & Summer months. We hope our residents participate in these events, spending time in town with friends, enjoying the special variety of shops and places to eat.

The Guide This year the chamber is investing the time to bring back a new Business/Visitor Directory, "The Guide." Sales for marketing & advertising opportunities have already begun and the goal is to have the Sausalito Guide printed by July 1st, so we can generate business during the slow months. For a larger outreach "The Guide" will be available at airports including John Wayne, Portland International, San Jose International, Seattle-Tacoma and Vancouver International which represents 86 million annual passengers.

Distribution areas will also include the Visitor Kiosk, regional hotels and other high traffic locations.

SAVE THE DATE – September 14, 2019 The Sausalito Floating Home Tour Returns!

On September 14, 2019 from 11am to 4pm, after a one year hiatus, the Floating Homes Association of Sausalito will provide an inside peek into one of America's unique communities.

Visitors are invited to explore a dozen homes ranging in style from the funky to the palatial. Residents will be available to answer questions and share aspects of life on the water on San Francisco Bay.

Details ranging from ticket information, parking, sponsors and specific homes on the tour will be announced shortly.

The Floating Homes Association (FHA) is a non-profit volunteer organization representing the owners and residents of floating homes within five marinas on Richardson Bay. Proceeds from the tour benefit the FHA and its nonprofit partners.

Sausalito ART Festival

WHAT'S NEW AT THE FESTIVAL? WELL, EVERYTHING.

After 67 years it was time for a change, so we hired a new music director to get the party started. Then we attracted artists from 41 states and 12 countries. Next, we reimagined the opening night Gala, and for kicks, we built a new food court with new food options and created new technology based art exhibits. *Join us Labor Day Weekend and see it for yourself.*
