Provision

00100- Article 7 Paragraph 3 is amended to read that:

End of Revision

**COMMENT:**

The City is relying on Federal Stimulus Funding administered through the State Water Resources Control Board (SWRCB). SWRCB advised the City on June 3, 2010 that formal documents obligating these funds won't be ready to execute for 120 days. Between the Bid Opening date extension and the provision change, we believe that we can practically administer this project in a fair and equitable manner with the Contractor and the State. Thank you.
