* BALLOT DESIGNATION REQUIREMENTS

- * At the option of the candidate, **ONLY ONE** of the following designations may be used:
1. Words designating the elective city, county, district, state or federal office which the candidate holds at the time of filing the nomination papers to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior or municipal court judge.
 2. The word "Incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or in the case of a superior or municipal court judge, was appointed to that office.
 3. No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the U.S. at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word. The use of the word "Retired" by itself or as a prefix is acceptable, but not after any other word or words (e.g. "Retired" and "Retired Army Officer" is permissible; "U.S.M.C., Retired" is not).
 4. The phrase "Appointed Incumbent" if the candidate holds office by virtue of appointment, but may not use the unmodified word "Incumbent".
- No candidate shall assume a designation which would mislead the voters. (See Section 13107, 13107.5, Elections Code)
