## SAUSALITO CITY COUNCIL

---

### AGENDA TITLE:

General Fund Quarterly Financial Report for the Third (3<sup>rd</sup>) Quarter Ended March 31, 2009 and Quarterly City-wide Treasurer's Report as of March 31, 2009

### RECOMMENDED MOTION:

Accept the General Fund Quarterly Financial Report for the Third (3<sup>rd</sup>) Quarter Ended March 31, 2009 and Accept the Quarterly City-wide Treasurer's Report as of March 31, 2009.

---

### SUMMARY

In accordance with the City's financial policies, staff is to present a General Fund financial report to the City Council on a quarterly basis, and within 45 days after the quarter ended. In addition, staff is to present a City-wide Treasurer's Report to the City Council on a quarterly basis. Further, the policies direct staff to present Monthly General Fund financial reports to the Finance Committee.

This staff report with accompanying statements is the quarterly financial report for the Third (3rd) Quarter Ended March 31, 2009 and the quarterly Treasurer's Report.

The financial report contains period budgets and compares the budget to actual revenues and expenditures. The attached statements summarize the General Fund's operating result for the period July 1, 2008 to March 31, 2009. The targeted percentage of revenue receipts and expenditure disbursements for the period is 75% in revenue and expenditures.

The Treasurer's Report contains the investment portfolio details, summaries and totals as of March 31, 2009 and reconciles the cash and investments to the City's cash General Ledger balances by funds, and totals.

### ISSUES

The quarterly financial report is prepared on a "cash" basis. As a result, certain revenue and expenditure accounts may not reflect the actual for three months due to timing of when revenue is received or expenditure is paid.

## **General Fund Revenues**

For the nine months ended March 31, 2009, the General Fund reported revenue collections, including "transfers-in" from other funds, in the amount of \$8,772,242 – 87.1% of the annual revenue budget. Below is an explanation of certain revenues and their collection pattern.

### Property Tax

The City receives secured property tax from the County of Marin on a "teeter plan" basis with 55% payment in December, 40% in April, and 5% in June. Accordingly, the city received \$3,605,049 in Secured Property Taxes through March 31, 2009. However, the city received the 40% April net distribution of secured property taxes on April 14 in the amount of \$1,987,261.13. With this payment, the city will be at 83.1% collection and in line with the amended budget as forecasted during the Mid-Year Budget Review.

### Sales & Use Tax

The State of California pays sales taxes to the City based on actual collections – and distributed through advances and quarterly true-ups. Sales and Use Taxes collected through March 31, 2009 are \$1,175,443 as compared to the \$1,140,449 received by the City through the prior year 3<sup>rd</sup> quarter. Sales and Use Taxes are a healthy 13.4% of Total General Fund Revenues, approximately 1% above the prior year's 3<sup>rd</sup> Quarter percentage of Total General Fund Revenues.

### Transient Occupancy Tax (TOT)

The City receives TOT on a monthly basis from hotels, 30 days after each month's end. This means that on the cash accounting basis, only 7 months (instead of 9) of TOT is recorded through the 3<sup>rd</sup> quarter.

Through the 3<sup>rd</sup> Quarter, TOT is down \$155,440 in comparison to last year. The reason for this precipitous drop in TOT is that one of our four hotels has only reported four months of TOT through the 3<sup>rd</sup> quarter (July through October); and another of our four hotels has only reported and remitted 5 months of TOT through the 3<sup>rd</sup> quarter (July through November). Staff will be pursuing collections of TOT from these delinquent hotels during the 4<sup>th</sup> Quarter, FY 2009.

Comparing TOT collections year over year for the same reporting periods by entity, TOT collections are only down 4.5%, reflecting the impact of the economy on Sausalito's hotel economic base.

### Franchise Fees

Cable franchise fees are received by the City 30 days after the quarter ends. For electric and gas franchise fees, payment is received from PG&E in April of each year. Accordingly, on April 7, 2009, the City received \$42,599.58 and \$40,937.49 respectively for electric and gas franchise fees. Actual franchise fees collected through the third

quarters of 2009 in the amount of \$436,247 grew slightly over 2008 by \$9,822; both years approximately 5% of Total General Fund revenues

#### Fines

Through the 3rd Quarter of FY 2009, fines have increased \$92,563 over the same period last year. The increased revenues are a result of increased fines for Parking adopted last year, as well as an increase in the number of citations issued.

#### **General Fund Expenditures**

For the nine months ended March 31, 2009, General Fund reported expenditures including transfers out to other funds of \$9,146.427 which is (\$1,375,268) less than the same reporting period last year.

All departments were expected to come within budget and they did.

#### **Cash and Investments**

Cash and investments of the City of Sausalito as of March 31, 2009 total \$34,168,433. Consistent with the City's Investment Policy, the portfolio is distributed as follows:

Cash in Bank	\$ 1,551,375	4.5%
Local Agency Investment Fund	6,016,726	17.6
US Treasury Bills	<u>26,600,332</u>	<u>77.9</u>
<b>TOTAL</b>	<b>\$34,168,433</b>	<b>100.0%</b>

The above investments are consistent with the City's Investment Policy and are allowable under current legislation of the State of California. Investments are selected using safety, liquidity, and yield as the criteria. The City has sufficient cash flow to cover anticipated expenditures through the next six months

#### **FISCAL IMPACT**

This is a historical informational report.
