XORNS' CLUB **presents...**

DUNGEONS & DRAGONS

FOR TEENS & TWEENS

Friday, April 15

3:00 p.m.-5:00 p.m.

An introduction into the world of role-playing games, demonstrated through a Dungeons & Dragons mini-adventure using the "Holmes" rules from 1977. The Basic Set remains one of the most accessible versions of the game and is an excellent gateway to more elaborate rule systems. Attendees will leave with a basic understanding of how role playing games work, what playing D&D is like, and information that will help them navigate the wilderness of RPGs that are out there today.
