ADMINISTRATIVE APPROVAL OF CHANGES
TO AN APPROVED PROJECT AT
1620 Bridgeway PROJECT ID: 2021-00081 |
APN: 064-083-01**

NOTICE IS HEREBY GIVEN that project sponsor Sausalito Community Boating Center has submitted an application for Administrative Approval of Changes to an Approved Project (2021-00081) as described below at 1620 Bridgeway (APN 064-083-01) in the Public Parks (PP) Zoning District.

The required 10-day public noticing period begins on June 17, 2021. A decision on the application will be rendered after June 27, 2021.

The applicant is requesting Administrative Approval of Changes to an Approved Project. On January 18, 2017, the Planning Commission approved project DR 16-137 which included a request to construct a concrete landing and abutment with an 8-foot by 80-foot gangway connecting to the Cass Gidley Marina docks at the foot of Napa Street.

The applicant is requesting to change the design approved in DR 16-137 to add a 7'10" security gate and perpendicular fences. The fences will be heavy-duty woven wire mesh with 3" square openings, secured in 4" square metal tube steel frames to deter climbing and allow for visibility to the water.

Project plans are available for public review only at <https://sausk-trk.aspgov.com/eTRAKiT>. Should you have any questions, please contact Mike Janusek, Assistant Planner, at mjanusek@sausalito.gov. All interested persons are encouraged to review the application materials and submit correspondence, as necessary.

Changes to approved project decisions may be appealed to the Planning Commission within ten (10) calendar days of the decision date. Appeals must be submitted in writing and shall be processed in accordance with Chapter 10.84 SMC (Appeals).

NOTICE: If you challenge the project described in this notice in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the (public entity conducting the hearing) at, or prior to, the public hearing.
