On Monday, January 8, between approximately 6:30 and 7:00 a.m., two unidentified suspects committed a commercial burglary by stealing a safe from a local business in the 600 block of Bridgeway.

One suspect entered the business and prowled the premises until locating the safe. After locating the safe, the suspect physically dragged the safe out of the business. Once outside, the suspect was met by a second criminal associate. Both suspects picked the safe up and loaded it into a waiting vehicle which was double parked in the area.

The Sausalito Police Department is requesting the community's help; investigators reviewed video surveillance and observed that a few citizens were walking by the place of business as the two suspects were carrying the safe to the waiting vehicle.

If you observed any suspicious behavior on this identified date and time, please contact the Sausalito Police Department.
