Herb Weiner
Incumbent

As a current member of the City Council, I have worked to solve community issues, conserve town resources and balance the needs of our residents with those of our business community.

As a "hands-on" problem solver, I have devoted time and energy to better manage tour bus parking downtown, and spearheaded the creation of bicycle parking areas to help minimize congestion at the ferry landing. I negotiated with Blue & Gold Ferry to provide a senior fare for residents and established the first free "drive you home" service for residents on New Year's Eve.

I'm a 33-year resident, experienced Sausalito business owner, and someone who is in love with this town. I'm committed to protecting and preserving our small-town quality of life and the heritage of our waterfront, while supporting the needs of our small business community. My ability to balance diverse points of view will be important as we tackle upcoming issues like the Sausalito General Plan and the Marinship Specific Plan. I will continue to work hard to make good community decisions that serve us all.

Thank you for your continued support and the opportunity to serve you again as a member of the Council.
