

# STAFF REPORT

## SAUSALITO CITY COUNCIL

---

### AGENDA TITLE:

Street Repair List, 2009/2010 Fiscal Year Work Plan

### RECOMMENDED ACTIONS:

Adopt motion accepting Repair List

---

### SUMMARY/DISCUSSION

On June 9, 2009 the City Council was provided a briefing on update of the Pavement Management Program. The City Council discussed the matter and adopted a motion accepting the report but directed that a concise updated Street Repair List be prepared for the 2009/2010 Fiscal Year. That list has been prepared.

The updated street repair list brings forward the streets identified for repair in the 2008/2009 Fiscal Year, but not yet completed, and adds to it new road segments identified in year one of the Pavement Management Program Update. The list was presented to the OMIT committee on June 22. The Committee directed that the full Council review the list.

The list is a plan. Construction plans are expected to be prepared in the coming months. As the full work scope is determined and better cost estimates can be made there will be a final determination regarding the streets that will actually be repaired.

Staff recommends that the City Council adopt a motion accepting the 2009/2010 Fiscal Year Street Repair List Plan.

### FISCAL IMPACT

The item has no general fund implications. The project is funded through the General Capital Fund. The 2009/2010 Budget allocates \$980,000 for the street repair program. The actual costs to implement the Street Repair list may vary from this amount. Street segments will be removed or added to stay within budget limits based on scoring from the pavement management program.

Item #: 60  
Meeting Date: July 7, 2009  
Page #: 1

## STAFF RECOMMENDATIONS

Adopt a motion:

1. Accepting the 2009/2010 Street Repair List Plan.

Alternatively:

1. The City Council can reject the attached list and provide staff direction on revisions for future consideration.
2. The City Council can revise the Street Repair List Plan and accept it immediately
