Response to Prospective Bidder's Questions:

Question 1:

- a. Is there a copy of the Erosion Control Plan (part of Addendum 1) that has clearer print? I can't read much of it, and it gets worse if I try and zoom in. I can't make out any of the general notes, and I think there may be wattles in the legend, but I'm not sure. Or do I only need to worry about the call-out notes the City inserted?

Response 1:

- a. This is the only print. The call-outs added by the City in red boxes are those for this project. There are no wattles anticipated for this project.
