

Where should new housing be located?

How do we protect and preserve existing neighborhoods?

Can we encourage housing for low-income households?

What about housing for seniors?

Can new housing be environmentally sustainable?

Should residential uses be allowed in the Marinship?

The City of Sausalito wants **YOU** to **SHAPE HOUSING POLICY** for the next five to ten years. The City is currently accepting applications from residents wishing to sit on the **HOUSING ELEMENT COMMITTEE**. The Housing Element Committee will review the current draft of the Housing Element Update and provide recommendations to the City Council on how the Element can best meet the needs of **ALL SAUSALITO RESIDENTS**, both present and future. For further information and to receive and application, visit the Community Development Department at City Hall, 420 Litho Street, phone Associate Planner Lilly Schinsing, at 289-4134, or email lschinsing@ci.sausalito.ca.us.
