Q5 Based on the above table, please identify the number of units for each income group you anticipate the new unit(s) may accommodate based on the rent or sales prices you anticipate. If you anticipate making the ADU or JADU available at no cost, please estimate the income range of the household that would reside in the unit.

Q6 Recent changes in State law (Senate Bill 9) allow owners of lots zoned for single family use that meet certain eligibility requirements identified by State law (California Government Code Sections 65852.21, 66411.7) to 1) build two units on a lot (either single family residences or a duplex), and 2) to split the lot into two lots that meet specific size criteria, including a 1,200 s.f. minimum size, so that each lot can accommodate two units. Are you interested in developing a lot zoned for single family residential uses using the SB 9 provisions?

**Q11 Based on the above table, please identify the number of units for each income group you anticipate the new unit(s) may accommodate based on the rent or sales prices you anticipate. If you anticipate making the unit available at no cost, please estimate the income range of the household that would reside in the unit.**

| 1  | I would like to meet with someone from your committee re housing to propose leasing land from City of Sausalito to build some multifamily housing, if you are interested. Dan Keig, General Partner, Sausalito Investments. 831-595-0900 dankeig@aol.com   | 4/16/2022 11:46 AM |
| 2  | We do not need any low cost housing in Sausalito. If anything is to be developed, senior housing only. Traffic is already a large problem.   | 4/15/2022 3:29 PM  |
| 3  | Our property is the largest undeveloped property in Sausalito. It is well suited for residential or mixed uses. The property has no environmental problems, despite city officials' claims otherwise. The maritime industry is dying, headed toward non-existent. We have owned this large parcel for 27 years and city government has refused all development. We could build all necessary new housing on this parcel. | 4/14/2022 4:52 PM  |
| 4  | Housing intent is to build a one story unit (studio/one bedroom) above existing concrete detached garages, not to exceed the foundation footprint of the garage walls.   | 4/14/2022 6:53 AM  |
| 5  | Please have planning department contact me regarding 230 Santa Rosa Ave. to inform me of possible development options for the parcel   | 4/12/2022 11:34 AM |
| 6  | Sausalito leaders should be advocating for more affordable water-based housing, using refurbished low cost vessels that are seaworthy as stationary homes in a marina setting.   | 4/8/2022 9:36 PM   |
| 7  | Like a vast majority of people, I don't like the State dictating local rules on housing. How much state money will be lost if we don't comply?   | 4/4/2022 11:33 AM  |

| 11 | I would be interested to put another story on the above property to develop additional units.  | 4/1/2022 5:38 PM   |
| 12 | This survey was a bit confusing. Just to be sure I answered it correctly, I would like to consider 2 options: 1 in my home and 1 an added unit built on the property. Thanks, Lisa   | 4/1/2022 4:10 PM   |
| 13 | I would be interested in purchasing 064-062-19 (147 Tomales), City property, in order to accommodate the additional unit.  | 3/31/2022 10:00 AM |
| 14 | We need to add more affordable housing   | 3/29/2022 12:24 PM |
| 15 | None at this time. Need to consider further.   | 3/29/2022 8:07 AM  |
| 16 | Absolutely pro housing. Our lot is not large but could accommodate a small adu onsite. I'm an architect and could execute the project easily.  | 3/26/2022 11:06 AM |
| 17 | I have just started my process of thinking about ADU etc, any information, links, references, workshops to learn more would be useful. Thank you.  | 3/25/2022 8:57 PM  |
| 18 | Please don't put all of the housing in Marin City. There is plenty of space by Fish restaurant and the Arts building.  | 3/25/2022 6:12 PM  |
| 19 | None   | 3/25/2022 5:15 PM  |
| 20 | would like more info on the process before committing. thank you   | 3/23/2022 10:52 AM |
| 21 | feasibility of one person unit in lower floor of home. Design and building the unit affordability.   | 3/22/2022 9:12 AM  |
| 22 | I find this entire process terrifying. People will be kicked out of their houses so properties can   | 3/13/2022 6:51 PM  |
