Tom-

Happy New Year.

I look forward to seeing you at the joint meeting next Wednesday 1/14.

I did want to let you know that I need to resign my position on the HLB board effective Tuesday, February 17th. Unfortunately, due to the economic times, I need more work (as I am self employed) and am picking up a yoga workshop and class that is on Monday nights. My first class will begin on Monday, February 23rd.

I hope this gives the new board time to fill both positions. I'm happy to discuss this should you have any questions. I have enjoyed my short time on this board, and really respect the work that is involved in helping keep Sausalito the beautiful city that it is.

Warmly,

Amy Beth Chramosta
