Dear Business Advisory Board and Sausalito City Council:

I am sad to tell you that I must resign my position on the Business Advisory Board, effective immediately. I am dealing with a serious health problem and simply would not be able to contribute the time and energy necessary to be an effective BAC member.

I have been a Board member for around 10 years. It has been my pleasure to serve the City, businesses and residents of Sausalito in the good work that is being accomplished by community members working together with City fathers, under the guide of the BAC. I believe the path in front of us follows a vision that will take more effort and time from all involved, and will result in a much improved Sausalito, both in economic strength and quality of life.

Please feel free to call upon me for help on a periodic basis. Thank you so much for allowing me to serve with you.

Fondly,
Peg
