

## NOTICE

Notice is hereby given that on **Tuesday, October 22, 2019**, the City Council of the City of Sausalito will conduct a public hearing and second reading of a proposed Zoning Ordinance Amendment to adopt Marijuana Regulations (Sausalito Municipal Code Chapter 10.47). The City Council previously conducted a public hearing and first reading on the proposed Zoning Ordinance Amendment on Tuesday, October 8, 2019. View a copy of the entire Ordinance at the Office of the City Clerk of the City of Sausalito, located at 420 Litho Street, Sausalito, Marin County, California 94965-1933. What follows is intended as a fair and adequate summary of the proposed new ordinance:

*The City Council of the City of Sausalito previously adopted an interim urgency Marijuana Ordinance on November 28, 2017 and is effective through November 24, 2019. The current marijuana regulations allow for the delivery of medical and recreational marijuana into Sausalito; other commercial activity such as retail sales, dispensaries, and distribution centers are prohibited. Prior to the expiration of the interim urgency ordinance on November 24, 2019, the City desires to re-adopt the existing marijuana regulations (Sausalito Municipal Code Chapter 10.47). Adoption of the current regulations will ensure continued compliance with State Law while additional analysis of potential amendments is studied.*

*It is the intent of the City of Sausalito to protect the safety and welfare of the general public by regulating and monitoring medical and nonmedical marijuana facilities, commercial marijuana facilities, the delivery of all marijuana, and the outdoor cultivation of marijuana within the City's corporate limits in a manner compliant with State Law.*
