CITY OF SAUSALITO / PARKING SERVICES

APPLICATION FOR EMPLOYEE PARKING PERMITS D & L

Terms and Conditions: Employee Parking Permits D & L

Employee Parking Permits D & L. Certain Sausalito Municipal Parking Lots are part of the low-cost Employee Parking Permit Program. Designed primarily for commuters, merchants and their employees, the Employee Parking Permit is a pre-paid parking permit valid in certain Municipal Parking Lots. Employee Parking Permits allow all-day parking in their respective parking lot with allowed in-out privileges. New applicants may purchase Employee Parking Permits from City of Sausalito Parking Services.

Eligibility. There are no restrictions on eligibility, anyone may apply for an Employee Parking Permit.

Permits: There are two types of Employee Parking Permits: “D Permits” are valid only in Municipal Parking Lots #3 & #4 and “L Permits” are valid only in Municipal Parking Lot #5. D Permits allow all-day parking in Lots #3-#4 without the need for purchasing a parking session at a parking pay station. L Permits allow permitted vehicles to park in Lot #5 in excess of the posted 2-hour time limit as well as overnight from 2:00 a.m. to 6:00 a.m.. Employee Parking Permits are only valid in the Municipal Parking Lot for which they were issued and are not valid at unauthorized, time-limited parking areas or in metered parking zones. All vehicle-specific Employee Parking Permits are valid only when displayed from the driver’s side of the vehicle’s rear bumper. Non-specific Employee Parking Permits, or “Guest” permits are only valid when properly displayed from the driver’s-side of the vehicle’s dashboard or rear window, with the permit number and expiration date clearly visible from outside of the vehicle. Parking in a Municipal Parking Lot without displaying a valid permit, or without purchasing a parking session from a parking pay station, may result in citation. All public streets and parking areas are subject to the City-wide 72-hour parking restriction and Employee Parking Permits do not exempt a vehicle from this restriction.

Costs, Fees and Replacements: Employee Parking Permits are issued quarterly (every three months) and have a nonrefundable fee charged each quarter. D Permits cost \$390 per quarter and L Permits cost \$160 per quarter. The quarterly periods are the same each year for all Employee Parking Permits: Quarter 1 (January 1 - March 30), Quarter 2 (April 1 - June 30), Quarter 3 (July 1 - September 30) and Quarter 4 (October 1 - December 31). Employee Parking Permit costs will be pro-rated for new applications received during a quarterly period, based on the date of application. All permit fees are due at the time of application. Replacement Employee Parking Permits cost \$25.00. Check payments, **made payable to City of Sausalito**, may be included with mail-in submissions—do not mail cash. Payments by Credit or Debit Card require a separate **Card Payment Authorization Form** included with the application. This form is available on the City of Sausalito website (www.sausalito.gov). The City of Sausalito is not responsible for lost, stolen or damaged Employee Parking Permits, and all Employee Parking Permits remain the property of the City of Sausalito. Current permits may be exchanged at no cost when the permit is submitted with the replacement permit application (this may be relevant when selling a permitted vehicle—remove the current permit from that vehicle and submit it with your replacement Parking Permit application).

Permit-holder Agreement. By signing your application you certify that you have read and understand the terms and conditions provided herein; You understand that there is a non-refundable fee for all Employee Parking Permits and a \$25.00 fee for all replacement Employee Parking Permits; You understand that the City of Sausalito is not responsible for lost, stolen or damaged Employee Parking Permits and that all Employee Parking Permits remain the property of the City of Sausalito; You understand that parking in a Municipal Parking Lot without a valid Employee Parking Permit, or a valid parking session, may result in citation, and that Employee Parking Permits are only valid when properly displayed; You understand that any misuse or the unauthorized transfer of an Employee Parking Permit may result in permanent forfeiture of all Employee Parking Permit privileges.

Terms and rates are subject to change.
