

RESIDENTIAL SIDING REPLACEMENT SUBMITTAL REQUIREMENTS

This handout provides submittal requirements if the scope of work is solely to replace siding. If your project is not solely to replace siding, then see [Additions & Alterations/Remodels Submittal Requirements](#).

- Complete a [Building Permit Application form](#).
- Provide plans and/or elevations per Submittal Requirements below.
Acceptable for plans and/or elevations to be hand drawn if legible and drawn with a straight edge.

Please note additional review and submittal items may be required for the following:

- If your property is located in a **Wildfire-Urban Interface (WUI) Fire Area**, additional Building Division Review and submittal items may be required.
