On Thursday, April 29, 2021 at approximately 6:40 PM, Sausalito Police made an arrest in the arson and carjacking incident that took place on the morning of Sunday, April 25, 2021 in the 100 block of Rodeo Avenue.

On that Sunday morning Officers responded to a report of an adult male suspect who had forcefully stolen a vehicle from a female resident as she was leaving for work. The suspect also set the passenger compartment of another vehicle on fire. That vehicle was the one that the suspect arrived in and it was also registered to him. The stolen vehicle was later located in San Francisco using an internal tracking system. Sausalito Police have been working diligently on this case to develop probable cause for arrest.

With the assistance of the San Francisco Police Department, Sausalito Officers were able to arrest Marvin Fuller (a 33 year-old male out of San Francisco) without incident. Fuller was arrested for attempted arson, carjacking, robbery, assault, and violation of Parole. He was booked into the Marin County Jail. His bail was set at \$150,000.
