On Thursday, January 2, 2020, at approximately 2:57PM, Sausalito Police Officers were dispatched to a residence on Alexander Ave regarding a possible trespasser. The reporting party was a housekeeper who stated that the trespasser was making incoherent statements and refusing to leave the property.

Officer Edgar Padilla arrived on scene at approximately 2:58PM and contacted the housekeeper who directed him to the residence's balcony. On the balcony, Officer Padilla located Joshua Lloyd, a 34 year old resident of San Francisco. Officer Padilla's investigation revealed that Lloyd did not have any legal reason or permission to be at the residence. Lloyd had entered the unlocked house and taken clothing from its basement. Further investigation revealed that Lloyd had in his possession a utility tool that is commonly used to commit burglaries, a glass pipe commonly used to smoke narcotics, and a small plastic bag with possible residue from narcotics in it.

Lloyd was arrested for burglary, possession of a burglary tool, and possession of narcotics paraphernalia and was booked into the Marin County Jail.
